John Horrell, Rancher, Is Murdered at His Home Northeast of Town

SHOOTING RESULT
OF ROW, REPORT

Boy Is Alleged to Have Come to Aid of Mother, Finally Resorting to Use of Rifle.

ENTERPRISE, Ore., Nov. 12 (AP)—John Horrell, rancher, was shot to death at his ranch northwest of here last night. His son was accused of the shooting, which followed a quarrel. The county coroner's report said the elder Horrell was upbraiding his wife and the son came to the mother's assistance. The father was said to have been armed with a revolver and to have beaten the son, who procured a rifle and shot his father.

CHAMBER WILL
HEAR TALK ON
SCENIC OREGON

An interesting program, which includes in addition to the announced "surprise" has been prepared for the regular Tuesday forum luncheon of the Union county chamber of commerce at the Sommer hotel. Harley Richardson will talk on "See Oregon First," in a discussion of Oregon's scenic spots. Mr. Richardson has assembled a collection of special maps, charts and pictures relative to his subject which he will use in his discussion of Oregon's places of interest. A solo by Sherwood Williams will be the day's musical number.

BAKER'S FARM
CONFERENCE
IS NOV. 15-16

County Agent H. G. Avery will go to Baker Tuesday where he will take part in the program of the first Baker county agricultural conference which convenes in that city Tuesday and Wednesday. Fred Entemille, general chairman, and Roger W. Morse, Baker county agent, are active heads of the conference which will be the first of its kind ever held in Baker county. E. L. Ballard, state leader of county agents, is to be a principal speaker.

Halfway 31 To 12

UNION, Nov. 12—Union high school's football team defeated Halfway here yesterday, 31 to 12.

SAMPLES BOTTLE OF POISON
PORTLAND, Nov. 12 (AP)—Finding a bottle of rose spray, of deep red wine color at a home where they were attending a party last night, cost the lives of A. Werner Steiger, 37, and Mrs. Seville Hyen, 35. Thinking the bottle contained wine Steiger sampled it and handed it to Mrs. Hyen. She tasted it. Both died before medical aid could be summoned.

Pendleton Scores Touchdown in Each Half—La Grande Plays Mac-Hi Here Next Friday.

Pendleton high school tasted sweet revenge for a couple of losses at the hands of La Grande in 1925 and 1926 yesterday when the Buckaroos plunged and passed their way to a 12 to 6 victory.

A muddy field slowed up both eleven and customary thrills associated with Tiger-Buckaroos annual clashes were conspicuous by their absence. Both teams made long gains at times but La Grande was unable to make its advance consistent and found itself backed up against its own goal line several times.

Half Ends 6 to 0
The first period was scoreless with both teams showing up about par. In the second quarter Pendleton carried the pigskin to the 20-yard line and then punted 15 yards. Three plays gained six yards but a five-yard penalty forced Price to punt. With the wind against him the best he could do was a six-yard advance. This was Pendleton's first chance to send on the first play Temple zig-zagged clear through the La Grande team and downed the ball behind the goal line. The ball hit the cross bar and bounced back on the attempt to convert.

In the third period Pendleton apparently found itself and the Buckaroos entangled the La Grande eleven in every department of the game. Except for brief flashes of spirit, the Tigers were futile and punting and a stubborn defense were all that saved two or three touchdowns.

Scores on Long Pass
A minute before the game ended Pendleton, with the ball on La Grande's 21-yard line, a Buckaroo back stepped back about nine yards and heaved a 20-yard pass to Plisk, who raced over the goal line. Again the attempt to convert failed. Plisk scored on the fourth down.

Pendleton kicked off to La Grande's 20-yard line and Price, from punt formation, lost 15 yards on the first play. Pendleton intercepted a pass and put the ball into play on La Grande's 17-yard line as the game ended the game.

Bucks Pierce Tiger Line
To the spectators, La Grande's eleven still looked ragged. "The subject which he will use in his discussion of Oregon's places of interest. A solo by Sherwood Williams will be the day's musical number."

La Grande's best offensive thrust yesterday was forward passing, in which the Tigers equalled Pendleton's yardage by the aerial route. Price's punting was better than usual but his running attack was not up to standard.

La Grande has two more chances to break into the win column this season when it plays Milwaukie-Freewater here next Friday and Clatsop here on Thanksgiving day. Mac-Hi is expected to be stronger than La Grande and Union.

Emil Enna Will Give Recital At Hotel Opening

Announcement was made today that Emil Enna, concert pianist, composer and lecturer, of Portland, Ore., will be here Friday, Nov. 18 and will play at the opening program of the six-story La Grande hotel.

