STREET AND SEWER WORK PROBLEM UP

Change in Interpretation of Bonding Ruling Presents Difficulties

FUTURE IMPROVING IN CITY MENACED

Commission Must Carry Several Thousand Dollars Separate from Regular 10-Year Bonds

Unless some way is found out of the difficulty, improvement of streets, sewers and sidewalks in La Grande is at an end—at least for two or three years.

This is the opinion that was expressed at the city commission meeting last night after half an hour of discussion relating to the inability to bond under the Hancock bonding act, any lots or interests of late when the county valuation is less than present and proposed improvement assessments against the same property.

"According to this ruling it looks to me as if the improvement districts are stopped," continued A. T. Hill, president of the city commission, later amending this with: "It is just a question of how much the city wants to carry."

The law providing that improvement assessments shall not exceed the assessed valuation of lots involved has been in existence for many years but bonding attorneys, who pass the legal opinions which are necessary before bonds can be sold in the open market with any success, had been content to waive slight differences, unless the amount involved was more than 10 per cent of the total.

Attorney's Death Figures Then, a short time ago, one of the attorneys who passed on the majority of northwestern bonds, died and his successor refused to accept the differences and required a certificate from each city offering bonds for sale attesting that all lots involved were assessed at more than the total improvement assessments against them.

This resulted in widespread discussion and anxiety in municipalities over the state. La Grande not excepted.

The situation in La Grande at present is this: Thirteen improvement districts have been completed but bonds have not been sold. The total amount of bonds that can be sold under the Hancock bonding act, which permits each property owner to pay his charges in 10 annual installments, is \$46,567.10. In addition to this there is \$12,939.83 more assessments on the districts.

MRS. RUMELHART, RESIDENT HERE 46 YEARS, DIES

Mrs. Mary Rumelhart, for 46 years a resident of La Grande, passed away at her home here last night. She was born June 25, 1849 and was 78 years old at the time of her death.

Mrs. Rumelhart came to La Grande with her husband in the year 1881. He preceded her in death in 1921. One daughter, Clara, of La Grande, survives her. Funeral services will be held tomorrow afternoon at 2:30 o'clock from the Snodgrass and Zimmerman chapel here. Services will be under the auspices of the first Church of Christ, Scientist. Burial will be made in the I. O. O. F. cemetery.

YOUR FEAR OF STRANGERS

If you enter a strange store in a strange town, and a strange clerk tries to sell you a strange look paste, about ten times out of 11 you react unfavorably to strange merchandise or strange people when not introduced by some one or some connection in which you have confidence.

Armistice Day Program Plans Are Agreed On

Parade, Football Game, Dinner and Dance Are Scheduled—State Officials Visit Auxiliary.

Arrangements were good at both the meetings of the American Legion and the auxiliary to the legion held last night at the K. of P. hall at which a number of important business matters were brought up.

Mrs. C. N. Palmer, post commander, presided at the auxiliary meeting and Post Commander Hugh E. Brady was in charge at the legionnaires. Lane Goodell, of Portland, a post department president, was present and spoke briefly.

Arrangements for the Armistice day celebration were discussed, with a report from the chairman, Chester Thompson. Plans at present include a parade in the morning, the football game between Pendleton and La Grande in the afternoon, a buffet luncheon at noon, supper in the evening followed by a dance.

Dr. W. T. Pfy regional director of the boys scout, was introduced and spoke upon scout work to the legion men who passed a motion to back scout work. A committee headed by Dr. Ray Murphy with L. V. Copey and Fred Kiddle, was appointed to co-operate in the scout work of the city. Plans for the annual Harvest Moon ball were discussed and a committee of Jess Andrews and Ray Williams, with Harley Richardson as chairman, was appointed for the ball. Arrangements for a meeting of posts of the county at Union the last of this month were discussed.

During the meeting of the auxiliary talks were given by Mrs. Jessie Kelly, of Baker, state vice president; Mrs. Bell Heasley, district deputy, of Hermiston; Dr. W. T. Pfy and Mr. Goodell.

Plans for the organization of a canyoneer group were made, with Mrs. J. T. Richardson as guardian and Mrs. Blanche Lamm as assistant guardian.

