Piano Students Give Recital In Sacajawea Inn

About 50 persons, parents and invited friends, gathered in the social hall of the Sacajawea Inn yesterday afternoon at 4 o'clock when Mrs. R. G. McCall, piano teacher, presented a group of students in recital there.

The program was one of interest throughout, 16 pupils playing and each performing in a most capable manner.

Those taking part in the program were Lois Jean Davis, Evelyn Piper, Robert Burns, Evelyn Ballard, Helen Sargent, Dorothy Pierce, Dorothy Gattins, Rose and Marie Harris, Ruth Merritt, Ralph Plumber, Marjorie Gore, Ella Engle, Mary Bantz, Babe Bantz and Phyllis Peterson.

Thirty-eight girls attended the regular meeting of La Grande assembly No. 13, Order of Rainbow for Girls Saturday evening at the Masonic lodge rooms. There was a business session during the first part of the meeting when the trip to Baker, when the La Grande Rainbow order will put on the initiatory work for the Baker Order of Eastern Star, was discussed. The date for the trip has not yet been set.

Plans were also discussed for the next meeting of the assembly, which will be a social meeting honoring the Rainbow members who will graduate from the La Grande high school this spring. This meeting will be April 14, and a special program will be given at that time. The "Rainbow History" meeting, which will be Saturday evening, April 28, was also discussed. This will be one of the biggest of the year. There will be initiation and a program.

Several visiting Eastern Star members were present for Saturday night's meeting, among them being Miss Edith Ebell, a University of Oregon student, who was home for the spring vacation. She gave a short talk during the evening.

Miss Jane Ravenscroft was chairman for the meeting, and an interesting program was given, including a vocal solo by Miss Ava Williams, accompanied by Miss Mildred Bradshaw, a piano solo played by Miss Edna Towery, a violin solo by Miss Margaret Miller, accompanied by Miss Towery, at the piano, a reading by Miss Mary Vaughn Hendrickson, and a piano solo by Miss Ruth McAllister.

Refreshments were served by the hostess committee, headed by Miss Catherine Humphreys, before adjournment. Mr. and Mrs. C. M. Humphreys assisted with this feature of the meeting. Mr. Humphreys is a member of the Rainbow advisory board.

Miss Mildred Fox was elected advisor of the World Wide Guild of the First Baptist church Saturday afternoon when the regular meeting of the guild was held at the La Grande hotel. The meeting was called to order at about 4:30 o'clock by the president, Miss Jennie Dolbow, and was presided by a short meeting of the cabinet, which consisted of all past presidents of the guild.

During the business meeting the guild members made plans to send a filled school bag to a little girl in Mexico, and each girl was assigned an article to bring to the next meeting to put in the bag. The girls also made plans to assist with

the Easter services Sunday morning, April 8, at the church. Mrs. W. L. Devine, assistant counselor, and chairman of the house party fund, gave a report, after which the guild voted to hold a rummage sale sometime after Easter, the proceeds to go into the fund to defray expenses of girls attending the annual guild house party at McMinnville in July.

Reports were given by various committee chairmen, after which plans were discussed for the next meeting of the guild, Saturday, April 23, when Miss Louise Hundrup will speak. Committees were appointed for the meeting.

Miss Cornelia Hanson and Miss Mabel Schaefer, Watkinson college students, here for the spring vacation, spoke briefly.

Refreshments were served by the assistant guardian before adjournment.

In closing the meeting tribute was paid to the memory of Edna Whitland Taylor, a former member of the guild. There were about 20 girls present.

Union Women Will Furnish Program

Members of the La Grande Neighborhood club are looking forward to an interesting meeting tomorrow afternoon, when members of the Union Women's Improvement club will furnish the program. Mrs. Dora Meyers and Mrs. Frank Conner are chairmen for the afternoon, and a program of art and music has been announced.

The program will begin at 2:30 o'clock, and will be preceded by the regular business meeting of the club at 2 o'clock. Special request has been made that members be on time.

