 Grover Cleveland Alexander turned back the champion Pirates without a run in the last at St. Louis yesterday while his Cardinal mates triumphed by 5 to 0.  
 The Cincinnati Redlegs joined the Chicago Cubs for the second consecutive day, this time by 9 to 2, a six-run flurry in the eighth inning breaking a tie of three-all.  
 The St. Louis Browns of the American league broke out in typical Missouriian manner with another decision over the Detroit Tigers, 7 to 2.  
 The Chicago White Sox outthrew the Indians by 10 to 7 but dropped another engagement to Cleveland by 2 to 1.  
 Cold and wet grounds forced idleness upon the other big league outfits and revived the argument that the opening of the pennant races should be delayed until the last week in April.

**CISSEL MAKES GOOD**  
 CHICAGO, Apr. 13 (AP)—Smilin' Bill Cissel, the \$123,000 White Sox rookie shortstop formerly with the Portland Beavers, has rendered satisfaction plus so far to the skeptical Chicago fans.  
 In two games with Cleveland, the former Pacific coast league star, has led the White Sox batting attack, bagging five hits in eight times at bat. In his nervousness in the first game, he pegged a wild throw to first after a beautiful one handed stop.  
 "The kid's a comer and worth money," Manager Ray Schalk observed.

**Four Teams To  
 Meet on Track  
 Here Saturday**

Final arrangements are being made today for the first interscholastic track and field meet of the season in La Grande, to be held at the high school athletic field tomorrow beginning at one o'clock with Wallowa, enterprise, Union and La Grande teams participating.  
 Track meets are usually held regardless of weather conditions, unless most unusual weather results. If the day is rainy, two or three of the events might be cancelled but the races, weights, etc., will probably be held even if it rains, it is said.  
 Timers for the meet will be J. H. Peare, William Peare and J. E. Reynolds. Lee Reynolds will be starter. Other officials have also been decided.  
 The track season will also open at Baker tomorrow, when the Bulldogs will test their strength against the strong Boise, Ida., team.  
 Next week Pendleton will come here, on Saturday, Apr. 23 Union and La Grande will go to Baker, and on May 5 the Eastern Oregon meet will be held.  
 The meet tomorrow will in reality take the place of the annual county meet and county records that might be bettered would stand as such. A. A. F. sanction, through the local official, J. H. Peare, has been obtained for the meet.

**HEENEY KING IN  
 PART OF WORLD**

Man Who Will Fight Tunney for Ring Title Has Never Been Kayoed

By F. G. Vosburgh  
 (Future Service Sports Editor)  
 NEW YORK (AP) — The life story of Tom Heeneey is an interesting one even without the added glamour accompanying his reputation as the logical contender for Gene Tunney's championship.  
 Heeneey was born of Irish parents but spent all his early years in New Zealand, where the family lived. In that far-off corner of the world young Tom played cricket and rugby football. Later he developed into a very good football player and was asked to join the All Blacks, the leading football team of Australia at the time.  
 Tom liked boxing better, though, and used to swap punches for fun with his brother, Jack, who won the amateur welterweight championship of New Zealand. Later Tom entered amateur boxing competitions. Meanwhile he lived by working as a plumber and as a blacksmith.  
 Becoming proficient as an amateur scrapper, Heeneey applied for a permit to enter professional boxing, but the world war came along at about this time and Heeneey as a youth of 19 enlisted. Nothing is recorded concerning his prowess as a soldier under the Union Jack, but it is assumed that he carried himself with the same modest courage that has distinguished him in the ring.  
 After the war, Heeneey went back to the Antipodes, entered the ring and battled the big boys of Australia and New Zealand with some success. His housecleaning operations in that part of the world were interrupted by a cable from Mick Stewart, a New Zealand boxing referee and friend of Heeneey, who wanted Tom to join him in England. On arrival there, Heeneey placed himself under the management of John Mortimer, who now has an interest in him together with Charlie Harvey, his present manager.  
 An expedition to Africa followed. There Heeneey met Johnny Squires, winning the first time on a decision in 20 rounds and knocking out Squires the second time in the sec-

ond round. As a result Heeneey claimed the championship of Africa.  
 Some more battling in New Zealand and Australia gave him a reputation there, and then Heeneey went to England. He lost to Phil Scott in 20 rounds, but polished off some other British heavies and then went over to Dublin, where he beat Bartley Madden in 20 rounds. Both Heeneey's parents were born in Erin, so Heeneey fitted what he considers an unusually good claim to the championship of Ireland.  
 Heeneey then tried to get a match with Paulino and his backers say he followed the Basque all through France but could not land the bout.

**MISSIONS ARE HOPEFUL**

When the Pacific Coast league got under way a few days ago, the Missions made no secret of the fact that they thought they had a good chance to cop the flag this season. Red Killefer, hustling new timer shown here, left center, talking to Ray Caldwell, former major leaguer, is the chief cause of their optimism. Mickey Finn, upper left, and Frank Brazill, upper right, are two of their crack infielders, and Art Weis, lower left, and Herman Pillette, lower right, are two other valuable members of the team.