Mr. Enna is nationally known for his musical ability and local people are anticipating a treat when he appears in concert.

The Magazine Music, of Chicago, Ill., says: "Mr. Enna is a sincere teacher and practical pianist" and the Indianapolis, Ind., News says: "Emil Enna is a fine pianist and composer and played several of his own compositions as well as works of others for his enthusiastic audience." Mr. Enna has appeared in many cities in the Midwest and West.

Golf Tournament
Set For Sunday

Weather permitting, the turkey-handicap golf tournament, which was postponed last Sunday, will be played at the La Grande Country club tomorrow. The fifty-cent entrance fee is to be paid to Jack Renner before teeing off, according to the tournament committee. As planned for last Sunday, one turkey will be given for every eight entrants. Eighteen holes are to be played.

Practice Shoot
To Be Tomorrow

A practice trapshoot, preparatory to the annual turkey shoot which will be held on Sunday, Nov. 20, will be staged at the Lone Tree grounds tomorrow, according to A. McAllister, secretary of the Wing, Pin and Fleetfoot club. The practice shoot and the turkey shoot a week later are both open to the public and all persons interested are invited to gather tomorrow at 9 o'clock.

Declares That Rodeo Star Became Incensed When She Heard Chance Remark of Friend.

LAKEVIEW, Ore., Nov. 12 (AP)—Lorena Trickey, picturesque little rodeo star, was found not guilty of the charge of murdering J. P. (Smiling Slim) Harris, Sept. 2 by a jury which considered its verdict 20 minutes. Wild demonstrations followed the announcement of the verdict.

LAKEVIEW, Ore., Nov. 12 (AP)—That jealousy prompted Lorena Trickey to kill J. P. (Smiling Slim) Harris in the gathering dusk of the evening of Sept. 2 was the contention of the state in presenting its argument to the jury today.

District Attorney Charles H. Combs, summarizing the evidence, pictured the spirited little equestrienne as goaded by a burning jealousy and determined that Harris should die rather than leave her for another woman.

Coolly, analytically and logically Mr. Combs carried the jury back over the state's evidence. If Lorena had been in another city,

Ex-Service Men Hear a
Talk by 40 and 8 Society
Official from Baker

Following the parade yesterday, which opened La Grande's observance of Armistice day, more than 100 ex-service men and their wives gathered at the I. O. O. F. hall where a buffet luncheon was served and an impromptu program given. Post Commander Hugh Brown presided as toastmaster, calling upon several, including William C. Kelly, of Baker, grand chief of the Oregon 40 and 8 for short addresses. A vocal solo by Sherwood Williams, accompanied by Mrs. Harley Richardson, received hearty applause. Following his noon hour program most of the ex-service men joined the large crowd which attended the football game between Pendleton and La Grande at the high school athletic field. The evening dance crowd was among the largest ever attending an American Legion dance, according to those in charge and were very satisfactory financially.

Visitors for the day including a large delegation from Pendleton who attended the football game and a number from Baker and neighboring towns in addition.

Yale Rally Results In Victory
Over Princeton Team, 14 to 6

YALE BOWL, New Haven, Conn., Nov. 12 (AP)—Yale came from behind to put on a sensational fourth period rally to beat Princeton 14 to 6 before a crowd of 70,000 spectators in a thrilling game as the two rivals have ever played.

YALE BOWL, New Haven, Conn., Nov. 12 (AP)—With their famous back, Bruce Caldwell, chained to the bench through ineptitude, Yale's battling Bulldogs met Princeton's Tigers today under heavy skies before a crowd of 70,000.

Principal claims to the mythical eastern title were at stake, neither team having met defeat from an eastern rival and the Tigers boasting a clean slate altogether.

In Caldwell's place was Johnny Garvey.

Wittmer kicked off for Princeton and on the first play from scrimmage Garvey, the sub for Caldwell, played off tackle for a 15-yard gain and first down. A 15-yard pass forced the 43 to punt, however, and after an exchange of punts, Wittmer advanced the ball into Yale territory for the Tigers.

The Tiger passing attack was broken up by Yale's clever defense and Baruch was forced to punt. Wittmer, after an exchange of punts, led another Tiger drive which quickly netted two first downs and put the ball around midfield.

In a terrific line battle which saw the Tiger forwards outchugging their Ell foes, Princeton kept up its march, reaching the Ell 30-

80-Mile Gale Hits the Lake Region—Temperatures Drop Many Degrees; Several Persons Hurt

CHICAGO, Nov. 12 (AP)—Winter whistled into the lake region at dusk last night on the wings of an 80-mile gale and Michigan.

