WILD SPECULATION IN STREET TODAY

Total Sales Near Four Million Mark—Radio Up to 158 at Close

NEW YORK, March 13 (AP)—Wild speculation in pool specialties was resumed in today's stock market as stock exchange authorities began an investigation into reports of all alleged "technical" corner in radio. "Bear" traders, thrown into a panic by the recent sensational advances in General Motors and Radio hastened to cover their positions in other stocks, a score of which advanced 3 to 10 points, in tumultous trading. Total sales had crossed the 2,5000,000 share mark at 1 p. m. with indications that the day's total would break all previous records.

The closing was strong. Radio got up to 158 again in the last hour. General Electric and General Asphalt were up five, American International 9 and American Linseed 12. Some blocks of Independent motors were turned over, including 10,000 Chrysler, coincident with a hulge in General Motors to 158. Total sales were near the 4,000,000 mark.

Winter's Colds and Chills
Throw Heavy Burdens on the Kidneys.

COLDS put extra burdens on our kidneys. When the kidneys slow up, waste impurities are apt to make one tired and achy with headaches, dizziness and often nagging backache. A common warning is too frequent, scanty or burning secretions.

Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and aid in the elimination of waste impurities. Are endorsed by users everywhere. *Ask your neighbor!*

50,000 Users Endorse Doan's:

Harry T. Buchan, 307 S. Main St., Pendleton, Ore., says: "Years of hard work affected my kidneys and my back became lame. When I tried to lift, a severe pain darted through my back and I could hardly straighten. I had to get up at night to pass the kidney secretions. Two boxes of Doan's Pills rid me of the pain and regulated the action of my kidneys."

All Grades Of Butter Quoted Higher in Mart

PORTLAND, March 13 (AP)—All grades of butter were quoted higher on local wholesale markets reflecting reported shortages in other coast markets and all around cleanup here yesterday. Standards advanced a cent to 44½c, while other grades went up half a cent. Shipping demand is good today and indications are that present prices will hold firm.

Egg prices were easier today, with standard firsts and medium extras both a cent lower at 21c per dozen. Other grades are unchanged. Receipts of eggs yesterday were reported around 1,000 cases, of which about 650 cases went to swell storage holdings to 4,999 cases.

Demand for hogs and veal was somewhat better on the country dressed meat market but receipts continue light and a slightly firmer undertone prevails in the market.

Trading in poultry was rather light today but all classes were fairly well cleaned up due to unusually light receipts. Prices were steady and unchanged.

Quotations on most kinds of seasonal vegetables are lower on local wholesale markets with Oregon cauliflower 75c@$1.25 per crate.

Onion prices appear to have steadied down with sales to retailers averaging close to $4 per cwt. for No. 1 stock. In growing districts buyers were paying around $3 and sacks, but movement is considerably below last week.

Potato prices are firm, U.S. No. 1 grades bringing about $2 per hundred weight. Growers are netting in the neighborhood of $1.25 in addition to sacks and hauling.

Wheat Closes Firm And Somewhat Up

CHICAGO, March 13 (AP)—Opening at ⅛ to ¼c advance, wheat later showed some additional gain. Corn, oats and provisions were also firmer, corn starting ¼c to ⅜c up, and subsequently hardening a little more.

Wheat closed firm ⅝@1⅝c net higher, corn at ½c decline to ⅝c advance, oats ⅛@¼c to 1¼c up, and provisions varying from 2c off to a rise of 7c.
