COLDS

Grippe and Flu

Any cold may end in grippe or flu. Take prompt action. Take HILL'S as once. HILL'S breaks a cold in 24 hours. Because it does the four necessary things at once: Stops the cold, checks the fever, opens the bowels, tones the system. Colds rarely develop if HILL'S is on hand to check them at the start. They stop quickly when HILL'S is taken later. Be sure! Get HILL'S in the red box. 25 cents.

Wool Report
BOSTON, Feb. 10 (AP) — The Commercial Bulletin tomorrow will say: "Several large sales of fine and fine medium wools of the New Mexico and Colorado types have been counted for a very decent volume of business in the wool market this week. Mediums are getting in very limited supply. Prices are against the buyer in all markets of the world 1/2 cent to five per cent for the week."

"All foreign primary markets are against the buyer and frequently dearer, with keen competition from all quarters and good clearances effected. In the domestic primary markets a strong tone prevails and it is estimated that close to 100,000,000 pounds of range wools have been transacted."

"The manufacturing position appears somewhat improved. Spinners and combers report a freer market and possibility of securing more money for their products."

"Mohair is quiet with supplies tight and prices firm."

The Commercial Bulletin will publish the following wool quotations tomorrow:

Soured basis: Oregon, fine and P. M. staple, \$1.15 to \$1.20; fine and P. M. clothing, \$1.10 to \$1.15; No. 1, \$1.10 to \$1.15.

Mohair: Original bag average 12 months, Oregon, 55 to 60c; graded stock, first combing 72 to 80c; good carding, \$1.10 to \$1.15.