The auxiliary voted to send two crates of tomatoes and a crate of canned milk in response to a call from national headquarters to aid flood refugees in the east, and also to make a laundry which will be sent to the state chairman of child welfare work in Portland. In addition, plans were made to have each member of the auxiliary make a quart of apple butter which will be sent to the state hospital at Portland.

At the close of the business meeting a joint social hour, during which refreshments were served, was enjoyed.

Gettings Wins \$245 Verdict in Circuit Court

E. C. Gettings, plaintiff in the case of Gettings vs. F. C. Brossus, was given \$245 by the verdict returned by the jury yesterday afternoon in the circuit court. The case was a suit to collect a storage account, amounting to \$237.66 with interest. Both Mr. Gettings and Mr. Brossus live at Elgin.

This morning the case of J. E. Weeks against J. H. Orton and others, started. Testimony was taken during the morning and a considerable length of time was spent arguing a point of law.

The plaintiff in the case claims that the defendant's car ran into Marcus Roesch's car Nov. 22, 1926, damaging it to the extent of \$247, the amount for which he is suing.

La Grande Student Makes Glee Club

Word was received in La Grande today that Kermit Ragain, of La Grande, has been chosen as a member of the University of Oregon men's glee club. Jack Dennis is also listed among those who made the club.

Mr. Ragain was recently pledged to Sigma Phi Epsilon national fraternity.

TEACHERS OF COUNTY MEET HERE TODAY

One Hundred and Eighty Pedagogues Attend Opening of Institute

SHELDON, HOWARD GIVE ADDRESSES

Superintendent of Public Instruction of Oregon Outlines Seven Aims for Educators.

One hundred and eighty teachers out of a possible 200 in Union county registered this morning at the opening of the annual Union county teachers' institute for which eight out-of-town speakers, including C. A. Howard, state superintendent of public instruction, and instructors from the three Oregon institutions of higher learning, are assembled at the high school building.

The session began officially at 9 o'clock with County Superintendent E. A. Sayre presiding. Two sections by the boys' glee club of the La Grande high school under the direction of W. W. Nussbaum, musical supervisor of La Grande schools, were well received, following the opening ceremonies.

Sheldon Speaks The assembly speaker of the morning, Henry D. Sheldon, dean of school of education at the University of Oregon, addressed the teachers drawing the theme of his talk from the field of modern movements of education. Standard tests, achievement and intelligence tests, scientific study adapted according to the ability of the student—all came in for their share of praise and discussion from the Oregon dean. The use of standard achievement and intelligence tests is spreading throughout the country, said Dr. Sheldon, expressing his approval of the movement.

SECOND WARD IS COMPLETING HALL

Building Will Be Utilized for Church Activities and Recreation

Work on second ward L. D. S. combination church and recreation hall is progressing rapidly and is expected to be completed this week. An opening social will be held in the building tomorrow night, although the improvements have not been finished in their entirety.

The building itself, which was formerly the L. D. S. recreational hall located on Fourth street, was moved to a lot on S. and E. streets a month or so ago and repair work was immediately begun. A complete basement with a large kitchen and equipment, the bishop's office, showers and Sunday school class rooms has been built; the upper floor has been arranged so that it may be converted from church to recreational hall, and a stage 20 feet wide and 12 feet deep has been erected. A modern heating plant is being installed and the building has been entirely re-roofed. With the steaming of the building, the addition of a cement entrance and with the installation of the heating system the building will be complete.

"We feel that we have one of the best equipped and arranged buildings of its kind in the county," said a member of the building committee this morning.

Man Does His Best Work at the Age of 50 Years, Doctor Finds

CHICAGO, Oct. 6 (AP)—If you are man's most productive age, Dr. W. A. Newman Dorland, Chicago physician says.

He reaches the conclusion after long study of the lives and achievements of 49 of the world's greatest men, undertaken to find out whether the oft repeated statement that the world's work is performed by young men would "hold water."

Comparative old age, his research showed, produces the world's masterpieces in every line of human endeavor. Dr. Dorland has written three articles, embodying his conclusions, which will be published in the official magazine of the Illinois department of welfare.

