NOT FOR SALE
There are no markets in the world where even the richest can buy health. It is not on the counter—it is not listed on the stock exchanges—it is nowhere for sale. Nothing is more precious, yet it is practically within the reach of all. Your spine is the index to your health. If your spine is not in line there is nerve pressure and poor health. CHIROPRACTIC ADJUSTMENTS will put your spine in line. Dr. F. L. Tribe
