## Miss Blanchard In Recital At Sacajawea Inn

The first of a series of individual recitals by pupils of the Eastern Oregon School of Music was given by Miss E. Blanchard, violin pupil of Leo Colten Bryant, at the Sacajawea Inn last night, and despite the inclement weather an audience of about 200 music lovers attended.

Miss Blanchard's opening number was the "Concerto Op. 15" by Seltz and she gave it a fine rendition, displaying excellent bowing, pleasing and mastery of the technical difficulties of the composition. In the two groups which followed the fine tone quality predominated. The "Largo" from the "New World Symphony" and "Cavatina" by Brahms were beautifully played as was the closing number "L'Eclaircie" (Swing Song).

Miss Bethel Trill, vocal pupil of Mrs. William H. Parkinson, was the assisting artist and her two groups of songs were delightful. It would be difficult to choose the most pleasing number but the "Waters of Minnetonka" and the "Gypsy Love Song" will perhaps be best remembered.

Miss Blanchard and Miss Trill both received many bouquets of flowers. Mr. Bryant and Mrs. Parkinson were the accompanists. A student recital to be given April 23rd at the Sacajawea Inn by violin and piano pupils of the school was announced by Mrs. Parkinson and a cordial invitation was extended to the public to attend.

The Art Research club met yesterday afternoon at the home of Mrs. Ray Murphy with about 15 members in attendance. Mrs. H. E. Westinover had charge of the afternoon's program and gave an excellent review of the book "The Gateway to Appreciation." The hostess served tea following the afternoon's discussion.

The club will meet Monday, April 23, at the home of Mrs. Lloyd Prevec.

Mrs. Williams is chairman of the committee in charge and assisting her are Miss Annetta Johnson, Miss Effie Snider, Miss Mabel E. Morton, Mrs. Terwick Clark, Mrs. H. H. Dixon, Mrs. Walter Hutchinson, Mrs. C. E. Stine, Miss Viola Zuloagay and Miss Vera Conley.

sisted of three melodies in B flat, and the third group included "March Melody" and "America," those present joining in singing the last song to the band accompaniment.

The concert program showed the work which the orchestra is doing in the development of the musical talent of the students. Mr. Huffman is also director of the orchestra and the members are: Vixion Gallagher and Eleanor Hicks, piano; John Weagle and William Cooner, saxophones; Avery Millering, trombone; Jack Denny, B flat baritone; and Genevieve Plesner, Rita Bishop, Layon Price, Arnold Hancke, Lucille Thacker, Max Baxter, Dawson Turner, Maxine Johnson, Hazel McPherson and Audra Aurnorth, violins.

Mrs. Frank Millering was elected a member of the library benefit committee to represent the Greenwood association.

Following the meeting those attending visited three of the school rooms where displays were found. In Miss Lorine Johnson's room, the third B, an occupational project was on display, including nature study, health houses and a farm scene table. An exhibit showing the progress made in writing by the students during the year was also on display.

In the room occupied by the third A, of which Miss Ruth Garrick is teacher, there was a display of art work, writing and a health exhibit, also samples of work in other subjects. In the fourth grade room, Mrs. E. D. Foster's class, there was a display of industrial molded relief maps of North and South America, writing displays and samples of other subjects.

A surprise party was given Sunday evening honoring Frank Poole, the occasion being his birthday anniversary. The party was given by Mrs. Poole at their home near Hot Lake and at 7 o'clock dinner was served. Covers were laid for 18.

A large pink and white cake, decorated with lighted candles and rosebuds formed a centerpiece for the dinner table. During the dinner he was presented with a birthday gift by those present.

At this meeting the program was in charge of Mrs. Selma Rasmussen and was a continuation of the year's program subject, "The Oregon Trail and Pioneer Days."

During the meeting it was decided to give half of the amount made from the play recently given by the club to the scholarship loan fund of the Oregon Federation of Women's clubs, and turn the other half over to the local library to be used to purchase books which will be placed on the library shelves. Many of these books will be reference works for the use of the school students. A total of \$76 was made from the play. The purchasing committee was appointed including Mrs. J. W. Brown, Mrs. L. ## Bridge Pointers

By Milton C. Work

Yesterday the following problem was given: The contract is Diamonds: South is Declarer. North is Dummy: The initial lead is shown. How should Declarer plan his game? It is as soon as he sees Dummy's hand and knows the exact twenty-six cards which he will operate?

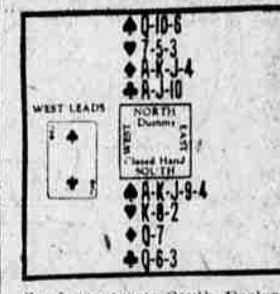

**Declarer's Plan of Campaign**

Declarer would win the King of Spades with the Ace in the closed hand, and his natural thought then would be to ruff the Spade in the Dummy before leading the Trumps. The careless player would do this, exhaust the adverse trumps and then try the Club finesse; failing to realize that, even if the Club finesse succeeded, he necessarily will lose three Heart tricks and game.

The best chance for game is to try for the Club finesse on the second trick. Of course if it fails, a heart probably will be led and game will be lost as the adversaries then doubtless will take in three Heart tricks; but if the Club finesse win and the six adverse Clubs are evenly divided, game almost certainly can be made and that play seems to afford the only practical chance of obtaining it.

Declarer would scheme, after the Club finesse win, to lead two rounds of trumps winning both in the closed hand and keeping the King of trumps in the Dummy. Then whether the four adverse trumps have been exhausted or not, he would lead Clubs, with the Ace, lead another Club and ruff it in the closed hand. If this establishes the Clubs, his game will be easy regardless of whether the adverse trumps have been divided 2-2 or 3-1. If the former, he can put Dummy in by ruffing the closed hand's losing Spade, discard two Hearts on the two established Clubs and make a Small Slam. If however, an adverse trump remains, he will have to put Dummy in by leading a trump; and in that case, while he obtains two discards from the closed hand, will be left with two losers and will not make a Small Slam but will make game.