Records of the 400 men he studied give an average age of 59 for

Cove Commerce Club in Favor of Big Cannery

Group Pledges 400 Acres of Corn If Such a Plant Is Established in Union County.

Members of the Cove commercial club expressed themselves as favoring the establishment of a cannery in Union county last evening when a meeting was held at Cove. Earl C. Reynolds, secretary of the Union county chamber of commerce, told of the visit of Ward B. Stringham, of Utah, to the county and explained his idea of establishing a cannery here if conditions were favorable and the growers of the county were willing to cooperate.

J. E. Mills, president of the Cove club, presided over the meeting, and the 25 Cove growers present declared that they believed they could guarantee about 400 acres of corn from that section. According to Mr. Stringham corn would be one of the main products of the county.

H. G. Avery, county agent, said that he believed the growing of corn would be good for the Cove section, that it would not only serve to build up the ground but would also eradicate weeds.

Bessie Earl Reynolds and Mr. Avery, Gene Walker and Lee Reynolds also attended the meeting from here, the party representing the agricultural committee of the Union county chamber of commerce.

Wallowa County Fair Board To Plan for 1928

ENTERPRISE, Oct. 6 (Special)—The Wallowa County Fair association will meet Friday and arrange for the continuance of the fair for next year.

The fair has brought out a showing of decided improvement in the dairy cattle industry during the year. The cow that won first place last year comes in as only fourth this year.

The prizes for Shorthorn stock was pretty evenly divided between Ava Craig, a local stock man, and Charles Phillips, who came to Enterprise from Nebraska, where his cattle won sweepstakes last year.

This goes to show that our local stock makes a favorable showing beside the fine stock of other places.

To Send Exhibits To Portland Show

ENTERPRISE, Oct. 6 (Special)—The Enterprise commercial club is planning to send the Alder sheep club, that won in the judging contest at the fair, to Portland to compete with other teams of the Northwest at the Pacific International. The boys who will take the trip are Hereshal Fleishman, Ralph Miller and George Crader.

The boys' exhibit of hogs and sheep was so good that County Agent Donaldson will send a carload of them to Portland to also take part in the competition.

TRAGEDY ENDS WEDDING TRIP; HUSBAND DIES

TULARE, Cal., Oct. 6 (AP)—The honeymoon tour of Mr. and Mrs. Louis J. Kerns, of Portland, Oregon, ended in a tragedy here today when the automobile in which they were riding crashed into two large trucks. Kerns was killed.

Maude Kerns, a brother of Riverside, Calif., was critically injured and the bride and her sister, Miss Anna Hoover, of Portland, were seriously hurt. The newweds and their relatives were en route to Riverside, where they expected to reside.

The Kern wedding was held in Portland last week.

BUDGET AND FAIR BOARDS APPOINTED

Former to Meet at Court House Here on Friday, November 4

OPEN ROAD BIDS THIS AFTERNOON

County Commissioners to Wind Up 2-Day Monthly Session with Meeting Late Today

A budget committee and a Union county fair board were appointed this morning by the county court, which is in the second day of its regular session at the court house.

The budget committee, which consists of three members—one appointed by each commissioner and one by the county judge—will meet with the court to prepare the county budget. The meeting was set for Friday, Nov. 4, the day following the regular county court session in November. The committee members are: George Benson, of Union; Clarence Bean, of Elgin; and Franklin Zurbriek, of La Grande.

Appoint Fair Board The duties of the Union county fair board will be to handle the money appropriated by the state for the fair. The fair having been discontinued the appropriation will be turned over to the Union Livestock board and the members of the board will work in conjunction with the stock show association.

George Benson, of Union, was appointed to the board to serve for a period of three years. H. H. Weatherston, of Elgin, was appointed for a two-year period; and Homer C. Bidwell, of North Powder, was appointed for one year.

Routine Business The remainder of the morning session of the court was taken up with the signing of bills, the approval of applications for widows' pensions, allowing money for the care of indigent persons and other regular business.

This afternoon at 2 o'clock the court opened bids on a special road district near Union.

The application of J. A. Gaskill for a new warrant to replace one which was lost, and a petition for the vacation of L avenue between Wall street and East street in the East addition of the city and outside of the city limits will also be taken up by the court this afternoon.

