La Grande Hotel Scene of Several Social Affairs

The new La Grande hotel has been the scene of several delightful parties since it was opened Friday evening. Two bridge-luncheons took place in the attractive hotel dining room yesterday afternoon, and dinner parties have been held there both Sunday and Monday evenings.

Mrs. J. F. O'Connell was one of the luncheon hostesses yesterday and her guests were members of the Monday Bridge club. After luncheon at 1 o'clock in the main dining room, where four tables of bridge were at play during the afternoon, Mrs. Henry Hill made high score among the club members and the guest prize went to Mrs. Fred Smith.

The second bridge-luncheon was made up of members of the Alibi Bridge club with Mrs. G. R. Clay, club hostess. Luncheon was at 1:15 o'clock in the hotel dining room, followed by three tables of bridge. The club prize for high score was won by Mrs. John Thiesen and the consolation prize went to Mrs. L. M. Dunn.

Mrs. E. L. Halston received first prize among the guests and Mrs. George Harding, of Spokane, Wash., who is a guest in this city, received consolation prize among the guests.

Sunday evening Miss Nell Grinnett entertained at a dinner at the new hotel, complimenting Mrs. George Harding, who is visiting here at the home of her aunt, Mrs. E. L. Meyers. Dinner was at 6 o'clock and besides the honor guest and hostess those present were Mr. and Mrs. E. W. Cox, of Baker, and Mr. and Mrs. G. R. Chaycomb of this city.

Last evening Mr. and Mrs. Frank B. Appleby entertained at a bridge dinner at the new hotel.

An excellent eight-course dinner was served at 7 o'clock to 58 guests in the main dining room of the hotel and afterwards, bridge was the diversion for the remainder of the evening in the card room off the mezzanine floor.

A color scheme of black and orange was cleverly carried out in the decoration of the dinner tables. A buttonhole of pompano chrysanthemums was found at the base of each table and a single pompano chrysanthemum served as favors for the men. Tally and score cards were in orange and black and were suggestive of the Thanksgiving season.

Mrs. A. W. Nelson made high score among the women players and the second prize among the women went to Mrs. Lee B. Bouvy. Mr. A. Zuehlke won first prize among the men and Dr. J. L. Iglie the second prize.

The girls were Amy York, Geraldine Ansell, Vera Puckett and Norma Sundgras.

In modern cookbooks and in Farmers' Bulletins issued by the department of agriculture level measurements are given in all recipes. Three teaspoons equal a tablespoon, 16 tablespoons fill a standard or half-pint cup, and four cups make a quart. Always sift flour, except Graham or whole wheat, before measuring. Use a table knife to level sugar, salt, flour and other dry ingredients. Melted fat is measured after melting.

This week our tests are upon the question of how a Declarer should plan his campaign. Two hands are given each day, and the way the Declarer should plan to play them is explained on the succeeding day.

tried if advisable when the opportunity arises.

No. 4. Declarer is sure of two Spades, two Hearts, three Diamonds (even if the finese be wrong) and three Clubs—ten tricks. If the Diamond finese succeed (the chances are even), and if the Clubs break (which is probable), the hand will produce a Grand Slam. Game is assured and, therefore, the Slam should be played for. Declarer should lead a Club to trick 2, win in Dummy and lead the Jack of Diamonds for a Diamond finese. If the King do not cover, play the Ten from the Closed Hand so that if the Jack wins, the Nine can be led from Dummy and the Eight played from Closed Hand. This will produce three Diamond leads through the adverse King if it be in the East hand—the place in which it can be captured.

In both Nos. 2 and 4 the contract is No Trump, and the original lead is the Deuce of Spades, won with the Queen in Closed Hand. How should Declarer plan his campaign?

No. 3. Against sound defense, Declarer is not apt to make more than two Spades, two Hearts, two Diamonds and five Clubs—a total of eleven tricks; but adverse discarding might produce it, but the chance is not worth considering. Should Declarer make the natural play and try to run the five Clubs immediately, he will make only three Clubs tricks if the adverse five Clubs be divided 4-1 instead of the probable 3-2. Should he make only three Club tricks, and should the King of Diamonds be held by West, his total winning would be two Spades, two Hearts, one Diamond and three Clubs—six tricks short of game. To ensure game he should deliberately lose one im-materal Club trick by leading a small club at trick 2 and ducking; thus assuring himself four Clubs, two Spades, two Hearts and one Diamond—game.

Many vegetable combinations are good when there is not enough of any one vegetable to so amount. Different greens may be blended, such as carrots and peas in equal quantities; string beans and carrots, celery and turnips, rutabaga and potato, tomato and onion, corn, string beans and onion and beefs and peas.

MENUS

By Sister Mary

BREAKFAST—Stewed eggs, cereal, cream, French omelet, cinnamon toast, milk, coffee.

LUNCHEON—Baked hash, scalloped tomatoes and onions, apple sauce, starched bread, milk, tea.

DINNER—Casseroles of veal with boiled rice, buttered Brussels sprouts, stuffed oysters, diplomatic pudding, milk, coffee.

The luncheon is planned for children who hurry home from school for their noon meal. Let their luncheon be as luxuriant as possible and never keep them waiting. One minute seems like five to children and the fear of tardiness looms large. Nervous strain often spoils an appetite.

Diplomatic Pudding
Eight thin slices stale sponge or plain cake, peach or apricot jam, 4 tablespoons orange juice, 2 eggs, 1 1/2 cup sugar, 1/2 teaspoon salt, 2 cups milk, 1/2 teaspoon vanilla, 1/2 cup whipping cream.

Spriced cake with jam and oranges in a deep dish or mold pour orange juice over it and let stand while making custard. Beat eggs slightly and stir in sugar, salt. Slowly add milk heated to the boiling point. Cook over hot water until mixture coats a spoon. Stir constantly. Remove from heat and add vanilla. Beat hot orange cake mixture. Chill and serve with whipped cream.

NOTICE OF SCHOOL ELECTION TO INCREASE TAX MORE THAN SIX PERCENT OVER THAT OF PREVIOUS YEAR.

Notice is hereby given to the legal voters of School District No. 1, of Union County, State of Oregon, that an election will be held in said district on Saturday, the 3rd day of December, 1927, between 12 o'clock and seven o'clock in the afternoon of said day, to vote on the question of increasing the amount of the tax levied in said district for the year 1927-1928 by more than six per cent over the amount of such levy for the year immediately preceding.

It is necessary to raise this additional amount by special election for the following reasons: Retirement of \$15,000.00 on principal of outstanding bond issue; instead of \$10,000.00 amount retired annually in two preceding years, increases the amount over the six percent increase allowed in the sum of \$2,577.25. The amount to be raised by district tax is \$121,664.56. School attendance has increased to limit of capacity of present school buildings, and construction of new building or buildings, through new bond issue, is imminent; therefore it is necessary that future bonding capacity of school district be enlarged by reduction of present bonded indebtedness as much as reasonably may be done.

The polling places for said election will be at the Central School Building on Fourth Street and the Greenwood School Building on Greenwood Street. Legal voters residing south of the O-W. R. R. & N. main line will vote at the Central School Building, and legal voters residing North of said railroad will vote at the Greenwood School Building. A qualified voter at this election is any citizen of the state, male or female, who is over twenty-one years of age, and has resided in the district thirty days immediately preceding the election, and has property in the district, as shown by the 1926 Union County assessment, or produces evidence that he or she has stock, shares or ownership in any corporation, firm or co-partnership which has property in the district, as shown by the 1926 county assessments. Registration is not necessary.

Dated this 12th day of November, 1927.
