BELANGER IS VICTORIOUS IN PORTLAND GO

PORTLAND, Ore., Feb. 14 (AP)—Itting craft and experience overcome youth and punch in the last half of last night's main event boxing card when Charley Belanger, light heavyweight champion of Canada won from Bob Mariels Portland. It was a battle, however, until Belanger found Mariels' weak spots in the fourth round when he battered Mariels into helplessness, and the referee stopped the bout.

Joe Marcus in the other main event, won the unanimous decision over Johnny Woods clever, hard hitting Seattle lad, at the end of their ten-round contest.

The curtain-raiser furnished the thrill of the evening when Young Villa, of the Philippines, knocked Art Thiry down twice and Thiry retaliated with three knock-downs, winning by a split.

Bob McIntyre, of Salem, and Les Johnson went four torrid rounds to a draw. Russell Wayne won a four-round, welterweight bout from Eddie Dugan in another good contest.

Union Girls Win But Boys Lose To Wallowa High

UNION, Feb. 15 (Special)—Two basketball games on the Ionigyn floor ended the week's schedule for the Maroon and White teams. The double header was played Saturday night with two Wallowa county teams and resulted to one victory and one defeat. At eight o'clock the Enterprise girls battled with the Union sextet in a closely played game, with the local aggregation maintaining slight lead during most of the four quarters. The final score was Union 24, Enterprise 23.

Miss Schaefer started the game with Vivian Smith and Veta Weaver as forwards, Vivian Jory jumping center, Alice Gaudier running center, and Jane Smith and Winifred Halsey as guards. In the last quarter Valla Geertsen replaced Jane Smith as guard. Enterprise also made a few substitutions during the game.

Wallowa Wins
The second contest was a return game with the Wallowa team and although the Union boys were up against a team of larger players and were fagged out from the Friday night game, local fans were well satisfied with the battle they fought with the score showing a balance against them all the time. Wallowa has a good team and one that will make a high showing in the tournament. The final score was 22 to 12. Adrian Good, head of Union, refereed both games.

Following the games the visitors were served a lunch in the high school building by members of the boys' club of the Union High school.

Legion to Back Sandlot Baseball Over the Nation

CHICAGO, Feb. 15 (AP)—Sandlot baseball, suffering from the rapid inroads of golf and other sports, is to be stimulated by the American Legion, backed by financial and moral support from the major leagues.

Recognizing the need for more action on the baseball diamond and certain that some of the best talent among American youth is never found, the American and National leagues have voted to guarantee \$50,000 toward developing the American Legion's plan to bring 100,000 American youths into baseball competition each year through state, regional and national tournaments.

Under the legion's plan, the United States will be divided into an eastern and western division. Each of these major divisions will be divided into ten smaller ones with several states in each group. The state champions will meet in elimination games, a regional tournament and the winners of each major division will meet annually for the national championship in a "little world series." Boys under 17 years will be eligible to play and the first series will be held this summer. The national champions will be guests at the major world series.

Washington, Oregon, Idaho and Montana comprise division number one.

Brianse, 20, of Port Klamath, finished in 7 hours and 20 minutes. The day before Miss Billy Gray had set a record for the trip in 9 hours and 15 minutes.

Billiard Game Has a Czar to Operate It Now

By Mason F. Taylor
(Associated Press Sports Writer)
CHICAGO (AP)—Billiards now has its czar like baseball and the movies.

The one-wielder "Lands" is Dr. Ralph H. Wheeler, well known Chicago surgeon, who is president of the National Billiards Association.

Under his authority, the association will take over supervision of all professional billiards matches beginning with the national pocket billiards tournament here March 2-17.

The impetus for the new regime in billiards came from the leading pros themselves, 31 of whom signed a petition to the N. B. A. to take away from commercial interests the promotion of professional billiards matches.

Wesley Cochran, 18.2 billiards champion; Otto Reiser, three-cushion title holder; and Frank Taborski, pocket billiards champion, headed the list of signers.

Taborski will be first to defend his crown under the new state of affairs, participating in the March competition. The N. B. A. tournament committee is choosing as his opponents the ten leading players of the last season. Ralph Greenleaf was winner of the title in last year's tournament and, through challenge matches, Taborski succeeded to the honor. The latter has defended his title twice in challenge matches and faces a tournament for the championship for the first time.

According to the petition of the pros, the competitive championship conditions of the past have not always been satisfactory. They say the game has lacked that independence of action necessary if it is to advance along with other sports, which long ago divorced themselves from commercial dominance and formed their own organizations to act as governing bodies and conduct the big championship meets.

Board Throws Out 10,000-Metre Race

ST. MORITZ, Feb. 15 (AP)—The executive committee of the international Olympic committee today decided to throw out the 10,000-metre race, held yesterday, from the Olympic records, citing the results thus far obtained and to re-run the race if the weather grows colder.

A general thaw accompanied by a warm rain and extremely high temperatures brought postponement of the entire program of the winter Olympic games scheduled for today.

The committee has under consideration the re-arrangement of schedule which must be made in order to finish the games on Sunday.

pipe smokers:

Here's your "furbest North" for cool smoking!

AND right away, here's why: Because Granger is made from quality tobacco, naturally cool-burning—and then it's "Rough Cut." Not granulated into fast-burning chips, but—cut in big, slow-burning shaggy flakes, the one way pipe tobacco should be cut.

Everything a pipe tobacco should be, in good taste and quality; and above everything else—cool! Men, thousands of 'em, from bankers to bakers, from Bangor to Bakersfield, tell us that Granger is the smoothest, coolest smoke that ever rolled over a pipe-lover's tongue.

GRADING CAUSES SUICIDE

VIENNA, Feb. 15 (AP)—The tragic way in which many Austrian boys and girls take their school books has been exemplified in reports over the weekend. At the closing of the school terms this week, one boy committed suicide, two attempted suicide, two were picked up while running away from home and seven are missing.