BEACH GIVEN UP TO GRAND JURY

Man Wanted in Lillien-dahl Murder Case Is Arrested by Officers

MAYS LANDING, N. J., Oct. 6 (AP)—Willis Beach, charged with aiding and abetting in the killing of Dr. A. William Lillien-dahl, of South Vineland, retired physician, today surrendered to the state police and was placed in the Atlantic county jail here.

He surrendered before 8 a. m. on the outskirts of the town, in accordance with a pre-arranged plan of his counsel, Edson Hedges, of Atlantic City, who had promised police Beach would appear when wanted by the court.

Today was set for the grand jury to hear testimony in connection with the case, so Beach's appearance was not unexpected.

Mr. Hedges called up Prosecutor Hinkle late last night to inform him that he would have Beach before the grand jury today so that he could aid the prosecution in clearing up the mystery.

Hedges told the prosecutor that Beach has been waiting for the court to take some definite action. When he heard that the case was to go before the grand jury today, he took immediate steps to get in communication with his attorney.

Dr. A. William Lillien-dahl, an aged man was killed while riding with his wife, much his junior. She said two negroes shot the doctor. No motive has yet been disclosed. Letters to her from Beach, a friend and neighbor, led to his arrest as a material witness. He was released on bail and disappeared. A warrant was then sworn out for him.

Pendleton and La Grande May Become Airports

PENDLETON, Oct. 6 (AP)—Pendleton will have the best equipped airport in Eastern Oregon when plans of the government aerial mail service are carried out to make this an emergency field on the Biko-Pasco route. The commercial airplane field east of the city will be closed and fitted with hangars, searchlights and other equipment. Work is to start in the near future and will be completed by June, 1928.

According to reports here, an emergency landing field will also be established in La Grande, although complete details of the plans for the airport have not yet been received.

Rushlight Won't Accept Nomination Congress Plans To Consider Projects

PORTLAND, Ore., Oct. 6 (AP)—A. J. Rushlight, nominated by an assembly of 101 persons last week as an independent candidate for representative in congress from the third district announced late yesterday that he would not accept the nomination.

A meeting, sponsored by local democrats, has been called for tonight when a nomination will be considered.

A meeting at Central Library, called for last night by persons interested in nominating B. B. Perkins, failed to draw a sufficient number so adjourned.

Federal Troops Closing In On General Gomez

Pursuing Army Brings Rebel Forces to Bay—Calles Expects to Win Within 24 Hours.

MEXICO CITY, Oct. 6 (AP)—Brought to bay by pursuing troops, General Arnulfo Gomez, principal remaining leader in the military revolt against President Calles' government was reported today to be preparing to give battle against overwhelming odds, with his life at stake.

General Hector Almada, former commander of the Mexico City garrison who led a body of his men from the capital Sunday night in support of the revolt, joined forces with Gomez, but they were greatly outnumbered.

The pursuing troops were last reported close to their quarry at El Triunfo ranch near the old fortress of Perote, state of Vera Cruz, with a battle imminent.

(Mexican diplomatic officials in the United States yesterday received a report that Gomez had already been captured and executed as was the fate on Monday of General Francisco Serrano, the other leader of the revolt.)

Army Closing In The government forces were said to be closing in on the combined rebel band in a pincer movement, one column of 1500 troops operating from Vera Cruz under General Jesus Aguirre and the other of 4500 from Mexico City commanded by General Copalzo Escobar. Against these numbers, Gomez and Almada have not more than 1500 or 2000 men at the most liberal estimates.

President Calles, issuing a summary of the situation, expressed hope that the rebellion would be completely quelled within 24 hours. His statement indicated that the rebel forces were lacking in artillery as upon boarding trains at Teseoco for the east Almada's column was said to have abandoned 74 cannon which they had taken from Mexico City.

Expels 25 Deputies Following up a vote of confidence in the government, the chamber of deputies expelled from congress 25 deputies who supported the presidential campaigns of Gomez and Serrano.

The presidential bureau today declared that the combined forces of General Gomez and General Almada was the chief evil group in the field in the entire republic.

Bootleg King of Cincinnati Kills Wife, Surrenders

CINCINNATI, Oct. 6 (AP)—Mrs. Imogene Remus died at a hospital this morning from a bullet wound suffered when she was shot by her husband, George Remus, former Cincinnati "bootleg king." The shooting occurred in a city park.