Headline the women of the Union club, the members of the Cove Community club will be guests at the meeting.

Cove (Special)—Three weddings for the first three days of the week have been the quota, all of the participants being of Cove's popular younger set, with the exception of one bride, of Imbler. On Monday, March 19, Vivian, the daughter of Mr. and Mrs. John Richards, of Cove, were united in marriage to Mrs. Emma Fisher, of Imbler. The happy couple have begun housekeeping here, where they will make their home. On Tuesday, March 20, at La Grande, Raymond Williams and Mrs. Nora Mervoy were married. They, too, have gone to housekeeping on a little fruit ranch north of town. Both Mr. and Mrs. Williams have made Cove their home since childhood. They are well known here and have the best wishes of the community. A pretty home wedding was solemnized at high noon on Wednesday, March 21, at the home of Mr. and Mrs. M. Loree, when their daughter, Miss, became the bride of Theodore McClain, son of Mrs. McClain, of Cove. The ceremony was read by the Rev. E. W. Green, of the Baptist church. The bride was dressed in pink crepe de chine and wore a corsage of sweetpeas. Only the immediate families were present. Mr. and Mrs. McClain will make their home at Cove.

Union (Special)—The regular meeting of the Missionary society

Matched

of the First Presbyterian church was held Friday afternoon at the home of Mrs. Walter Cook, with Mrs. W. P. Titus and Mrs. Frank Conner assisting as hostesses.

During the business session the following officers were elected for the ensuing year: Mrs. George Seibold, president; Mrs. Earl Davis, vice president; Mrs. Viola Parker, secretary, and Mrs. Walter Cook, treasurer.

Mrs. Seibold led in the devotional and Mrs. Parker had charge of the afternoon's program. The subject was "Japan," and Mrs. Parker gave a very interesting talk. Questions and answers regarding the lives, history and religion of the Japanese people were given each member on clever little cards which represented the flag of Japan.

Mrs. Seibold read the description of the six months' inspection tour of mission projects that Mrs. Charles W. Williams, of Portland, is now making in the foreign lands. Mrs. Williams is Pacific Northwest district secretary for the Presbyterian board of foreign missions. The women's double quartet sang several selections during the afternoon.

Refreshments were served by the hostess after the program.

F. S. Club Meets At Williams Home

Mrs. G. H. Williams was hostess to the F. S. club Saturday afternoon at her home at 128 Seventh street. Three tables of bridge were set at play during the afternoon and Mrs. Everett Keown made high score. The second prize went to Mrs. Elmo Clegg.

The rooms were prettily decorated in a color scheme of pink and yellow. Pink carnations were the flowers used. Favors were little Easter chickens.

The card games were followed by a two-course luncheon.

Union (Special)—"French Artists" was the subject for Thursday afternoon's meeting of the Woman's club, the program being presented by Mrs. Gerald Spencer and Mrs. Frank Conner. Mrs. Spencer gave the history of the French artist, Millet, and described two of his paintings, "Feeding Her Birds" and "The Man with the Hoe." Mrs. Conner read a sketch of the life of Carol, and displayed several of his paintings, among them being "Dawn, Dance of the Nymphs" and "High Wind." Two vocal solos, "A Brown Bird Singing" and "A Friend of Mine" were given by Mrs. Edith Pity.

Regular club business was transacted before the program, with Mrs. S. E. Miller, president, presiding. Mrs. Miller, who is also chairman of the building committee, reported that arrangements were completed for the new club house and that the contract had been given to William Baxter, manager of the building contractor in the school here. Cecil Griggs, agricultural teacher here, and his class will build the foundation and plan to start work at once. The building committee consists of Misses S. E. Miller, Fred Fox, Dora Meyers, Viola Parker, Roy Conklin, W. M. Dobbin, Walter Cook and J. P. Hutchinson.

