## ACE HUDKINS IS GIVEN DECISION

Had Veteran Lew Tendler Nearly to Sleep Several Times During Fight

NEW YORK, Jan. 21 (AP)—Ace Hudkins has advanced in his quest for the welterweight crown today with a 10-round victory over the veteran Lew Tendler, of Philadelphia, ring-marshal of a past decade.

Meeting in the Madison Square Garden arena last night, Hudkins gave Tendler a second thrashing but failed to score a knockout. However, the Nebraska had Tendler on the verge of quitting for the full count on several occasions.

Hudkins rocked Tendler with a right to the jaw in the seventh round for a count of eight but the Philadelphia came and managed to hold on. Ace slipped a savage left to the head in the ninth that nearly hit Tendler through the ropes. Lefty Lew staggered and was sinking slowly under his opponent's hard punches when the count came to his rescue.

Tendler groggily made for a neutral corner under the belief that it was his own. In the tenth round Tendler wearily defended himself against a merciless hail of blows from his youthful rival. Although the old timer was noticeably outclassed, some 12,000 fans boomed the judges' verdict and Hudkins with the venerable Tendler, who has been boxing for more than a dozen years, received the applause.

Less than a year ago, Tendler lost a decision to Hudkins in Los Angeles, the Nebraska's victory last night moved him into an elimination round against Sergeant Sammy Baker to determine who will challenge Joe Dundee for the welterweight championship in March. The Baker-Hudkins bout is down for Feb. 17 at the Garden.

Hudkins, weighed 145 1/2, and Tendler 151 pounds.

## Delaney, Levinsky Battle Arranged

NEW YORK, Jan. 21 (AP)—Jack Delaney, the "trailer of the North" will meet Battling Levinsky at Pittsburgh next Friday night as the next step in his drive for the heavyweight championship.

Joe Jacobs, the bridgeporter's manager, announced today.

In his quest for Tunney's crown, Delaney has considered three kayoes, over Paul Berlebach, Sully Montgomery and Jack Humbuck, respectively, the latter coming last night when the referee stopped the fight in the sixth round to save Humbuck from further punishment.

## Flynn To Remain Dempsey's Manager

NEW YORK, Jan. 21 (AP)—Leo J. Flynn, who conditioned Jack Dempsey for his two ring battles last year, expects to continue in the role of pilot of the former heavyweight champion in the event he dons the gloves again.

Flynn made the announcement here upon receipt of a letter from Dempsey who is on the coast.

Flynn expressed the belief that Dempsey would fight only once this year and that would be against Gene Tunney.

## WOMEN SLAVES

LONDON—There are three or four million slaves left in the world to be freed if Lady Kathleen Simon is informed correctly. These are in Abyssinia and China, she said in a plea at a showing of the film "Uncle Tom's Cabin."

## CO-EDS REBEL

NEW YORK—Coeds at Columbia are rebelling against the fad of Dutch treats prevalent there. Nine of them have formed a club on the fundamental principle that a coed's purse shall remain closed when she is in a man's company.

## CHAMP OF NAVY

You can't always tell. Just because a man is using flowery language is no sign he is handing out bouquets.

You might think K. C. Watkins, shown here, was merely a walking advertisement for an expert tattoo artist. But Watkins, who hails from Plains, Tex., is an athlete of note in the United States navy, where he holds the middleweight wrestling championship.

## WALLOPING WELTERS MATCHED UP Idaho Vandals Lose To Oregon State 31 to 28

Looks like something will have to give way at San Francisco on the night of Jan. 31, for the new-hatched hitting welterweights in the country are matched for 10 rounds or less. Eddie (Kayo) Roberts (above), Tacoma, who upset the pugilistic world by slugging Johnny Dundee in a round here shortly before Dundee won the world title, is matched with Sergeant Sammy Baker, who battered Ace Hudkins today in a few rounds in New York, and stopped Jimmy Haffey here in five rounds. If the big State Army of San Francisco is opened to fighting, this will be the first show otherwise the big match will be held at the baseball park.

Hey diddle, diddle, the cat and the fiddle. Monarch jumped over the moon. It makes some feel little to hear Pratt and the fiddle. Toot off the old-time tune.

We don't mean maybe—Monarch is the very best paint manufactured in America. You don't have to take our word for it—come down and see for yourself. My school teacher used to tell me that when I heard anything it would go in one ear and could have room to go out the other but if I saw it, as there is no hole in the back of my head, it would probably stay. Come down and let us demonstrate what Monarch is made of and show you with common ordinary horse sense how you have been having the wood pulled over your eyes and helping to make the factory some money.

Royal coal is selling fine. We have an awful fire and not very much time, so good-bye.

PARIS (AP)—Glass ships, silver sails and two jeweled masts are the rage of society.

The latest fad ornament is a diamond outlined sailboat with a matching pin meant to be worn at shoulder or belt.

Some of the new black satin frocks have ships embroidered on them.

Ship motifs on stationery and table linen are also considered the designer's art just now.
