Defeated Nyssa by a 27 to 13 count and marked up their fifth straight win during the tournament, which ended Saturday after three days' play.

The win gave the Ontario lads the right to enter the Eastern Oregon district tournament to be held at Union this week. Huffman, star forward for the victors, captured high-point honors for the tournament with 67 checked to his credit. Cox, Ontario forward, was second with 42 markers. The two mates tied for individual scoring honors Saturday night, each with 23 points.

Unusually close guarding characterized Saturday night's contest and Nyssa found itself unable to score a field goal during the first half. In a preliminary go, a consolation affair, Yale drubbed the Burns five, 28 to 11. Approximately 400 attended Saturday night's contest.

Giant Godfrey And Uzcudun To Fight Tomorrow

LOS ANGELES, Feb. 27 (AP)—Few expect the battle of the heavyweights here tomorrow night to go the full ten rounds, for both Paolino Uzcudun, the Basque and George Godfrey, big negro, possess records bristling with knockout victories.

Godfrey, called the gootath of the fight ring because of his huge stature, has used his heavy clubbing style of punching to send 55 out of 48 opponents to knockout oblivion. The wood chopper of the Pyrenees on the other hand stopped 25 adversaries in 26 battles.

The year of 1927 was a procession of triumphs for Godfrey. He knocked out 12 opponents, among them Jimmy Maloney, in one round, Monte Munn, in four, and Jack Hoper twice, the first time in nine rounds and the second in six.

Paolino's Record

Paolino made his American debut last year, and won nine of his starts, lost two and drew in the other. His record for 1927 is far better, from the standpoint of formidable opposition than Godfrey's.

Knute Hansen he decided in ten rounds; Harry Wills was

He was reported today as weighing 235 pounds, about 40 pounds more than Paolino.

Making Your Choice Between Spending and Saving

The only difficult thing about accumulating a reasonable amount of wealth by the time old age is reached is making the choice between spending and saving.

Anyone can spend money and there are very few people who wouldn't like to have all the comfortable and enjoyable things money will buy. The difficult thing is in deciding that an income-producing estate is more desirable than the temporary pleasure you might get out of spending the money for other things—and carrying out that decision.

No matter how small or how great your income may be, there can and should be a margin between what you receive and what you spend. That margin, if put to work earning more money, will grow and afford you far more satisfaction than the possession of things it might buy.

The four per cent interest earned by your saving account here provides a safe, attractive investment. The friendly, experienced counsel of this bank is always at your service.
