La Grande, Oregon Two Big Bargain Days

SPORT NEWS

BENNY WOLFE IS HERE FOR FIGHT

Philadelphia Flash Meets Delmer Allen in Main Event Labor Day

Benny Wolfe, Philadelphia flash, arrived in La Grande this morning from Portland, where he has his northwestern headquarters, and will start training for the Labor Day headline event with Delmer Allen of La Grande.

Wolfe, who is a first-class scrapper and who has an imposing record both in the east and on the Pacific coast, is reputed to be fighting fast and also possessed of a knockout punch. Local fans believe that Wolfe is by far the toughest adversary Allen has been matched with.

Allen, following his last fight here which Ralph Gruman, Portland official refereed, is certainly a comer, according to Mr. Gruman. He pronounces him ready for any 135-pound boy in the northwest.

Allen's manager, Speed Meserve, has several main event fights lined up including a showing in Portland in the near future. Allen has worked faithfully for this fight with Wolfe, realizing that Wolfe is a good boy and a victory over him means much more prestige.

That local fans are "hopped up" over the coming card is evidenced by the ticket sale, which is reported to be very heavy.

Allen has lost only one decision since he entered the fight game and that was a close one to Johnny Stotze in Pendelton last winter.

Firpo Ford, who is to meet Young Lovell of Enterprise, in the six-round special event of the Labor Day card, has worked himself into excellent condition and is confident that he will be able to whip Lovell although the latter is a tough youngster and should make Firpo extend himself to the limit, local fans declare.

DEMPSEY MAKING READY FOR FIGHT

Present Aim Is Development of Defense Against Tunney's Left Jabs

CHICAGO, Sept. 1 (AP)—Daily workouts at the camp of Jack Dempsey have indicated that the ex-champion's chief aim now is the development of a defense against left jabs.

The former heavyweight title holder went through a fast round with Jack McCann, the St. Paul heavyweight yesterday. In the three minutes the two mauled each other, McCann repeatedly slipped through his left to Dempsey's chin and mixed it occasionally with a right cross that had Jack worried. However Dempsey's infighting kept McCann from doing any real damage and the round ended with matters fairly even.

Manager Leo P. Flynn officiated as both referee and chief advisor and apparently decided that Dempsey will have to do a little more boxing to perfect his defense.

In three other rounds with sparring partners yesterday, Dempsey did just as he pleased and gave the fans a thrill in the first encounter when he floored Dutch Meisner, a Blue Island brick maker, with a left hook.

At in-fighting, Dempsey landed almost at will on his aides' midsections. In his bout with Oak Till, former sparring mate of Champion Gene Tunney, Dempsey relied upon his infighting to assure the count after Till landed several Tunney-style left jabs.

VIERKOETTER IS ONTARIO WINNER

Only Three Finish Marathon Swim—All Women Forced from Race

TORONTO, Ont., Sept. 1 (AP)—Only three of some 260 entrants in the grueling 21-mile lake marathon, which started yesterday, finished: Ernest Vierkoetter, German baker, first; Geros Michel, French baker, second, and William E. Erickson, of New York, third.

Vierkoetter and Michel, while both bakers, are also both English channel swimmers. Vierkoetter finished in 11 hours, 42 minutes 2-25 seconds official time, winning the first prize of $30,000. Michel, finishing some three hours later, won the second prize of $7,500. Erickson struggled in the chill waters for nearly 15 hours to win the third prize of $2,500.

What swimmers described as one of the cruelest of long distance swims ended when Erickson struggled to the dock at 2:30 o'clock this morning. The ugly chill of the waters numbed the contestants to the bone and during the early hours of the contest they were pulled out of the water by the dozen, many narrowly escaping drowning.

None of the women entrants could stand the grind. Miss Martha Stager, of Portland, Ore., was the last woman to quit. She was taken out of the water at 12:08 o'clock this morning. Lottie Moore Schoemmel, Edith Hedin and Miss Ethel Hertle, among the favorites of the women competitors, gave up when darkness settled over the course. Miss Hertle held second place for a time. She trailed Vierkoetter after Young had quit, but in turn was passed before 6 p. m. by Michel.

Miss Clarabelle Barrett, New Rochelle, N. Y., school teacher, was missing for a time and a search was started for her. At 7 o'clock, however, she stepped from a launch and walked to a hospital bed. She explained that the water was too cold for her. She had covered nearly 11 miles.

The lead of the Chicago Cubs in the National league flag race stood at one game today.

While the Cubs were idle yesterday the Pirates were winning both ends of a double header from the lowly Phillies, in preparation for entertaining the Cubs. The Bucs had to toil 12 long innings for a 3-2 decision in the opener but staged a four-run splurge in the ninth inning of the second for a 7-2 victory.

The world's champion St. Louis Cardinals gained a little ground over the Giants by trimming Brooklyn 3-1.

