This week's schedule:

Monday—Washington vs. Montana, at Missoula; Stanford vs. Southern California, at Los Angeles.

Tuesday—Stanford vs. Southern California, at Los Angeles.

Wednesday—Washington State vs. Idaho, at Moscow (postponed).

Saturday—Oregon vs. Idaho, at Moscow; Oregon Aggies vs. Washington, at Seattle.

PORTLAND, Ore., Feb. 12 (AP)—With only two more weeks of play remaining on the Pacific coast conference basketball schedule, University of Washington seems destined to carry off the title in the northern division, while Southern California appears to have the edge in the southern section.

When Oregon unexpectedly upset Oregon State at Corvallis Saturday, 24 to 22, it virtually eliminated the Aggies as a conference contender and did not help Oregon materially as they already have lost two games. Washington continued its fast pace and downed Idaho at Moscow, 34 to 26. To lose, Washington must drop two of their remaining three games. One of these is with Oregon and one with Oregon State. Oregon plays Idaho at Moscow Saturday while the Sisters are meeting the Huskies at Seattle.

OREGON WINS

CORVALLIS (By The Associated Press)—Rallying desperately in the second half the Oregon Aggies tied the score three times and kept fans in agitation only to lose in the end to the University of Oregon quintet here last night 24 to 22. In the lead 15 to 10 at the half, Oregon failed to stem the determined Orange-men, who pushed forward to tie the count within a few minutes.

A field goal by Milligan, Oregon, drew first blood. Then Oregon started a crushing offensive that piled up the total. At one time the Green held a 12 to 4 lead, but a sudden rally ran the Oregon Aggie count up to 10 at half time.

Welters To Fight In Frisco Tonight

SAN FRANCISCO, Feb. 12 (AP)—Two of the Pacific coast's premier welterweights engaged in their third meeting here tonight when Young Jack Thompson, Los Angeles and Young Corbett, Fresno southpaw, clash in the ten-round main event of the first boxing card in the new state armory arena. Corbett holds a decision over Thompson and has also battled to a draw with him, but the latter on the basis of his recent form, has been installed a 10 to 6 favorite.

Speedy Dado, of Manila, and Delos (Kid) Williams, of New Orleans, flyweights, meet in the ten-round semi-slasher.

Tavener Claims Finger Okay

If there is any doubt as to his ability to grip a baseball, these photographs of Jack Tavener should be convincing proof that his hand is okay now. The larger photograph shows the Detroit shortstop gripping the ball, while the top panel shows his finger before it was doctored into shape and the lower panel as it is now.

McDonald Smith Wins Golf Title With Score, 283

HOT SPRINGS, Ark., Feb. 12 (AP)—McDonald Smith, Great Neck, L. I. pro, today had employed four of his characteristic successive low rounds to acquire a new title, the southern central open—which he took yesterday with an aggregate of 283.

Five strokes below par for the 72-hole distance, Mac was but two strokes in front of Frank Walsh, Appleton, Wis., and Al Spinosa, Chicago, who split second and third place money with 285 apiece. Tommy Armour, national open title holder, tied for the next place with Henry Cotsri, Bridgeport, Conn., and Leonard Schmaltz of Lima, Ohio.

The trio made 288 each.

Bobby Cruickshank, who successfully defended his title, had 291.

Prize money totalling $1,000 was distributed.

Seventy-five per cent of the prohibition agents fell down on civil service exams, according to a dispatch. Evidently Uncle Sam wants them to be able to both raid and write.

TIPS FOR TAXPAYERS

No. 1

Forms for filing returns of individual income now are available. Copies will be sent to taxpayers by collectors of internal revenue. Failure to receive a form, however, does not relieve the taxpayer of his obligation to file a return and pay the tax within the period prescribed. Forms may be obtained at offices of the collectors of internal revenue and deputy collectors and will be forwarded upon request.

Persons whose net income for 1927 was derived chiefly from salaries or wages and was not in excess of $5000 should make their income-tax returns on Form 1040A.

Persons whose net income was derived from a profession or business, including farming, or from the sale of property or rent, though the amount was less than $5000, are required to use the longer form, 1040. The use of Form 1040 is required also in cases where the net income was in excess of $5000, regardless of whether from salary, business, profession, or other taxable sources.

NUGGET FOUND IN STREET

REDDING, Ca., Feb. 12. (AP)—A small gold nugget was picked up on a street here yesterday. The gold evidently had come from a considerable depth, miners here said, and had been swept onto the pavement by flood waters.

The nugget was said by residents to have been the first ever found here. Several worth from $2 to $12 were picked up in the old bank of Shasta.

Stars on Ice

Here are two Canadians now participating in the Olympic winter sports events at St. Moritz, who are certain to give the British Dominion a number of medals. At the top is Ross Robinson, a fine speed skater; below is Leonard Lehan, a ski-jumper.

FINLAND, NORWAY WIN AT ST. MORITZ

American entries in First Events in Winter Olympics Are Beaten

ST. MORITZ, Switzerland, Feb. 12 (AP)—In a blinding storm and with the ice track under a half inch of snow, Finland and Norway divided opening honors in the Olympic speed skating contests today.

Hjalmar Evensen, of Norway and Clas Thunberg, of Finland, tied for first place in the 500-meter race, in which the chief American hope, O'Neil Farrell, of Chicago, finished in another deadlock for third place.

The event was won in the last Olympics by an American, Charles Jewtraw, who did not defend his title.

Evensen and Thunberg, who have skated in the United States, each covered the distance in 42 4-10 seconds considered remarkable time under the adverse racing conditions.

Farrell who was strongly backed to win by the American contingent was timed in 42 6-10 seconds.

America's first performance in the 1500-meter race was far from impressive when Murphy was timed in 3 minutes 10 2-10 seconds nearly 40 seconds behind the Olympic record.

Ivar Ballangrud, of Norway, jumped into the lead in this event when he covered the course in 3:10 1-10.
