Every Baby Needs Vitamins

Baby often requires special vitamin-nourishment to assure development of sound bones and avoidance of rickets.

Science has rightly given emulsified cod-liver oil, as in Scott's Emulsion, a place of premier importance as a help to perfect baby's nutrition and to furnish its growing organism with a needed abundance of rickets-preventing and growth-promoting vitamins.

Young children who are not absorbing a full abundance of essential vitamins, should receive, as an added food-ration, regular doses of easily-assimilated, pleasantly-flavored, emulsified cod-liver oil in the form of

Can You Call a Fellow a Coward If He Dies Trying?

THE ROUGH RIDERS

A REAL ROAD SHOW AT POPULAR PRICES

Two boys loved her—faced bullets and fever for her—and one, a coward, turned hero—and died for her! What a picture! So humorous—so spontaneous—so human!
