Trojans Point TO NOTRE DAME

Southern California Is to Take on Irishmen in Chicago Nov. 26

CHICAGO (AP)—A powerful array of line-plungers, end-runners and passers from Southern California will seek revenge from the flashing lightweights of Notre Dame on Soldier's Field here November 26.

Howard Jones, still stinging under the one-point defeat handed the Trojans by Notre Dame last year, takes east with him probably the greatest offensive football team ever developed at the University of Southern California.

John Niemiec, who comes from the hill country around Bellefontaine, Ohio, and who secured the touchdowns that gave Notre Dame the 13-12 victory in the Los Angeles Coliseum last year; Christy Flanagan, of Port Arthur, Texas, and ringer Fred Collins from Seattle, Wash., are the Notre Dame stars who have flashed brightest this season.

Niemiec and Flanagan have alternated at left half and they began the battering that sunk the Navy, 19-6. Collins turned the tide of battle in the defeat of Georgia Tech, accounting for two touchdowns after brilliant 13 and 11-yard runs.

Flanagan, flipping passes to his Irish friend, Riley, signal caller, and a smooth moving front wall, just about completes the story of the Notre Dame offense, which brought sad sighs to the teams that felt its power this season.

The 100,000 capacity of the stadium was sold out weeks ago for the Notre Dame-Southern California game.

is the highest on the coast. The flashiest, most brilliant Trojan of them all will not be among the 23 making the trip. Don "Boss" Williams, superlative quarterback charger will be held in a hospital here with a fractured vertebrae. But the loss of this important cog in Troy's offensive strength served only as a spur to the other warriors who emanated a grim, determined air of confidence, inspired by Williams' own words, "Beat them, fellows, then come back and get me and we'll beat Washington next week."

Enterprise And Union Elevens Play Even Game

UNION, Ore., Nov. 22 (Special)—What was probably Union high's most evenly matched football game of the season was fought out on the local grounds Saturday afternoon when the Maroon and White elevens tied the Enterprise team by the score of 6 to 6. The first half of the game was almost ended when a fumble by Union gave Enterprise the ball within five yards of the goal line. In spite of a frantic effort to hold them the visitors on their fourth down just showed the ball over. A kick for extra point went wide. The half ended while the play was in progress. No scoring was done in the third quarter before Joe Parout secured the ball and with efficient interference to aid him, raced 45 yards for Union's only score. Two Enterprise boys were sent behind the runner for nearly half the distance, but could not overtake Parout. Union also failed to tally in the seventh point. Some end runs were attempted and about a number of passes were tried by both teams but the chief factor in yardage in this game were by straight line backs, most of which for both teams resulted in little or no gains. Enterprise used the Idaho spread for gains a few times. Union came near scoring a second time when Wilkinson caught a pass that bounced off the hands of the Enterprise man, and was only stopped by the last man he had to pass to reach the goal line. The teams were about evenly matched and for the most part played safe consistent football.

RESCUE PRINCESS NEW YORK—A princess in distress has been rescued from Ellis Island. When a \$500 bond was posted guaranteeing departure in six months Princess Alexandra Galitzine of Russia, 23, beautiful brunette, was permitted to enter. She is a cousin of Mrs. William H. Leeds (Princess Xenia) and the daughter of Prince Galitzine, of Chicago. A trained nurse in England, she came to visit her mother. The rescuing hero was her cousin, Prince Chychevanda, employed in a New York shipping office. If boiled being does not harden properly, reheat it in the top of the double boiler. This can be done even after the syrup has been poured over the egg white. The slow heating, with constant stirring, especially if done with a double boiler, causes some of the moisture to evaporate and thereby concentrates the mixture so that the sugar crystallizes in fine particles and the icing "sets" or hardens. A proclamation promulgated by Governor Patterson recently, designates Thursday, Nov. 24, as a public holiday, and requests the citizens of Oregon to join in appropriate observance of Thanksgiving day.

Large advertisement for Prince Albert tobacco. Features a large illustration of a man smoking a pipe. Text includes: "I've just got to tell somebody", "NO, I'M not going to be married. Neither have I fallen heir to a lot of money. But I have discovered the one tobacco that makes a pipe come through a thousand per cent—Prince Albert!", "Yes, Sir, Prince Albert—the world's largest-selling brand. I was sitting with a fellow-commuter the other morning, when he was filling his pipe from a bright-red tin. I got a whiff of that tobacco and said: "Do you mind if I borrow a load?" He passed the tin over, and I filled up and lighted up.", "I never tasted anything so good in my life. It was wonderfully cool and sweet, with a mildness I had never met before in a pipe-tobacco. Mild, as I say, yet it had that rich, rare body that put satisfaction into every pull. What a taste! I could hardly wait till the train pulled in to get me a supply. I've smoked enough of this cool, mild, long-burning tobacco to know that it gives you deep-down contentment in every load. Try Prince Albert. You'll say so!"
