TWO BIG GAMES DUE IN BIG TEN

Illinois to Play Ohio State at Columbus—Michigan and Minnesota Clash

CHICAGO, Nov. 15 (AP)—Two games on which the western conference football championship honors rest, lead the closing chapter of the "Indian summer" gridiron season in the Midwest Saturday.

Illinois, unbeaten in the Big Ten but with the 12-12 tie achieved by Iowa State in its record, seeks its fifth and final victory of the conference schedule against Ohio State at Columbus.

Michigan and Minnesota, each seeking a chance at titular honors in the Wolverine's new stadium at Ann Arbor. Except for the setback, the defeat by Illinois when Louis Gilbert was kept on the side lines by an infected arm, Michigan has outclassed all opposition this year, including Wisconsin with a second tie against Notre Dame.

Among the other annual struggles will be that in which Purdue and Indiana both stronger than for many years, decide the Hoosier section of the Big Ten supremacy at Bloomington.

UNION HIGHS GRIDDERS WIN THREE GAMES

UNION (Special)—Three football games were played on the Union grounds during the past week and all were won by the local teams. On Wednesday the Imbler High eleven came over for a return game. The contest was pulled off in a downpour of rain and resulted in a victory for the second team of Union high, the score being 5 to 0.

On Armistice day the Covr seventh and eighth grades also played a return game here, and this contest gave Union grades another victory, the Union boys winning.

The main game of the week was between Union high and the Halfway team. Union made five touchdowns, her playing being especially good in and runs, two long sprints giving Union two of her scores. Twice during the game Union fumbled the ball in dangerous territory and each fumble resulted in a touchdown for the visitors. Kofford, a sub on the Union eleven, went in just before the game ended and was just in time to intercept a pass and race to the goal line. The game score was Union 30, Halfway 12, neither team being able to secure an extra point.

Tunney Declares War on Rickard; Is 'Fightin' Mad'

NEW YORK, Nov. 15 (AP)—The Smiling Gene Tunney who left two weeks ago for an outing on Rarquette Lake N. Y., was back in town today "fightin' mad" and ready to declare war on Tex Rickard. The reason was "Tex Rickard's business activities with Jack Dempsey," and his recent was a new type of "Tunney abuse" which Tunney said he "lashed angrily" as he talked with law filled phlegmatically.

"I have no definite statement to make at this time," Gene said grimly, "pending the result of investigations I am making in regard to Rickard's business activities with Dempsey. But you can bet everything you own that things in the heavyweight championship fight situation in 1925 will not turn out the way Mr. Rickard hopes and thinks they will."

Tunney declared that although he wishes to fight three bouts in 1928 he will not see the promoter for some time and then only to arrange for the single battle Rickard's contract calls for in the coming year.

"If I only fight once it will be because I got kicked in the first bout and retired," he said. "After all, I am heavyweight champion of the world and the champion should have something to say about where and when and whom he fights."

"Rickard claims to have an iron bound contract with me that allows him to dictate to me about whatever I do in my boxing career. But my contract, drawn by capable lawyers, protects me and gives me the legal right as well as the right of the champion to say something about what I shall do in my profession. Rickard can dictate to Dempsey and a lot of other heavyweights, but can no longer dictate to me."

HARVARD WILL DEFEND "LAST WHITE LINE"

NEW YORK, Nov. 15 (AP)—A tradition that hangs over the "last white line" in the Harvard stadium—a goal that Yale has crossed but once in 19 years—swayed into the minds of eastern grid historians today as the eleven settled into workaday stride for their fifth meeting Saturday.

Riding on the crest of a victory that has swept over Army, Dartmouth and Princeton, Yale will take to the stadium a team that is headed straight for eastern supremacy. Harvard can place on the field only seven battered warriors who have suffered three defeats in the season.

In 19 years Yale has scored but one touchdown ever Harvard in the stadium. That score came in 1923 when Duke Pond paddled his way on a field almost lost in driving rain and ankle deep in mud. In 1925 the team of Johnny Jones ran into a stone wall defense that gained a "moral victory" in a scoreless tie.

We know what we like, don't we, Old Pipe!

PRINCE ALBERT, and plenty of it, huh? Well, we can justify that on any number of counts. It's more than mere preference. There are sound reasons for liking Prince Albert above anything else.

Take fragrance, for instance. P. A. has 'em all stopped there. Every time I open the tidy red tin, I get a brand-new thrill. A tobacco that smells like that would have to be good, if you ask me. Yes, Sir!

And then take taste. Every puff tells a man that P. A. is cool and refreshing, with a mellow-mildness that is a revelation. Mild,

yes, but not wispy-washy. P. A.'s rich, full-bodied flavor balances its mildness and makes it a smoke!

But all the talk in the world won't do a man any good, unless he acts on it. A load of long-burning P. A. in the bowl of his pipe will tell him volumes—and in language he likes. It's the personal test that counts, after all. I don't believe I can add to that.

Not only quality, but quantity, too—TWO full ounces in every tin.

PRINCE ALBERT

—the national joy smoke!
