FRUIT TRADE IN DOLDRUMS TODAY

Moves Slowly and in Lighter Quantities in Portland Market

PORTLAND, Ore., Aug. 29 (AP)—Influenced by somewhat lighter consumer demand effected by cooler and rainy weather, seasonable fresh fruits moved slowly and in lighter quantities in the early morning trade of the local wholesale produce markets today. Most fruits and vegetables were in plentiful supply and sold at prices unchanged from late last week.

Tomatoes, both local and those shipped from the upper Columbia region, were plentiful at from 50 to 65 cents per box.

Tokay grapes from Southern California are now being received in quantities, priced at $2.00 and $2.25 per standard four-basket crate.

A few lots of Oregon Crawford peaches were quoted at $1.25 per box. Lovells are selling around the same price and comprise the bulk of the peach offerings.

Wholesale prices were unchanged for butter, eggs, country dressed meats and poultry. Prospects were for easier prices for portland light hens and slightly stronger for hogs.

Issues Rally In Wall Street; Oil Shares Go Higher

NEW YORK, Aug. 29 (AP)—The stock market gave another impressive demonstration of its recuperative power today, a bad sinking spell during the forenoon being followed by a brisk recovery which carried several of the leading industrials to record high levels. Heavy selling of General Motors, which tumbled 5 points to 241½, precipitated the break, but this stock recovered its loss and climbed to a new peak of 251½. U. S. Steel common and General Electric also reached new high ground.

Oil shares, several of which went to low levels in the early trading, rallied with the rest of the list.

Dupont, Colorado Fuel, Shubert Theatres, General Railway Signal, Timken Roller Bearing and Case Threshing Machine all recorded substantial gains. The closing was firm. Warren Brothers rushed up 16 points and Reynolds Tobacco "B," United Drug, Wilson and Company preferred and Kelly-Springfield 8 per cent preferred also made noteworthy gains. DRAWS DEAD FATHER'S PENSION FOR 20 YEARS

PARIS (AP) — Jean-Baptiste Tourenne, 60 years old, has for 20 years been drawing the pension of his dead father.

When government railroad officials learned that one of their retired employees, pensioned 25 years ago, would celebrate his hundredth birthday this year, they began to arrange a public ceremony in his honor. In the course of arrangements officials found that Tourenne had collected his father's pension for so long that a new generation of cashiers took it for granted the man they paid was the pensioner himself. Tourenne, therefore, kept on getting paid and lived without working. A judge sentenced him to a year in jail.

Consider Also The Trimmings Of Life

Somebody is always popping up to speak of the value of the fundamentals of Life, but it seems to us that the "trimmings" are sadly neglected. Of course we want our friends to be honest, and sensible and well intentioned, but we are just as interested in their being pleasant and well mannered about it.

The same way with a store! You expect the J. C. Penney Company to give you goods of absolutely reliable quality at a substantial saving, because of our gigantic buying resources. You know, because we have proved it hundreds of times, that our Advertising is truthful and that we stand back of every article we sell. But all this wouldn't bring many of you back a second time if we were not courteous; if we were not actually glad—way down deep in our hearts—that we could help you in choosing something that you have always wanted.

A Penney Store has always stood for Honesty and Reliability. We hope you think of us as Friendly and Courteous as well. We try to be.
