A rich mingling of many flavors

— now pleasing more people than any other coffee ever offered for sale

COFFEE blended with coffee, patiently and skillfully—taste joined with taste! Uncounted natural flavors to try out—to combine and recombine! "Winy" coffee from Abyssinia, sharply "acid" coffee from Costa Rica, syrupy rich coffee from Sumatra! Hundreds of different kinds and grades from many distant lands. But each one lacking in something.

It was a flavor no one had ever tasted—a special shade of smooth richness that Joel Cheek created years ago in the old South.

Among the great families of Dixie, the news of his rich mingling of flavors—of that extra touch of mellow goodness in Maxwell House Coffee—spread rapidly.

Today his blend has won such fame as never before came to a coffee. It is the first ever to please the critical men and women throughout the entire United States.

In that shade of difference—in the full-bodied smooth liquor of this blend—you and your family will find new contentment. Your first breath of its rich fragrance will tell you why Maxwell House Coffee has swiftly become so famous. Grocers have it in sealed, blue tins.