The storm, almost toroidal in spots, tore at houses and smaller buildings in suburbs fringing the north side of Chicago, bounced over to touch Hyde Park on the south and then with much of its fury spent, swept east and north into Indiana and Michigan.

A temperature drop of 23 degrees took place in three hours, the drop being from 71 degrees before the storm to 48 above when it had passed.

An unidentified boy was killed by lightning during the storm at Milwaukee. Two children were injured as high winds shrieked through Springfield, Ill. Twelve persons were slightly injured and thousands of dollars worth of damage was done in the Chicago storm area.

Niles Center, Niles and Morton Grove, on the city's northwestern limits bore the brunt of the property damage, where the wind cut off telephone and power lines. Six houses were torn from their foundations, garages were demolished, trees uprooted and traffic tied up.

The Hyde Park section on the south side also suffered. In Springfield, Ill., houses were unroofed while store fronts were shattered in the business section of Milwaukee.

Alplane service over western routes was discontinued and service eastward was threatened today.

**Red Cross Roll
Call Workers To
Organize Monday**

Dr. Itay Murphy, in charge of the annual Red Cross roll call in La Grande, announced this morning that an organization meeting will be held in the chamber of commerce rooms at 7:30 o'clock Monday evening at which representatives of all civic organizations will be present. He also issued an invitation to any person interested in the Red Cross work.

The roll call dates will also be decided on at this meeting, although it has been determined that the campaign will be staged before Thanksgiving day.

Rufus Keefe To
Face Grand Jury

Rufus Keefe was bound over to the grand jury today when he waived preliminary hearing on two charges, one of non-support of minor children and another on the charge of obtaining money by false pretenses. Keefe was arraigned by Justice Hugh Brady on the first charge and waived preliminary hearing on the second charge. He was held in lieu of \$500 which he failed to pay.

At his hearing on the second charge Keefe again waived preliminary hearing and failing to pay his bond of \$250 is now in the county jail.

YANKEE STADIUM, New York, Nov. 12 (AP)—Army outplayed Notre Dame until the final moments to win, 18 to 0 before a great crowd of 70,000 persons today.

The end of the game found the ball on Army's 50-yard line after Notre Dame had undressed a late effective forward passing attack. Until the eleventh hour Army had the advantage.

YANKEE STADIUM, New York, Nov. 12 (AP)—With a record foot-ball crowd for New York looking on, Army and Notre Dame clashed under a cloudless sky today with a warm sun beaming its approval. The attendance at game time was estimated at 70,000.

Notre Dame started its second team while Army put its best foot forward with Nave playing quarterback.

M'NARY CONFERS
WITH PRESIDENT

Oregon Senator Learns That Final Approval of His Bill Is Unlikely

WASHINGTON, Nov. 12 (AP)—Senator McNary, republican, Oregon, came from a White House conference today with the state-ment that he realized that final approval of the McNary-Haugen farm relief bill in its present form was hopeless but still expressing confidence that a relief measure would be worked out and enacted into law.

It was indicated, however, that an agreement on a bill was still far away. While the senator, who is chairman of the senate agriculture committee, declined to discuss his confidence with Mr. Coolidge, it was understood that he took up an informal way a report of farm relief which is to be made soon by a committee of the U. S. chamber of commerce headed by former Secretary Nagel, of the commerce department. This is the report to which the president has referred frequently as likely to throw much light on the agricultural problem and one which may be examined with great care.

Senator McNary, however, tersely expressed the opinion that when the report is made public it will be more revolutionary than the McNary-Haugen bill, which was credited by its opponent with being. He said there still were plans to re-introduce the McNary-Haugen bill.

Regarding the debenture tariff scheme of the national grange which the white house yesterday said might be explored with benefit, Senator McNary declared it was clearly a subsidy and did not begin to provide the assistance to cooperatives in marketing crops that the McNary-Haugen bill did.

Weather Outlook
For Week Normal

SAN FRANCISCO, Nov. 12 (AP)—The weather outlook for the week beginning Nov. 13 was announced here today by the United States weather bureau as follows:

For western states: The outlook is for general cloudiness with frequent rains over Washington and Oregon; occasional rain over Idaho and rains during the latter part of the week over California and Nevada. The temperatures will be near normal.

PORTLAND, Ore., Nov. 12 (AP)—While Mrs. Frank M. Clair wielded a butcher knife and her husband held a revolver, they rounded up in their back yard a man they found looting their home last night. Turned over to the police the man gave his name as Jack Monca, and officers said they found in his home more than 200 stolen articles. They believe him responsible for more than 20 burglaries.

