Minneapolis Seeks 1928 G. O. P. Meet

MINNEAPOLIS (AP)—Emphasizing its equipment with a new \$2,000,000 auditorium seating 12,000 persons, Minneapolis is taking steps to invite the republican party to hold its next national convention here.

National headquarters of the Lincoln club, a political group with units in virtually every large city, is leading in the movement. It is asserted that the northwest long has been eligible for the honor, but has been handicapped by lack of a city with adequate convention facilities and hotel accommodations.

Minneapolis has expanded its hotels and St. Paul, its sister city, is prepared to handle any overflow.

Chief among the business to come before the organization were reports for the annual banquet, of which Mrs. Charles Phayle is chairman. The banquet this year is to be held in November, he is to be called a fall fair. Mrs. Phayle outlined plans for the event and announced the committees which will assist her.

At the close of the business meeting Miss Isabelle Miller rendered a vocal selection. Miss Miller was accompanied by Miss Gladys Miller. A short address by the Rev. J. George Wala followed.

Mrs. Leni Russell gave a vocal selection as the concluding number of the program. She was accompanied by Mrs. Lester Stoddard.

Refreshments were served before the meeting adjourned. The refreshment committee follows: Mrs. H. P. Lewis, chairman; Mrs. Earl P. Lewis, Mrs. W. H. Sarford, Mrs. Otis Palmer, Mrs. E. Brooks, Mrs. Stella Ingle, Mrs. Ella Huxenrath, Mrs. E. W. L. A. McKinstry.

Party Compliments Mr., Mrs. Heughan

Complimenting Mr. and Mrs. William Heughan, who leave soon for Greeley, Colo., where they will make their home, a number of their friends gathered at the Hill Templeton home on Spring street Tuesday evening. The affair was in the form of a surprise.

Three tables of bridge were at play during the evening. Mrs. Melvin Larson won the women's prize and Hill Templeton received the men's prize. Both Mr. and Mrs. Heughan were presented with guest prizes. A two-course luncheon was served later in the evening.

Mr. and Mrs. Heughan leave Saturday for Greeley, where Mr. Heughan has accepted a position with the Gilbert-Bishop Drug company. He has been employed here for a number of years at the Red Cross Drug store.

About 25 members of the auxiliary to the R. of L. F. and E. attended the silver tea yesterday afternoon at the S. G. Coleman home on Eighth street. Mrs. Coleman was hostess and was assisted by her sister, Mrs. Myrtle George. Bouquets of asters and gladiolus carried out a color scheme of pink and white. During the afternoon a number of musical numbers were enjoyed. Refreshments were served by Mrs. Coleman and Mrs. George. The silver tea will be a monthly event of the organization.

The Union state M. L. A. board entertained the M. L. A. organization from Baker, Union, Imbler and La Grande last evening at the L. D. S. church at Union. A large number was in attendance, with about 20 members from La Grande alone being present. A business meeting preceded the social hour during which games and dancing were enjoyed. The board served refreshments at the close of the evening.

Models On Diet Grow Too Thin To Show Styles

PARIS (AP)—"That slender boyish figure" all but ruined one of the most important recent dressmaker's style shows. It did weaken the constitutions of half a dozen mannequins.

Reducing rarely has had such discipline as assembled every morning for months past at a certain dressmaker's command to get in shape for the big showing for buyers.

Strict diet lists were imposed upon the girls selected for beauty of face and figure. They were told what to eat and drink and what not and how, where and when. A marmalade rolled and pounded any bulges and the management proscribed reduction until the girls grew haggard. All but one of the group of American models brought over by the house disappeared from the ranks before the training season ended and when the big high fashions there weren't enough girls to show the models in the usual time.

One girl whose voice was going to give her a career said she got so weak she couldn't sing and gave up her job as a mannequin. Relief is in sight, however, because the fashion "prophets" see curves coming back.

ALICEL PERSONALS

ALICEL, (Special)—Mrs. D. B. Ruckman, who has been quite ill, is feeling better now.

Dale Hoskins of Duxton, Wash., and Margaret Holt of Milton, Ore., were visiting Wayne Welch at the Carl Fuller home last week.

Mrs. Paul Young, of Boise, Ida., has been visiting her parents, Mr. and Mrs. D. B. Ruckman, for a few days. Mr. Young came down Saturday and they drove home Monday.

Lee Taylor returned home Monday from Walters with three pounds of sheep which he purchased from Fred Faltner.

The rain is doing considerable damage to the wheat that is still in the field, especially that which is down.

Mrs. Hudson and daughter, Ora, spent last Wednesday with Mrs. Carl Fuller.

Keith and Lorna Belle Matthews, of Baker, are spending a few days visiting relatives.

Joe Keown and wife have moved to Alicel. They are living in the house formerly occupied by the Matneys.

The Modern Method of Roasting Meat to Perfection

Wipe the meat with a damp cloth, place in a dripping pan or double roaster, dust with salt, pepper and flour, allowing from one to two tablespoons of flour to sift on the bottom of the pan, and put in a hot oven, 375 to 400 degrees F. to brown. This takes from thirty to twenty minutes. Pour a little hot water into the pan containing two or three tablespoons Mazola and one-half teaspoon of Kero, Blue Label. Baste the meat with this every fifteen minutes, until done. Make a gravy from the drippings in the pan, adding a cup of boiling water to each half cup of drippings. If necessary, thicken the gravy with a little Argo or Kingsford's Cornstarch blended with cold water.

TO THE modern woman, there probably is no other food as useful in the kitchen as Mazola. Nearly every day she finds new uses for it in all cooking, frying, baking and for fine salad dressings.

Once you try Mazola for cooking you will never go back to the old fashioned way of using animal fats.
