LISLE SPAR,
LEADING
PHOTOGRAPHER

I like Lisle Spar 'cause he's al-
so original and different. Today he
said he'd just grabbed a position,
instead of saying he'd accepted it.
How's it come, how's it happen,
why is it, that only democratic
candidates are ever asked how wet
or dry they are?

MENUS

By Sister Mary

BREAKFAST — Grapefruit sections,
cereal cooked with figs,
cream, tomato omelet, crisp toast,
milk, coffee.

LUNCHEON — Spinach soufflé,
baked potatoes, cottage pudding,
milk, tea.

DINNER — Fish loaf, creamed
carrots, banana and peanut salad,
jellied rhubarb, three-layer cake,
milk, coffee.

This is the season of the year
when cake is a most convenient
thing to have in the house. A de-
sert of fresh fruit, served with
cake is always acceptable and re-
quires no elaborate last minute
preparations.

Three-Layer Cake

One-half cup molasses, 3/4 cup
butter, 5 eggs, 1 cup sugar, 3 cups
flour, 3 teaspoons baking powder,
1 teaspoon each cinnamon and
ground ginger, 1/2 teaspoon soda,
1/4 teaspoon salt, 1/4 cup cleaned
currants, 1/4 cup seeded raisins, 1/2
cup milk, 1 teaspoon vanilla, pink
coloring.

Heat molasses and vanilla, 1/2 cup
butter. When butter is melted
stir in soda. Add 1 egg well beat-
en. Add 1 cup flour mixed and
sifted with cinnamon, ginger, 1
teaspoon baking powder and 1/4
teaspoon salt. Add currants and
raisins to the batter and pour
into 27 oiled and floured layers
cake pans. Bake twenty-five min-
utes in a moderately slow oven.
Use this for the bottom layer of
the cake.

Cream remaining 1/2 cup butter
and beat in sugar. Add remaining
4 eggs one at a time beating each
egg thoroughly into mixture. MIX
and sift remaining flour, baking
powder and salt and add alternately
with milk to mixture. Divide
this batter into two parts. To one
part add raisins and enough pink
coloring to make a pretty pink.
Add vanilla to remaining batter
and bake each in a separate layer
cake pan. Use the pink mixture
for the middle layer and the white
or plain vanilla for top layer. Put
layers together with a white
baked frosting and decorate top
and sides of cake with halves of
peanuts or English walnuts.

WINTER GALE LASHES THE MIDDLE EAST

... coast near Daytona Beach. It was
more than 12 hours, however, be-
fore the 150 mile area was again
in communication with the world
and it had been learned that four
persons had been killed, two boys
and a man, by liver and a negro
by the collapse of his home.

High Winds in South

At Jackson, Miss., two were in-
jured and \$50,000 property damage
caused by high winds.

POLISH ARMEN FORCED DOWN

LE BOURGET, Apr. 28 (AP)—
The Polish armen Major Louis
Bukowski and Major Cassimir
Kutalla who hopped off early this
morning for an unknown destina-
tion, landed at Abbeville at 2
o'clock this afternoon because of
a break in the radiator of their
machine.

PLEADS FOR CO-OPERATION

GRANTS PASS, Apr. 28 (AP)—
Elimination of state lines on the
Pacific coast by creating an all
east coast consciousness was the plea
sounded by speakers last night at
the banquet given the Redwood
League Pacific coast caravan,
when it arrived in Grants Pass and
at the meeting assured the mem-
bers of a welcome such as was ac-
corded the Oregon good will carav-
an on its trip through California.

ALL EGGS HIGHER IN OREGON MART

Large Outside Demands
Responsible—Butter
Prices Are Strong

PORTLAND, Ore., Apr. 28 (AP)—
All grades of eggs except stand-
ard firsts were higher on local
wholesale markets today, reflect-
ing large outside demand, prin-
cipally from Seattle. Price increases
were from 1/2c on standard extras
to 25c per dozen to a cent increase
on both medium grades to 22 1/2c
for extra and 22 1/2c for firsts. Yes-
terday's receipts were heavy at
3555 cases, with storage holdings
reported at 26,680 cases.

Butter prices were also strong
today following change in the quo-
tation of cube extras at the dairy
exchange session late yesterday to
40c per pound. Indications are
that butter values will hold around 1
present levels during the coming
week. Yesterday's receipts of butter
were 15,694 pounds and storage
holdings 25,112 pounds.

Along the country dressed meat
and poultry markets there were no
perceptible changes in quotations
today, although an earlier feeling
prevailed in the broiler division.
Prospects were that leghorn broil-
ers would be higher next week,
around 25c per pound. Colored
broilers were quoted today at 30c.
There are no signs of any weak-
ening in the pork division with ad-
vices from eastern centers predict-
ing steadiness at present levels un-
til well into May. Veal was still
sluggish with considerable accumu-
lation reported.

Wholesale fruit and vegetable
markets were active early today,
but prices were generally steady.

Al Smith To Seek West Virginia Vote

CHARLESTON, W. Va., Apr. 28
(AP)—Governor Alfred Smith, of
New York, has decided to enter
the race as a democratic candidate
for president in the West Virginia
primary against U. S. Senator
James A. Reed of Missouri.
Announcement of Smith's inten-
tions was made today by C. W.
Houston, democratic national com-
mittee man for West Virginia, and
a leading supporter of the Smith
boom in this state.

Standard Oil Is Up Three Points To New 1928 High

NEW YORK, Apr. 28 (AP)—
Heavy buying of the oil shares un-
der the leadership of Standard Oil
of New York, which advanced 3
points to 38, a new high for the
year, featured the sharp return in
prices in today's stock market.
Public utility and minor shares
also gave impressive demonstra-
tions of group strength. Extreme
gains in the active issues ranged
from 1 to 10 points, with trading
again in a very heavy volume.

Buying operations of powerful
speculative pools furnished the
chief impetus for the advance. Oils
were accumulated on reports of
trade improvement and stiffening
gasoline prices. Enormous blocks
of Standard Oil of New York and
Louisiana Oil changed hands.
Buying of the rails was rather
selective in character, with Jersey
Central, Delaware and Hudson,
Texas and Pacific and Chicago
Northwestern up 2 to 4 points, in
the vanguard of the advance.
Sharp gains also were recorded
by such issues as Metcory Steno
R. Dupont, Adams Express, Patino
Mines, Consolidated Gas, Brooklyn
Edison, Westinghouse Electric and
Otis Elevator.