A CHAMPION

Lois Bailey, pretty student at the Eugene, Ore., high school, has won a free trip to Chicago, not as a beauty contest winner but as the best sewer and canner in the state. She will represent Oregon at the National Boys' and Girls' Club Congress, Nov. 25 to Dec. 5, winning from approximately 10,000 other club workers.

Fall Seeding Work Progressing—Large Share of Potatoes Are Yet in Fields.

PORTLAND, Ore., Nov. 12—While October rainfall delayed fall seeding operations over most of the state, the earlier start made possible by the abundant September precipitation, has enabled farmers generally to complete more than the usual amount of fall seeding to date, says F. L. Kent, statistician, United States department of agriculture.

The first general killing frost occurred on the night of October 30.

In some localities only the most tender vegetation was affected. Over much of the eastern portion of the state hard frosts had previously occurred this fall.

Portland weather bureau records show for that station, a slightly below normal precipitation for the month of October, 1927. There was no very heavy rainfall, but a considerable number of days with rather light precipitation which prevented proper drying of clover seed, late alfalfa hay, and some spring seeded grain in higher altitudes.

Wheat
No revision of the October wheat estimates were made as of Nov. 1.

Revised estimates will be issued in December, together with final revisions for the 1926 crop.

Oregon wheat estimates as of October 1 were for a crop of 2,255,000 bushels of spring wheat, and 24,300,000 bushels of winter wheat, or a total of 27,555,000 bushels. It is probable that the December revisions will show a somewhat lower total. There has been some loss of late wheat account of wet weather and returns from some of the later fall wheat areas indicate that the earlier estimate of 27 bushels per acre for a state average was probably a little too high.

For the Pacific Northwest (Oregon, Washington, and Idaho) the winter wheat crop has been estimated at 42,570,000 bushels, and the spring crop at 43,751,000 bushels, or a total of 86,321,000 bushels. Wet weather damage was more severe in eastern Washington than in Oregon, hence downward revisions for Washington will doubtless be made. The total Pacific Northwest wheat crop for 1927 was estimated at 84,450,000 bushels, last year, and the five year average is 84,040,000 bushels.

The United States wheat crop for 1927 is now estimated at 814,000,000 bushels, spring wheat, and 553,000,000 bushels winter wheat, or a total of 1,367,000,000 bushels. This compares with a total of 832,000,000 bushels last year, and the five year average of 808,000,000 bushels.

Wants To Meet
Originator Of
"Mr. Ruth Elder"

NEW YORK, Nov. 12 (AP)—A career other than flightless domesticity in Panama which her husband had indicated he desired for her, beckoned today to Ruth Elder.

"Women can do lots of things," Miss Elder said, "and husbands and homes and families should not interfere with them. I've washed a lot of dishes in my time, and I don't intend to go back to that right away. Just what I will do I do not know yet."

The comely Dixie lady who rode a trans-Atlantic airplane from small town obscurity to fame almost overnight, was confronted with the choice of a housewife's job with its attendant dish washing or \$250,000 for motion picture, vaudeville and lecture appearances.

Miss Elder who returned from Paris yesterday on the Aquitania with her co-pilot, Captain George Haldeman, contemplated the decision with the smiling confidence that she showed when the ill-fated monoplane American Girl took off for its 25½-hour, uncompleted flight to Paris a month ago.

"All I want," her husband said, "is he went down the bay on the city tug Macons to see his returning wife, 'in to meet me to that right away.'"

He is, in addition, six feet tall, a graduate of Iowa state college, and a former football player. He was middleweight boxing champion of the college, he said.

When he came from Panama a newspaper captioned his picture "Mr. Ruth Elder arrives."

**Former Wife
OF H. E. DODGE
AGAIN ALONE**

MANILA, Nov. 12 (AP)—The Hawaiian love romance of Mrs. Horace E. Dodge, divorced wife of the wealthy Detroit man, and Benjamin Franklin Manning, which culminated in their marriage at Honolulu several weeks ago, came into the limelight again today when it became known that they recently had separated while on a honeymoon tour.

The marriage came to the parting of the ways at Shanghai, where the round-the-world liner President Cleveland, on which they were passengers from Honolulu, put them recently. Manning left the ship at Shanghai and his whereabouts at present are unknown.

Whether Mrs. Manning continued the journey from Shanghai to Manila, accompanied only by maid, by a pre-arranged plan, and the separation was a friendly one, passengers on the President Cleveland said that before the liner reached Shanghai, quarrels were frequently heard in the Manning suite. These ended when Mrs. Manning took separate quarters, the passengers said.

Mrs. Manning made no statement on the subject and she is now enroute to Geneva on the President Cleveland which sailed from Manila yesterday.
