Society Opening Its Fall Season After Vacation

La Grande society is rapidly coming into full activity again following adjournment of practically all of the clubs and social organizations during the summer months. Several of the bridge clubs have already resumed activities and others are making arrangements for meetings before the end of this month.

Meetings of the various church societies are also being resumed after the vacation period and regular lodge meetings are starting again.

Several "first meetings" of the fall and winter season are on the calendar for this week. The Miss Searchers' class of the First Presbyterian church will be in session for the first time since the summer vacation at the home of Mrs. Robert Eakin, 1812 Walnut street, with Mrs. Buck as assistant hostess. The meeting will open at 7:30 o'clock. Tomorrow evening the first autumn evening meeting of the Ladies' Society to the Brotherhood of Locomotive Firemen and Engineers will be held at the Knights of Pythias hall, beginning at 7:30 o'clock. Members of the losing team of a recent membership drive, headed by Mrs. Art Weagle, will be the hostesses and the program will be furnished by the members of the winning team, of which Mrs. S. G. Coleman is the leader.

Miss Pierce Weds At Prineville, Ore.

A marriage of interest to La Grande people was quietly solemnized at Prineville, Ore., Saturday, Sept. 10, when Miss Edith Pierce, daughter of former Governor Walter M. Pierce, of this city, became the bride of Gene Whitten, of Portland.

The wedding took place at the home of the bride's sister, Mrs. Harold Hall, and only members of the family were in attendance. The bride was given away in marriage by her father, who with his youngest daughter, Miss Lorraine Pierce, went to Prineville for the wedding.

Following the ceremony dinner was served for the bride and bridegroom. Mr. and Mrs. Whitten plan to make their home in Salem.

Both Mr. and Mrs. Whitten are graduates of the University of Oregon. She graduated a year ago last spring and was a member of Delta Delta Delta sorority. She graduated from the local high school with the class of 1922.

Mr. Whitten finished his work at the university in the spring of 1925 and is a member of Phi Psi. He is in the lumber business at present.

Mr. and Mrs. H. M. Hanson entertained Saturday evening at an attractive party in honor of Mr. Hanson's sister, Miss Cynthia Hanson, who left La Grande yesterday morning for Walla Walla, Wash., where she will enter Whitman college.

The guest list included 15 persons and after an enjoyable social hour the hostess served refreshments.

Miss Hanson has made her home in this city for some time. She graduated from the La Grande high school last spring.

75 Attend W. R. C. Dinner, Program

Mrs. H. E. Hickey, Mrs. Brown, Mrs. Ella Hineson, Mrs. Smith and Mrs. Ernie King were hostesses Saturday when the regular dinner was served by the Order of the Morton Relief Corps No. 27 at the K. P. hall with about 75 persons in attendance.

During the dinner an interesting program was given. Miss Myrtle Wilcock sang a selection accompanied by Mrs. Odell Galloway at the piano, and responded with an encore number; Miss Dorothy Harrison gave two readings; Miss Bertha Hantz played two violin solos accompanied by Mrs. W. H. Parkinson at the piano and The Rose evangelists, who are conducting meetings at the Central Christian church, furnished several instrumental numbers, playing the piano, cello and violin. Mr. Ross also sang two solos, accompanied by Miss Ida Shulton at the piano.

The regular business session of the corps was held following the dinner, presided over by Mrs. Laura Braden, president.

Stuffed Cucumber Salad
Two good sized cucumbers, 1 sweet red pepper, 1 sweet green pepper, 1-2 cup diced celery, 1-2 cup finely chopped apple, mayonnaise.

Three cucumbers, cut off each end and cut in halves. Scoop out seeds to form cups, making four. Let stand for half an hour in very cold water to which 1 teaspoon salt and 2 tablespoons vinegar or lemon juice have been added. In the meantime dip peppers in boiling water for five minutes. Plunge into cold water and slip off the thin outer covering. Let stand in cold water until thoroughly chilled. Remove seeds and pit and chop flesh. Combine peppers, celery and apples with enough salad dressing to make quite moist. Drain and dry cucumber cups, fill with mixture and serve on a bed of greens.

Joe Humphreys says: "Holbrook Blinn is right—Luckies are certainly good"

Noted sports announcer, talking to his son, George Cohan Humphreys, at their home in Fairhaven, New Jersey, recommends Lucky Strikes.

Holbrook Blinn,
Noted Stage Star,
writes:

"Each performance brings with it its attendant nervousness and I relish the opportunity for a soothing smoke while playing. During the course of 'The Play's the Thing' I am called on to smoke at frequent intervals. It is always a Lucky Strike. I know from many years' use of this cigarette that my throat is constantly protected and that it will give me the greatest enjoyment."

You, too, will find that Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked, made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process—"It's toasted"—no harshness, not a bit of bite.
