BAN EXTRA GRID GAMES IN OREGON

High School Association Puts Championship Plans into Discard

PORTLAND, Ore., Dec. 31 (AP)—Post season football games for Oregon high schools for state championships were banned by the Oregon High School Athletic association here in annual meet. The vote was 16 to 5 put an end to consideration of plans devised to eliminate the yearly squabble among rival high schools contending for a mythical state championship.

Disruption of school work and gambling upon championship football games were among reasons for adoption of the resolution.

The association also adopted a resolution forbidding the winner of any basketball, track or other championship in the association prom participating in national championships. Participation in such contests was said to have been at financial loss usually borne by merchants of the towns from which the teams go.

Robert Goetz, superintendent of the Silverton public schools, proposed the resolution to prohibit all post-season football games. This forestalled consideration of plans which had been worked out by Roy E. Cannon, of Gresham, secretary-treasurer of the state association.

Those supporting the resolution expressed the belief that post season games disrupted school work and tended to commercialize football. F. E. Fagan, McMinnville, E. F. Goodwin, Milton-Freewater; Glenn Kirkwood, of The Dalles; and E. D. Towler, of La Grande were among the school officials who took this view.

In Opposition

Burgess Ford, of Amity, and Superintendent White, of Junction City schools, contended that there was as much reason of high school football championship games as basketball and track championship contests.

The association adopted a rule prohibiting participation of any student in football after attending the school for nine semesters.

Austin Landreth, president of the association was retained as chairman of the board of control. Roy E. Cannon, of Gresham, was renamed secretary treasurer and W. J. Mishler was elected board member.

DATE TOURNEY

PORTLAND, Ore., Dec. 31 (AP)—Dates for the annual state basketball championship tournament were set for March 15, 16 and 17, at Willamette university, by the Oregon High School athletic association in session here late yesterday.

There will be nine sectional districts. A board of three in each district is charged with reporting winners of each district to the secretary-treasurer of the association not later than March 11.

UNIVERSITY IS VICTORIOUS IN ROSEBURG TILT

ROSEBURG, Dec. 31 (AP)—The University of Oregon varsity basketball team defeated the Roseburg Collegians by a score of 54 to 29 in a ragged game here last night. The university exhibited a lack of team work, particularly in the offense and the defense was very poor, the Roseburg unconditioned quintet having many openings but lacking ability and the score was tied at several times. In the last half, however, the local players began to feel the effects of their lack of condition and their defense weakened woefully, allowing the varsity to pile up a long lead. The university used its regular team, Milligan, Ridings, Edwards, McCormick and Mally, until the last few minutes of play when Hummelt, Emmons, Reynolds, Eberhart, Chastin, Ost and Epps were used as substitutes Milligan was high point man with 22 points and Ridings was second with 15. Two former University of Oregon stars, "Swede" Westergren and "Chuck" Jost were members of the Roseburg team, which included Ben Larson, former Linnville guard, "Hod" Turner, University of Illinois star, now coach of athletics at Roseburg, and Ray Bell, former Roseburg High school star. Westergren was the sensation of the game, bringing the crowd to its feet time and again with his brilliant long shots.

Christmas

Has passed. We are too late to suggest presents but we might suggest that as it will be here again soon, it may be a good policy to save and be prepared.

Pennsylvania's Grid Team Plays California Bears

BERKELEY, Cal., Dec. 31 (AP)—The reign of King Football in Central California collegiate circles came to an end, together with the year 1927, at the memorial stadium here today when grid teams of the Universities of Pennsylvania and California met in an intersectional contest.

A fast field was assured due to the canvas covering that has kept the turf dry during the past week, and with both elevens featuring a wide open passing attack, a free scoring game was looked for by sport followers. Approximately 30,000 tickets have been sold for the game and the tickets that will be disposed of at the gate are expected to raise the attendance to 50,000.

Dedication Game

The game was also the occasion for the dedication of a memorial bench to Andrew "Andy" Smith, California's grid mentor from 1916 to 1925, and coach of the famed Bear "wonder teams" who died during the latter part of 1925. Smith was an alumnus of Pennsylvania and former football coach of the easterners.

California took the field with a weight advantage of approximately 11 pounds to the man, but the fast attack of the Quakers looks to speed and deception rather than to weight.

