RISKO GETS NOD IN SHARKEY TILT

Cleveland Baker Boy and Tom Heeney Stand Out as Tunney Challengers

By Edward J. Neil
(Associated Press Sports Writer)
NEW YORK, Mar. 13 (AP)—Whatever "logic" there was in Tex Rickard's campaign to produce a logical contender for Gene Tunney's title was swept out of Madison Square Garden today by the cleaners along with what ever hopes Jack Sharkey had of some time ruling the crowning heights of pugilism.
Theoretically, Johnny Risko, the pudgy Austrian baker of Cleveland, stands out today as the foremost challenger for the title, the big marine won and defended in two battles with Jack Dempsey. Almost on a par with Risko stands "Honest Tom" Heeney, the plugging blacksmith of New Zealand.
But there isn't an ounce of the color the promoting impresario has sought industrially in either Risko or Heeney. The baker boy whipped Sharkey decisively in 15 rounds last night in mixing before the smallest crowd that ever saw an important heavyweight match here. Risko's victory over Sharkey was a most uninteresting brawl that merely dragged everybody concerned into mediocrity.

Strong Left Hook
From the opening round, the round shock absorber, a veritable balloon-like of a man, leaped and plunged into Sharkey, belaboring him constantly with a left hook to the body that curled up from his heels. The Boston sailor-man boxed his rival and still the left hook zoomed out of nowhere to smack into the mark. Sharkey worked in close to evade the punch, grabbed the left arm, nailed both elbows to his ribs and tried every defensive trick of the game but still the left hooking went on.
In the end, that left hook, the sole real offensive that Risko carried, won nine of the fifteen rounds. The short right flush to the heart, Sharkey's best punch, coupled with a left hook, won six heats for the Boston man, who just a year ago was considered the greatest of the younger heavyweights.

MARATHONERS IN ARIZONA TODAY

Newton Is Leading Pack—Seattle Negro Third In Elapsed Time

By Russell J. Newland
(Associated Press Sports Writer)
GAYMAN, Ariz., Mar. 13 (AP)—The rugged black mountains of Arizona stood today as a barrier before the hundred-odd runners and walkers facing the tenth lap of the 3400-mile marathon from Los Angeles to New York City.
A hard packed dirt highway, winding through the range, rose to an elevation of 3500 feet at the summit. From there it dropped to 2400 feet and rose again to 3300 feet. Kinman, 28.5 miles distant, was the destination today of the throng that swung off March 4 on the long trek to the eastern coast.
Some six hours advantage was held by Arthur Newton, the Sun-browned entrant from Rhodesia, South Africa. In total running time for the 316.9 miles covered since the race got under way, his elapsed time was 49 hours and 30 minutes.
Edgar Gardner, Seattle negro hooper, finished second in yesterday's stretch in the time of 5:02:29. Leaders in elapsed time for the 316.9 miles to date were as follows:
Arthur Newton, Rhodesia, South Africa, 48:30:00.
Andrew Payne, Claremore Okla., 55:19:02.
Ed Gardner, Seattle, 55:33:36.
Arne Souminen, Detroit, 56:48:50.
John Cronick, Saskatoon, Sask., Canada, 57:38:55.
Some of the other finishers and their times were:
John E. Pederson, Spokane, seventy-second, elapsed 58:12:02.
Alan D. Courier, Grants Pass, Ore., forty-sixth, elapsed 71:44:25.

As spring practice gets under way, some coaches do not even permit photographing of their new candidates for four some player will get too much publicity and then prove a flop.
The policy of Bob Zuppke at Illinois, who won the Big Ten championship last fall with a "starless" team, has spread through the conference until other coaches are adopting the same attitudes.

"JOHN D." AFTER A KINDLY WINTER

John D. Rockefeller seems more and more endowed with splendid health, alertness, and kindly contentment as the years roll on. Witness this fine new photograph of him, just taken in his Ormond Beach, Fla., winter home. Rockefeller was 88 last July.

Still, there are plenty of empty shoes for the freshmen to try on this spring. Oosterban, Gilbert and Co., have gone out of business at Michigan. The incomparable Herb Joesting, at Minnesota, will join the alumni rooting section. "Tiny" Lewis at Northwestern and "Cotton" Wilcox at Purdue will give way to others.
The spring football season at Illinois opened in mid-February. Minnesota began work soon after in its vast new field house. Coach Hanley called his Northwestern athletes for March 1, but Michigan put off the spring program of fundamentals until April.
Few of the brilliant all-around squad at Illinois will be lost by graduation this spring, but the other leaders, Michigan and Minnesota, were hard hit. Michigan's greatest strength for the coming campaign will be in those carried over from 1927, who were not far behind the regulars in ability. Doc Speers of Minnesota likewise has salvaged from the old Gopher machine many valuable parts, but he must piece together a crew that can stand the buffeting of six conference games, an unusual schedule in the Big Ten.
Coach Stagg of Chicago also is favored with prospective availability of most of his 1927 squad, his greatest losses being Ken Rouse, an outstanding center, and Johnny McDonough, picked as a Rhodes scholar.
The experience of Jimmy Phelan, Purdue coach, in introducing Ralph Welch to the conference has helped to make the coaches even more secretive. Phelan had planned to save up the Texas wonder and spring him on Purdue's first conference foe. On the eve of the Purdue-Harvard battle, Capt. "Cotton" Wilcox broke his ankle, and Welch had to be used. The way Welch ran wild against the Crimson made him a marked man in every conference game and Phelan's surprise was spoiled.
Even the spring training at Iowa is under the vigilant gaze of the alumni, some of whom have been seeking the scalp of Coach Burt Ingwersen.
The faculty athletic committee determined that Ingwersen should
