## COVE TEAM WILL PLAY TIGER CUBS

La Grande High School Second 11 to Open Season Friday Afternoon

Arrangements were completed today for a football game here Friday afternoon at 3:15 o'clock on the high school field between the La Grande high school second team and Cove high's eleven.

The Cove team, playing its first year, is coached by Grant Conley, who started with Whitman university during his college days. The Blue and Gold has played two contests this year, losing by close score, and expects to give the local second team a hard battle.

This will be the first appearance of the Tiger second team, although other games will probably be arranged for this team later in the season.

Jimmy Rosenbaum will referee the game, and a small charge will be made to those not having student body or business men's tickets.

## Union Victory Over Powder Is Second Shutout

UNION, Ore., Oct. 18 (Special)—Union high football eleven played a second shutout game last Saturday afternoon when it defeated the North Powder team on the latter's ground by a score of 20 to 0.

With V. Parout, Taylor, and J. Cox out of the lineup for the day owing to work and illness, Union went into the game handicapped and expecting a very close game, but the smaller and less experienced players showed up splendidly.

Union made yardage almost at will by end runs and line bucks, while Powder secured most of her advances by passes, using both the long and short forward pass and the lateral pass.

Wilkinson Stars—Wilkinson was the surprise on the Union team. Last year he had played end but this season he was placed in the back field and although he played only about half of the game, he made more yardage than any other player in the game; making repeated long end runs for from five to 15 yards each time. Lowell Hutchinson also went round the Powder end for good gains.

The only time Union was in any danger of being scored against was in the last quarter when Powder pulled several passes, part of which were successful, netting the latter much yardage while it lasted.

Probably the most spectacular play of the game took place in the last quarter. Union had scored once in each quarter, and with only a few minutes to play and Powder handling the ball it looked like the scoring was ended, when James Miller intercepted a long pass to the left end, and after dodging a couple of men, raced 35 yards to a touchdown with most of the Powderites chasing him.

As in the game with Joseph, Union seemed unable to convert and did not add any additional points to their score.

Ralph Morgan, of Imbler, refereed. Both teams played a good, spirited game. Several auto loads of Union fans accompanied the team on the trip.

## NORTH POWDER PERSONALS

**NORTH POWDER, (Special)—**W. A. Hudson was painfully injured while picking apples on the Frank Hutchinson ranch on Clover Creek. Mr. Hudson was up in a tree and the limb he was standing on broke and as he fell he struck the ladder with his back. For a time it was thought his back was broken, but an x-ray picture taken in Baker showed it to be only a very bad sprain.

Mr. and Mrs. William Cavender, of Teko, Wash., are visiting with his mother, Mrs. Cavender and their daughter, Mrs. Windom Garner.

Funeral services were held at the Methodist church at 11 o'clock Monday morning for Mrs. Dan Pearson. Mrs. Pearson was laid to rest in the North Powder cemetery.

Mr. and Mrs. William Coughnan have returned from Payette, Ida., after a week's vacation. Mr. Coughnan reports that he has bagged his limit of deer.

Mrs. Martin Yeter, who was injured in Saturday night's wreck, is reported to be recovering nicely. Wilma Hutchinson, of Union, is visiting Jean Furstrom this week. Al Braun is receiving congratulations on his little granddaughter.

If Gene Tunney goes into the movies we can suggest a title for his first picture—"Pay, Brother, Pay."

## That Baby You've Longed For

Mrs. Burton Advises Women on Motherhood and Companionship

"For several years I was denied the blessing of motherhood," writes Mrs. Margaret Burton of Kansas City. "I was terribly nervous and subject to periods of terrible suffering and melancholia. Now I am the proud mother of a beautiful little daughter and a true companion and inspiration to my husband. I believe hundreds of other women would like to know the secret of my happiness, and I will gladly reveal it to any married woman who will write me." Mrs. Burton offers her advice entirely without charge. She has nothing to sell. Letters should be addressed to Mrs. Margaret Burton, 2465 Massachusetts, Kansas City, Mo. Correspondence will be strictly confidential. Adv.

## Oregon, W. S. C. Freshmen Play In Pendleton

PENDLETON, Oct. 18.—The biggest football game of the 1927 season for Eastern Oregon will be that between the University of Oregon freshmen and the freshmen eleven of Washington State college, the game to be played Friday Oct. 21 on the Round-Up grounds here.

The two institutions boast the best freshman grid teams they have had in years. Recently the Cougar yearlings defeated the College of Spokane 70-0. The Oregon youngsters have been holding their own in scrimmages with the Oregon varsity.

This year the Webfoot freshmen can put a team in which averages close to the 100-pound mark while the Cougar yearlings will scale right up to that mark also.

The freshmen eleven of these two schools are duplicates of the varsities both playing the same brand of football, "coach lines," part of the Oregon babes has a crew of 60 or more to select his starting lineup from while Coach Schaldemans has 60 candidates for his yearling string.

Captain McEwan, famous all-American selection and former coach of the Army football team, is watching the Oregon youngsters with a critical eye and has hopes of future varsity material in this year's squad. Coach Hollingbery of Washington state is the former coach at the Olympic club in San Francisco and has the scalps of California and Stanford to his credit.

Several former Eastern Oregon high school stars will be seen Friday in the game against the Cougar freshmen.

## FISH TAKE HALTED

REDDING, Cal., Oct. 18 (AP)—Because of lack of fish, the fall take of salmon in the McCloud river United States fishery at Redding has been abandoned this year for the first time in quarter of a century.

The stream was so muddy from glacial flow all winter and last summer that it was impossible for the fish to live.

"That wasn't no lady," the British hobby might have said of the young lady who told him to dash for Hades the other day. "That was a countess."

Mexico is getting ready for another presidential election. They held a little target practice down there the other day.

Science has shown the brain of woman to be equal to man's. The men probably will be willing to accept that, if the ladies are.

## Kansas Entry

Here's Jack Billy, Wichita (Kan.) runner, who is training for C. C. Pyle's coast-to-coast run in January. Billy holds all long distance records for his state.

# \$3 A WEEK GIVES YOU A RADIO

## Join Carr's Christmas Radio Club
