OFFICE CAT
TRADE MARK FOR
By Junius

One way to read character is to judge a person by what they wear. *Miser Tenny* or *Humorous*.

A man always tries to follow the straight and narrow path—when it comes to shaving time.

Character is what you see, reputation is what the neighbors sometimes knock into a cracked hat.

WANTED: A TROZEN GOOD WATCHMAN—Twelve men will be needed to dig this new rich, and it is hoped that the job will be finished the early part of May. From an Exchange.

Ardent Suitor: "This ring I bear for you is a symbol of the love I bear for you. It has no end."
Haughty Damsel: "It is also a symbol of the love I bear for you. It has no beginning."

"Ma, you were wrong about the wedding," howled little Tommy, his mother having come in late.
"What do you mean?"
"You said Mr. Flubbit was going into it himself, but he didn't."

The house was full of children. It was called mother's "re-cause" every time that pop went out.

"Did the furnace fire?"
The embarrassment of having a reputation is that "Hubb" Hubb is expected to make a home run every time he comes to the bat. Vice President Dewey is expected to pass every time he makes a speech and every column of the Office Cat is expected to be better than the previous one.

STANFORD HOPES FOR A VICTORY

Redshirts Leave Tonight for Pasadena — Play Pittsburg Jan. 2

STANFORD UNIVERSITY, Cal. Dec. 28 (AP)—Thirty-eight members of the Stanford university football team left tonight for Pasadena to meet the Pasadena University football team in the annual Tournament of Roses game on Jan. 2. The Cardinals depart for the occasion with the knowledge that they are facing on Monday the team their own coach, "Pop" Warner, has characterized as the best in the west. But Warner believes that 40 members of the football team at top speed will give the Stanford team a well equipped for a successful game.

The strength of the Pasadena team, which has limited opposition to three touchdowns this year, will probably cause the Cardinals to retreat to the second game. With Pittsford leading the local press and other Pasadena-Warner or Herb Hyland, Stanford's short punter, Stanford is well equipped for an overhauled game.

Lineup Forecast
While the Cardinals' starting lineup has not been definitely announced, it is generally accepted by critics that the three doubtful positions will not be filled by Johnny Preston, Mike Murphy and Tom Hill, respectively. Preston has a bad knee very bad, in which event "Knob" Miller will take his place. Murphy, it appears, has definitely suspended "Spud" Lewis as field general, while Hill, although closely guarded by Tom Sims, will probably get the call because of his experience and superior defensive ability.

The Pittsburg team is scheduled to arrive in Pasadena Saturday in time for a workout that afternoon.

Bettencourt Gets Big League Chance

OAKLAND, Cal. (AP)—Larry Bettencourt, All-American center on the St. Mary's college football team, has had several offers to play professional football but will finish his course at the little California institution, where he is a water, before considering them.

GERMANY TRANSPORTS GAS

FRANKFURT-ON-THE-MAIN (AP)—Hubb's street main owners are planning eventually to supply all Germany with gas derived through condensation from the Ruhr coal district. Some critics, however, have expressed their doubt gas production from the plan is meet-able with difficulties in obtaining customers rather than securing delivery and production.

POLAND BUYS PLANES

WARSAW (AP)—Polish air power factories are experimenting with all-metal planes designed by Polish engineers for use in Polish lines. It is believed that these and other commercial planes will be placed on the market in 1928.

Christmas
Has passed. We are too late to suggest presents but we might suggest that as it will be here again soon, it may be a good policy to save and be prepared.

"GOOD SERVICE QUICK"

California Team Will Play Penn. Saturday, Dec. 31

BERKELEY, Cal. Dec. 28 (AP)—The mystery as to what the starting lineup of the California football team would be in the game with the University of Pennsylvania, Dec. 31, was cleared up yesterday, when Head Coach "Pop" Warner, showed the sixteen men who will lineup at the kick off.

The lineup announced by Warner is practically the same as that started in all of the games against that year. Phillips and J. Downey were named at ends, Captain Caltrin and Eddie Green at full backs, H. Gill and Kaufman at guards and Hines at center. The backfield selected consisted of Evans at quarter, Linn and Newman at halves and other H. Downey, Cookburn or Reynolds at full-back. The selection of Linn for one of the backfield posts came as somewhat of a surprise, as Price has had him working out with the third string during the practice sessions last week.

Locke and Elkins Start Training

NEW YORK (AP)—Holland Locke, Nebraska sprinter, and Elkins' record holder for 100 yards and "White" Pat Elkins, the football star, who established a new American record in the 100-yard dash, have started their training in preparation for the Olympic games next July.

Tuskegee Unbeaten In 43 Grid Games

TUSKEGEE, Ala. (AP)—Forty-three consecutive games in the gridiron without a loss is the record at Tuskegee Institute at Atlanta, a negro college.

A party of three games were won and the remainder were lost. The only defeat suffered in four years of competition was early in 1927, when Morehouse College of Atlanta won 6-0. During this period, the Tuskegee Tigers have scored 1244 points against 121 for their opponents.

For the past three years, they have retained the national negro supremacy title. While adding a spectacular game, they still maintain a record of football supremacy. The "backbone" of the team's attack led defense.

Well, sir, ladies and gentlemen, this here wallpaper merrymaking of ours is drawing considerable attention. I never heard of a wallpaper merrymaking before, I'm sure you get-up and you will agree with me that it is a peach. I just happened to have been looking it over and pointing out the wonderful feature of keeping the wallpaper dust-proof, light-proof and arranged in such a way that you don't have to be a race horse to make your selection by running back and forth and rubbing your neck until it is sore for a week. All you have to do is take an easy chair while the salesman starts the big wallpaper wheel turning which is 17 feet in circumference, and it will stop at any intersection. We expect to sell more wallpaper in La Grande next year than has ever been sold in a previous year. It will pay out-of-town people to make it a point to drop into the Pratt Lumber company for quick and rapid service, make their selections from 150 different patterns at prices below unheard of in an Eastern Oregon wallpaper store, and at the same time be able to get wallpaper of the very finest texture and latest designs. We wouldn't think of going down to Portland and buying 1927 stock and try to put it on the market as up-to-date patterns. The life of the patterns of wallpaper is the same as hats, coats, shoes, stove holders and flies, as they live only about one season.

We are putting in the largest stock of November paint that we have ever stocked. There is no doubt but that our paint and oil business for the coming year will be absolutely tremendous. The price will have something to do with it, besides, you know as well as I do that there is no better paint on the face of the earth than Menards. It is purely white lead and zinc paint mixed in fine linseed oil.
