BUDAPEST — Hungary has be-
gun a six-year program of road
building to American specifica-

Parliament will be asked to tax
automobiles to meet the expense.

It is officially computed that
insect pests cause a loss of
two billion dollars a year to
the farmers in the United
States.

Tiny in size, yet massive in
destruction — the insect incredi-
bly no bigger than a sec-
ond of time during which
thousands of dollars of your
savings are completely de-
stroyed and wiped out
through accidents, tornadoes
and fires. An insurance pol-
icy taken through this agency
protects you against disaster
and uncomputable loss.

The man who wears a toothpick
to church in his mouth may be all
right otherwise.

At last comes the day when we
can see through women.

There is some consolation for the
bold-headed man with whiskers. It
will be some time before the
women adopt his style.

ENGLISH AS SHE SPOKE
Do we laugh in our sleeve
'Cause the funny bone's there?
When we talk through our hat?
Does the head shine our hair?
Did a man ever do it?
When we say, "Chase yourself?"
And if he attempted,
Where begin on himself?
When you're tickled to death,
Do you ever stay dead?
How can man crack a joke
On the tongue in his head?
And when your voice drops,
Are your words always broken?
Of is it just English?
As she's always been spoken?

Customer by cigar dealer, after
lighting up a five cent one: Well,
where's my earned beef?

A tooth may be false to others,
but it is always true to the fellow
who owns it.

Office Boy—Your wife telephoned
she'd like to see you about five
p.m.

Ross—Did she say whether it was
about five dollars or five o'clock?

Hay fever is a disease the more
you do for it the worse it gets.

SEAL FAMILY LARGER
WASHINGTON — Next year's
supply of seal scalps seems to
be assured.

The bureau of fisheries reports that
the Alaskan fur-seal herd on the
Pribilof Islands, after the annual
counting of noses, has 255,
566 cubs, a like number of pups,
115,317 yearlings and two-year-old
females, 5,815 barren and idle
batts and 100,886 males of other
classes. The total, 308,870 animals
shows a gain of 47,589, or 6.25
per cent over last year's total.

Census taking is a quite a job in
the Pribilofs. Three-year-old males
in the breeding reserve are mark-
ed by clipping a patch from the
head, while others are branded
with a hot iron and a metal tag is
attached to each.

In addition to paying more than
one hundred dollars for a driver's
license in Germany, the applicant
must pass an extremely rigid men-
tal and physical examination.

At a price away below actual
value, A two-story 6-room house,
good foundation, on macadam
street, connected with sewer, Gar-
age, shade and shrubbery, in good
condition. Price \$1600. Terms
\$100 cash, balance at \$25 per
month, including interest.

An unusual price on fine lots in
western portion of city. Good view,
and any kind of terms.

160 acres on Sandridge, between
Alced and Imbler, at a price that
will interest you.

**Barrymore and
Costello Coming
In Big Film**

"When a Man Loves" Warner
Bros. special extended-run pro-
duction, starring John Barrymore,
supported by Irene Costello and
a large and notable cast, comes to
the Arcade theater Thursday for
a run of three days.

This is the tremendous screen
version of Abbe Prevost's immor-
tal story of love and terror in the
days when Louis XV ruled in
France.

The costumes are replicas of or-
iginals loaned by the French Gov-
ernment on Warner Bros. \$24,000
bond. Historically correct set-
tings of an ancient Paris, the
King's court at Versailles, streets,
pastoral scenes and sequences on
the prison ship, and during the
hunting of the crew, and many
others, are masterpieces of photo-
graphy. Alan Cranford, who was
responsible for "Don Juan" de-
rected.

Grandmother Knew
there was nothing so good for con-
gestion and colds as mustard. But the
old-fashioned mustard plaster burned
and blistered.

It is a clean, white ointment, made
with oil of mustard. Gently rub it in.
See how quickly the pain disappears.

Try Musterole for sore throat, bron-
chitis, tonsillitis, croup, stiff neck,
asthma, neuralgia, headache, congestion,
pleurisy, rheumatism, lumbago, pains
and aches of the back or joints, sprains,
sore muscles, bruises, chilblains, frosted
feet, colds of the chest (it may prevent
pneumonia).
