By Alan J. Gould  
(Associated Press Sports Editor)  
NEW YORK (AP)—Harvard, minus the aid of her crack sprinter, Al Miller, will have anything but an easy time trying to make it three straight in the Intercollegiate A. A. A. indoor track and field indoor championships here March 3.

Miller is the only 1927 indoor titleholder who will be missing from the meet in the 1928 Regime Army, where Yale, Cornell, Penn State, Dartmouth and Georgetown are expected to form the chief rivalry for the Crimson champions.

It was a four-cornered title battle last year in which Harvard emerged triumphant by narrow margins over Yale, Cornell and Penn State, which finished in that order. The Crimson has eight of its eleven 1927 point-winners available again, but has lost Red Haggerty, distance runner, as well as Miller—two athletes who were responsible for nine points. There will be a few outstanding favorites to repeat 1927 individual triumphs, among them Sabin Carr of Yale in the pole vault, Bill Cox of Penn State in the mile, and Monty Wells of Dartmouth in the hurdles but otherwise it looks like a wide open field.

Even Carr may have his trouble. The great Ell vanilder did not gain a clear title last year, being forced to share first place with Steve Bradley of Princeton only a few weeks after he had set the world's indoor mark of 13 feet, 9 3/4 inches. Georgetown winner of the championship with its great 1925 team and sixth last year, may stage a come-back. The Hilltoppers have an array strengthened by additions from a fine freshman team of last year, including the national indoor sprint champion, Karl Wildermuth. The relays, as usual, promise

## Sought Eagerly by Majors

**BRUCE CALDWELL**

Here's Bruce Caldwell, the Yale athlete whose services as a baseball player are being sought by several major league clubs. Caldwell, reputed to be one of the wickedest hitters ever to play on a college team, has refused to consider any offer until he graduates this summer, but is said to be favorably inclined toward joining the New York Yankees.

## Delaney, Heeney Meet Tonight in Critical Match

NEW YORK, Mar. 1 (AP)—Jack Delaney of Bridgeport, Conn., and Tom Heeney of New Zealand move into the first part of Tex Rickard's new heavyweight elimination series in a 15-round bout at Madison Square Garden tonight. The winner probably will be accorded recognition as the next challenger of Champion Gene Tunney.

When the boxers enter the ring, they will be rated equally to take the victory despite Heeney's advantage of some 20 pounds over Delaney. In doping out the results for this fight, the majority of ring critics have straddled the fence. Many observers feel that Delaney must knock out Heeney within the first six or seven rounds if he is to win. The New Zealander is considered a rugged boxer of the plugging type who absorbs plenty of punishment for the sake of wearing down his opponent. Heeney has never been counted out. Delaney scales about 175 pounds to about 195 for his opponent.

## SACRED HEART GIRLS' TEAM IS VICTORIOUS

The Sacred Heart academy girls' basketball team has had a successful season so far this year, with two wins from the Baker team, the St. Francis Academy sextette. The Baker team played here several weeks ago and lost by a large margin. Last Sunday the La Grande team went to Baker where they won by a score of 18-5. Those who played in the Baker game follow: Helen Newlin and Hazel Grazer, forwards; Verona Stoop and Jimmie Thompson, centers; Frances Comstock and Virgie McWilliams, guards. The squad has been practicing regularly throughout the season and has had several interesting games with local teams, including the alumni girls' team.

You can now poppy, larkspur and bachelor buttons send any day the snow is off the ground with good results.

## Ted Thye Is Victor Over Mr. Kauffman

PORTLAND, Ore., Mar. 1 (AP)—Ted Thye's weird, famous wristlock was in evidence last night in his wrestling match with Clete Kauffman of Columbus, Ohio. Thye took the first fall in 35 minutes 5 seconds when he forced Kauffman to give in to a double wristlock, and then came back and took the second and deciding fall in one minute five seconds. It was while Kauffman was disputing with the referee over his decision in ordering the wrestlers to break and take the center of the ring when Kauffman had Thye in the first stages of a double step over, that Thye clamped on his heel hold. Thye rolled to the edge of the mat before Kauffman could put on the finishing touch of his hold. Kauffman's left arm was useless after the first fall. In the preliminary Ray Lyness took one fall and decision from Sailor Pete.

## Strangler Lewis Pins Malcewicz In Kansas City

KANSAS CITY, Mar. 1 (AP)—For the second time in two years Joe Malcewicz, Utica panther, has lost to Ed (Strangler) Lewis, heavyweight wrestling champion, before either had won more than one fall in a scheduled finish match. Malcewicz forfeited his match to Lewis here last night when he was unable to continue after the Strangler took the first fall with a headlock in one hour and fifty minutes. The Utica grappler claimed to have suffered a torn ligament in the left shoulder. Malcewicz escaped from three headlocks, but after his shoulders were pinned to the mat with a fourth headlock, he was carried to his corner, apparently in a daze.

plenty of thrills with Syracuse, Georgetown and Holy Cross likely to make it especially exciting in the one-mile test. With the great negro half-mile, Phil Edwards, an anchor man, New York University, in the two-mile relay, has a good chance to hang up its first victory in the championships since they were started in 1922.

## LLOYD HAHN WINS MILE OF CENTURY

Defeats Ray Conger and Dr. Otto Peltzer—Time 4 Minutes 12 Seconds

NEW YORK, Mar. 1 (AP)—Lloyd Hahn has added the "mile of the century" to his long string of triumphs on the boards (his winter). The short-stepping Boston flier ran Ray Conger, of the Illinois A. C. and Dr. Otto Peltzer, German champion, into the ground in the international mile, feature of the Knights of Columbus meet last night, but failed by a full second to equal the world's indoor record for the distance. His time was 4 minutes 12 seconds, the fastest mile of the season. Hahn's failure to realize his ambition to break the indoor record for the mile of 4:12, held jointly by Paavo Nurmi and Jole Ray, was due chiefly to the fact that he was forced to make own pace the whole way. Taking the lead with the gun, he pounded away steadily at a pace his rivals did not care to follow. For six laps the three runners hung closely together, with Conger second and Peltzer third. At this stage Hahn began to draw away. At the close of the ninth lap, Hahn flashed a spurt that carried him to the tape 25 yards in front of Conger, while the Teuton champion, exhausted, joggled into the finish line.

I am trying to do two or three things at a time. I am hunting a key for a postoffice box, breathing dust from the office sweeper, I am trying to entertain a customer to keep him from leaving and at the same time I am anxious to tell you about the 100 per cent pure Mincewicz paint. It is entirely free from adulteration. It has no sand, and yet it is better than some people wish sand. Our wallpaper is selling good. The quality is not only wonderful but the price is marvelous. We wouldn't even be afraid if there was a mail order house next door to us. In fact, I think it would help our business, as people then could compare the prices, and we would sell more wallpaper. Tell your mother that we still have some of that lawn fencing left and the price is more than right. It is about half of what you could buy it for any place else. There is one new John Deere walking plow here that we will sell it at a great discount. Our sash factory is running and turning out first-class work. We make cut-up porch windows, cottage windows, basement sash and chicken house windows.
