9 RAHS and a TIGER!

ARMISTICE DAY! LEST WE FORGET!

In the hurry and scurry of our busy lives, we are apt to forget those who fought, bled and died that we might live our lives in peace and happiness.

November 11! What memories that epochal date brings back. For on that day just nine years ago, a score of nations laid down their arms and peace reigned once more.

On this Armistice Day let us again do homage to the hard-won victory of the Allied Armies and to those who gave their lives that Liberty and Democracy might live.

We know an old fellow in the country who speaks of the "younger generation" and maybe he's right.

SOME TEETH! Irene French nonchalantly applies her make-up while sitting in a chair supported by the iron jaw of John J. Haynes, who says he's the strongest man in America.

10 Years Ago Today

Mr. Hoover insists that we eat more hash.

We dedicate our column today to America's fighting men, who probably never will forget the "tinned wiffle" and "corned beef hash" they ate—hot, cold or medium, while in the service.

Today we also honor those who cannot be here today, but who have given all they had for their country, that its ideals shall be held sacred and its flag unstained.
