## Poultry Prices Steady; Butter, Eggs Unchanged

PORTLAND, Ore., Apr. 16 (AP)—Poultry supplies were moderate at the opening today and prices steady. Heavy colored broiler chickens were in good demand and supplies light with prices ranging from 35 to 36c. Lighter broilers sold mostly around 28c to 30c per pound. Light leghorn hens were a trifle firmer around 17c to 18c.

No changes were quoted in butter and egg prices but the market appeared firm. Receipts of butter Saturday were reported at 15,268 pounds and of eggs 1,032 cases. About 6000 pounds of butter moved into storage here Saturday, indicating that the market has probably reached the bottom for the season. Storage holdings were 9148 pounds of butter and 30,018 cases of eggs at the closing Saturday.

On the country dressed meat markets, prices were generally firm and trading fairly active. Poultry in the beef division was quietly moving. Practically everything good cleaned up Saturday and unless receipts of country killed meat increase materially dealers look for a good steady market throughout the week.
