CONSOLIDATE!

ENTIRE SURPLUS STOCK MUST GO!

THE PRESENT!

The consolidation of these two stores leaves us with a huge surplus stock on hand. The lease in the Oregon Hardware room expires soon—remodeling must be done in the F. L. Lilly room—we have no alternative—all surplus stock must go, regardless of cost.

SELLING

THE FUTURE!

This consolidation of the Oregon Hardware and F. L. Lilly will operate as the W. K. Gilbert Company in the room now occupied by F. L. Lilly. The building will be remodeled, redecorated and new fixtures installed. After this work is completed the new firm will be able to offer you the best of service and merchandise.