Mrs. Remus and her adopted daughter, Ruth, 18, had left their apartment in a taxi to go to the office of Mrs. Remus' attorney to prepare for her divorce hearing before Judge Charles Hoffman this morning.

As the taxi drove down the Parkway, Mrs. Remus noticed her husband sitting in his auto with a driver at the wheel, the daughter said.

Remus followed his wife's taxi. As the cars moved into Eden Park where the traffic was slow, Mrs. Remus became frightened and jumped from the taxi.

Remus leaped from his car, caught her and, pressing a revolver against her, fired one shot inside her abdomen. Her screams attracted people in the park and she was taken to a hospital.

Remus entered his own car and was driven by his chauffeur to the police station where he gave himself up.

A charge of first degree murder was placed against Remus. Remus was bitter against his wife. He told police he did not intend to let her "get away with what she is trying."

GOTHAM LADS SCORE THREE IN 2 INNINGS

Third and Eighth Frames Yield Half a Dozen Runs to Visitors

PIRATE PITCHERS FIND GOING HARD

Third Game of Series Will Be Played in New York Tomorrow—Teams to Travel at Night.

FORBES FIELD, PITTSBURG, Oct. 6 (AP)—The New York Yankees made it two straight over the Pirates in the second world series game today 6 to 2.

The Yankees were pitched to the victory by George Pipgras, a newcomer to the classic, who held the Pirates to seven hits and was not in danger after his mates gave him three runs in the third inning. They added three more in the eighth for 200th measure. Vic Aldridge, Pittsburgh's starting pitcher, was driven from the mound in the eighth.

A blazing sun greeted the New York Yanks and Pittsburgh Pirates when they came out today to renew the world's series competition begun in rather haphazard style yesterday.

The crowd was slow in assembling for the second game. At times there were many wide open spaces in the bleachers beyond the outfield fences and the lines formed in the streets for the standing room ticket sale were neither so long nor so patient as those in evidence at the first game.

Lawrence Wright had the Pirates' hospital list grow over night. Lazzeri bobbed up with a badly sprained wrist suffered in yesterday's game when he made a great play in starting a double play. His wrist was hurt as he tagged Grantham diving into second.

However, the injury applies only to his left wrist and was prepared to carry his bandages into the game. Mark Koehnig was also shaken up in yesterday's game but reported fairly fit today. Herb Penneck, star Yankee southpaw, was well on the way to recovery from a wounded knee, caused by a fine drive in batting practice before the series opened.

The attendance was estimated at around 40,000, a few hundred below the mark set by the opener.

The following play by play descriptive of the world series is by Carl S. Hradebury, (The Associated Press sports writer).

FIRST INNING, YANKES The Pirates took on the outfield while Aldridge was warming up the ground-keepers gave a last polishing to the base paths. The band played the Star Spangled Banner and the crowd rose, while the American flag was raised to the masthead. The players stood in their positions on the field with hands bated. As the last note died away the crowd burst into cheers as Combs stepped into the battery box. Aldridge threw up a few to Gocher while the band scurried from the field.

Combs up; strike 1 called; Aldridge used a curve on the inside; ball 1 outside; Combs sent up a high fly to Barnhart; Koenig up; ball 1 high; Koenig singled past Grantham into center; Ruth up; strike 1 called; ball 1 inside; foul strike 2; this was a roller along the right field foul line; Ruth struck out and the crowd howled; he swung for a third strike; it was a low curve on the outside; Gehrig up; foul strike 1; so far Aldridge had thrown nothing but curve balls; ball 1 high; ball 2 inside; ball 3 high; Gehrig got a base on balls the fourth ball being inside, high; Meusel up; ball 1 high outside; ball 2 outside; strike 1 called; this curve cut the inside corner; strike 2 swung; this was another curve; strike to right; Aldridge threw out Meusel at first. No runs, 1 hit, no errors.

FIRST INNING, PIRATES Pipgras warmed up as L. Warner came to the plate. L. Warner up; ball struck; strike 1 called; this was a fast ball over the center of the plate; foul strike two; L.
