BUTTER SHARPLY HIGHER TODAY

Three Grades Cube Butter Climb Because of Less Production

PORTLAND, Ore., Aug. 16 (AP)—Three grades of cube butter are quoted sharply higher today on the dairy exchange. A large let-down in local production is responsible for the price stiffening. Storage removals amounted to 1241 pounds yesterday.

The new quotations make extras a cent higher at 42½c; standards 1½c higher at the same price and prime firsts a half cent higher at 40½c. Firsts are unchanged.

Although 208 cases of eggs were withdrawn from storage and the market is extremely firm, egg quotations remain steady.

Tomatoes shipped in from outside points sold a little higher at wholesale this morning at from 50c to $1 per box. Shipments are falling off.

Watermelon receipts are smaller but demand is also light so that wholesale prices are steady.

Elberta and Hale peaches and grapes, both Thompson seedless and Malagas are plentiful for the trade at steady prices.

Blackberries are becoming scarcer, wholesaling around $2 per crate. Cauliflower brings $1.75 per crate to local growers.

Poultry is moving slowly at steady prices, although receipts are light. Country dressed meats are steady.

Wheat Closes Weak At a Loss Today

CHICAGO, Aug. 16 (AP)—Opening unchanged to ⅛c higher, wheat moved within narrow limits. Corn was somewhat unsettled but became firmer later. Starting ⅛c lower to ⅜c advance, the market later held near to initial figures. Oats were about steady and provisions were firm in line with higher quotations on hogs.

Wheat closed weak at a net loss of ½c to 1c; corn was off 1⅛ to 1½c and oats unchanged to ⅜ @ ⅝c down and provisions 7½ to 20c up.

Price Movement In Wall Street Climbing Again

NEW YORK, Aug. 16 (AP)—Resumption of the upward price movement in today's stock market was featured by the revival of activity and strength in the railroad shares. Pools were again active, lifting more than a score issues to record high levels.

Investment buying was still of a cautious character, although the belief prevailed that last week's drastic decline had cleaned out most of the sore spots in the market.

Montgomery-Ward and Sears Roebuck each established a new high record by selling at 71½. Public utilities presented several points of strength, new tops being recorded by American Express, Brooklyn Edison, Engineers' Public Service, Manila Electric and Radio Corporation.

The strength of the motors was believed to have been influenced, in part, by the report that the new Ford car would not be in production until early next year, thereby removing fears of competition from that quarter in the next few months.

The closing was strong. Pittsburg and West Virginia was up 7 points; Mackay company and Burroughs Adding Machine, 6½; Chesapeake and Ohio, 5 and Baldwin, U. S. Cast Iron Pipe and Continental Insurance 4 to 4½. Chesapeake and Ohio at 195⅞, approximated its recent figure. Total sales approximated 2,000,000 shares.

Moscow Swept By Homeless Waifs

MOSCOW (AP)—A new wave of homeless children is sweeping over Moscow. Their number, estimated by the city authorities to have fallen as low as 250, has suddenly jumped to some 1,500. The new rush is believed to have come from Rostov-on-Don in the south.

Recruited from the families of peasantry and workmen, they come to Moscow attracted by the temptations of a modern city. Organized in gangs, they roam Moscow streets snatching women's bags, picking pockets and raiding street peddlars, practically without interference from the militia, who have abandoned hope of suppressing them.

Lots of people are only busy when they are meddling in other people's business.