A committee was appointed to have charge of a banquet which the club will furnish for the tri-county Masonic meeting to be held here Tuesday evening. Mrs. Walter Cook was appointed chairman. Mrs. T. T. Cook will have charge of the dining room and Mrs. Alex Slater will have charge of the kitchen. The soliciting committee includes Mrs. W. P. Titus, Mrs. Louise Burwell, Mrs. Roy Conklin and Mrs. Tom Adams.

BREAKFAST—Steamed flgs, cereal, cream, creamed salt codfish, corn bread, milk, coffee.

LUNCHEON—Molded spinach with creamedysters, pear and rice pudding, milk, tea.

DINNER—Italian braised liver, boiled rice, French onion and grapefruit salad, cottage pudding with maple sauce, milk, coffee.

Beef's lamb's or pig's liver can be used, although calf's liver is considered the most delicate. There is no particular difference in the cooking except that beef liver, being tougher than the others, requires thorough parboiling before cooking by the desired method. When liver of any kind is sliced for boiling or pan-broiling it is better if boiling water is poured over the slices and allowed to stand ten minutes before cooking. Beef's liver should be parboiled for five minutes if sliced, and twenty minutes if whole.

Italian Braised Liver

One pound liver, 3 branches of parsley, 1 medium sized onion, 1/2 pound small mushrooms, 1 tablespoon olive oil, 4 tablespoons non-alcoholic sherry or lemon juice, 2 slices bacon, 1/2 teaspoon pepper.

Cut liver in slices for serving. Mince together parsley, onion peeled and mushrooms cleaned and peeled. Put oil in casserole and turn dish to cook evenly. Add one slice of bacon and sherry or lemon juice. Cover evenly with minced parsley, mushrooms and onions. Then add alternating slices of liver and bacon, having bacon for the last slice. Cover closely and bake one hour in a hot oven. Serve from casserole.

Woman, 86, Has 99 Living Descendants

KENNEBUNKPORT, Me. (AP)—At the age of 86 years Mrs. Adelaide Moulton of Kennebunkport has 99 living descendants. They include nine children, 44 grandchildren, 45 great-grandchildren and one great-great-grandchild.

The death of Mrs. Moulton's husband eight years ago was the first in the family since two infant daughters died 49 years previously. The greater number of Mrs. Moulton's children have not moved far away from her, most of them being residents of Lower Kennebunk Village. Mrs. Moulton was born in York, Me.

TOWN DRESS ADDED TO SPRING ESSENTIALS

PARIS (AP)—To induce women to take sports clothes literally, dressmakers have launched "town dresses," a cross between last year's sport costume and the tailored dress that preceded it. The town dress is supposed to fit in the blank left between the golf course with its sweater and pleated skirt and the formal luncheon or afternoon dress of satin or georgette. It is usually of wool of a light color, beige, ecru or gray.

PURS ARE TINTED AND WORN SEPARATELY

PARIS (AP)—Separate fox furs, dyed to match the costume, are more fashionable for spring than fur collars and cuffs on coats. Entire pelts are worn backwards with head and tail hanging over the shoulders by mannequins at one big dress house. Summer ermine, broadtail and fox are the chosen furs for use on coats.

New Maytag Owners every day

THE Maytag's only rival is another Maytag. The New Maytag has broken Maytag's world record for washer production.

Every day 1400 new Maytag owners in every section of the country are introduced to Washday Happiness—happiness because of washings done in less time, about one hour; happiness because of clothes washed beautifully clean without hand-rubbing.

And it is happiness that has come to stay because the Maytag is built for a lifetime of service. It is the only washer with a non-breakable, cast-aluminum tub—the tub that keeps water hot for an entire washing, then empties and cleans itself.

Because of the silent, smooth-running, steel-cut gears, and the fine engineering in every part, there is a remarkable absence of vibration, and vibration is a washer's greatest enemy.

Would you know washday happiness, try a Maytag. See the new soft Roller Water Remover with safety feed board and automatic tension adjustment—test and compare its many outstanding features.

Phone—Without cost or obligation, do your next washing with a Maytag. If it doesn't sell itself, don't keep it.