The probable starting lineups:

Pennsylvania	Position	California
F. Scull	L.E.	Towery
Hake (c)	L.T.	Green
Utz	L.G.	Kauffman
Wengate	C	Riegels
McGinnis	R.G.	H. Gill
Smith	R.T.	(c) Coltrin
Lenzener	R.E.	Phillips
Shober	Q.	Evans
Murphy	L.H.	Lom
P. Scull	R.H.	Newman
Wascolonis	F.	R. Daugery

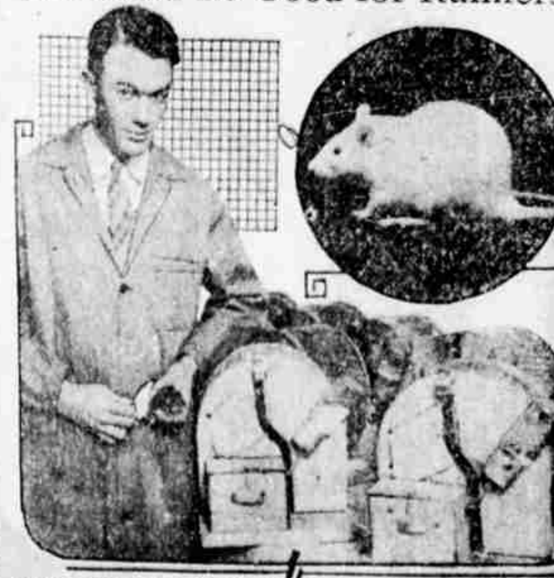
It Should Be Good for Runners



Using rats to determine the diet best suitable for middle distance runners—that's what Ray Conger, outstanding middle distance runner at Iowa State College, is doing these days. He has several rats using different diets and is studying their speed in purely scientific fashion to learn which diet will do him the most good in conditioning himself for the coming Olympic games.

KIPKE TO COACH

Panthers Arrive For Tournament Of Roses Game

PASADENA, Cal., Dec. 31 (AP)—The University of Pittsburg Panthers, this year's eastern representative at the annual Tournament of Roses football game here, will be on exhibition some time this afternoon following their arrival here this morning. A short practice session will be held to rid Jock Sutherland's unbeaten team of their train legs.

The other half of the Jan. 2 Rose Bowl menu, "Pop" Warner's Stanford Cardinals, arrived here yesterday morning and tried out a few of their well known reserves. The Cardinals displayed a fighting spirit that has been made conspicuous by its absence so far this year. Sport critics were withholding judgement on the outcome of the game until they watch "Gibby" Welch and company go through their paces. Possibility of the easterners has been expressed by more than one gridiron wiseacre. Today's workout will be the Panther's only one before the line.

Less than 10,000 tickets remained unpurchased this morning. The stadium seating more than 70,000 probably will be sold out completely before game time.

Not since the University of California Trojans beat Penn State in 1923 has a western team won a tournament game.

Tony Canzoneri Defeats Taylor, Feather Champ

NEW YORK, Dec. 31 (AP)—Tony Canzoneri, of Brooklyn, had established himself as the prevailing featherweight champion of the New York state athletic commission today by virtue of a hard earned victory over the slashing Bud Taylor, of Terre Haute, Ind.

Although Taylor waged a stiff offensive, ringside experts credited Canzoneri with the edge in seven rounds, gave Taylor two while one was even. Canzoneri weighed 125½ pounds, four pounds more than his rival.

This was Taylor's debut in the new garden. In previous tussles between the pair, Taylor took the verdict once while the other resulted in a draw.

The action of the state athletic commission in recognizing Canzoneri as the featherweight champion developed another title dispute as the Pennsylvania commission backs the title claim of Benny Bass, of Philadelphia, who defeated Red Chapman, of Boston. A match between Canzoneri and Bass to settle the conflicting claims is now in prospect.

Receipts aggregated $16,459.

MONEY IN TEDDY

GLEIWITZ, Germany—A little boy played with a teddy bear on a train crossing the frontier from Poland. Once in Germany the boy's parents tried to change much Polish currency. And so officials deduced the money was in the bear at the frontier. The parents were arrested with a number of others as conspirators in the robbery of a mail train in Poland.

Our New Year's Resolution Never Changed or Broken--

When you make a good resolution---if you are that old-fashioned---you set a goal of achievement for yourself through the months ahead.

Our goal---our resolution---has always remained the same---never changed, never broken. It was made when this institution was organized 40 years ago, and it remains the same today:

To render the people of this community the highest degree of practical banking service possible---to look upon our customers as personal friends and upon the opportunity to serve them as the only means of justifying the confidence placed in us, the only way we can merit the great Good Will accumulated and cherished by this bank through two-score years.

We wish you and the community as a whole, an abundance of success and worth-while achievement in 1928.