Adolfo Luque, Cincinnati right hander, held the Boston Braves in check and earned a 1-0 victory.

The Yankees returned to New York and trampled the Boston Red Sox, 10-3.

After 12 straight defeats Washington came to life and trounced the Mackmen, 5-3.

The Browns broke their losing streak and drubbed Detroit in both games of a double header, 2-1 and 4-3.

Los Angeles Turns Contest Into Rout

Los Angeles	60	99	.377

By the Associated Press

Scoring six runs in the eighth inning, Los Angeles turned a pitchers' battle into a rout and scored an easy 8-0 victory over San Francisco.

Hollywood made it two straight over the Missions and tightened their hold on sixth place by defeating the San Francisco team 3-1.

The good left arm of Wilbur Cooper was too much for the Senators, and Oakland scored a 5-0 victory.

Portland and Seattle postponed, rain.

SCORNS SMOKE SCREEN

NEW YORK—Miss Susan Brandeis, daughter of the justice, is stirred by Mr. A. B. See's criticism of women's smoking. She thinks he is a perfect simpleton when he implies that because a woman smokes she has the proclivities of a fallen woman. The Long Island railroad announces that male puffers who object to women puffing in its smoking cars will get no sympathy from the road.

SUMMONS

In the Circuit Court of Union County, Oregon.
G. E. Stoddard, Plaintiff,
vs.
Thomas McConnell and Louise C. McConnell, his wife, and Edward McDevitt and Mrs. Edward Jane Doe McDevitt, his wife, and, also, all other persons or parties unknown claiming any right, title, estate, lien or interest in the real property described in the complaint herein. Defendants.

To the above-named defendants Thomas McConnell and Louise C. McConnell, his wife, and Edward McDevitt and Mrs. Edward Jane Doe McDevitt, his wife, and, also all other persons or parties unknown claiming any right, title, estate, lien or interest in the real property described in the complaint herein:

IN THE NAME OF THE STATE OF OREGON: You and each of you are hereby required to appear and answer the complaint filed against you in the above entitled court and cause within four weeks from the date of the first publication of this summons, and if you fail so to appear and answer, for want thereof, the plaintiff will take a decree against you as prayed for in said complaint as follows:

That plaintiff be decreed to be the owner in fee of the following described premises, being the real property described in the complaint herein, to-wit:

Lots numbered Five (5) and Six (6) in Block numbered Sixty-nine (69) of Chaplin's Addition to La Grande, Union county, Oregon.

That you, and each of you, set forth any claim that you may have in or to said premises, or any portion thereof, and that such interest be decreed to be inferior to the right, title and interest of the plaintiff in and to said premises and the whole thereof, and that plaintiff's ownership of said premises be declared to be in fee, free and clear of any right, title or claim on the part of you, or any of you, and that plaintiff have such other and further relief as in the premises may be deemed equitable and just, and have and recover his costs and disbursements herein.

This summons is served upon you by publication upon the order of the Honorable J. W. Knowles, Judge of the above entitle Court, said order being made and entered on the 2nd day of August, 1927, and directing that you be served with summons herein by publication thereof in the La Grande Evening Observer once a week for four consecutive weeks, the date of the first publication being August 3rd, 1927.

Close Strong In Street; Buying Support Heavy

NEW YORK, Sept. 1 (AP)—Strong buying support made its appearance in today's stock market and the reactionary tendencies which developed yesterday quickly disappeared as the market moved forward under the leadership of first the rails and then the industrials.

When the buying movement for the rails showed signs of dying out, speculative interest switched to the industrials with United States Steel common and General Motors in the vanguard of the advance.

Sharp gains also took place in some of the industrial specialties, Dupont soaring nearly 9 points and U. S. Cast Iron Pipe & Montgomery Ward and Sears Roebuck mounted to new highs.

The closing was strong. More general buying came into the sugar, food, public utility and oil shares. Houston Oil rose 4¾; Wright Aero 4¼; Great Western Sugar 3. Allied Chemical crossed 183 into new high territory and General Electric edged well above 142, also new high ground. Total sales approximated [illegible] shares.

Try Aluminum In Motor Car Chassis

PARIS (AP)—Aluminum alloy automobile chassis which reduce the weight of cars almost by half are being experimented with by French makers.

A frame that weighs only 250 pounds was exhibited recently to the Academy of Sciences. This chassis, it was said, was for a six-cylinder car, that would weigh complete only 1,750 pounds. With a normal steel construction such a car would weigh 3,100 pounds.

The light chassis was cast in one piece, eliminating bolts and rivets. The metal is similar to that used in certain types of alloy pistons.

LIKES FLAPPERS

BROWNSVILLE, Tex.—General Alvaro Obregon, who has been paying a visit from across the border, likes American flappers. "My one regret," he said, "is that we do not have flappers in my country. They personify all the better things of young womanhood."

"Let them pass" is to be the slogan in France for the American Legion convention. Might as well be that—they'll pass anyway.
