This New Treatment Never Fails to End Piles

Many sufferers from Piles or Hemorrhoids have become despondent because they have been led to believe that their case was hopeless and that there was nothing in the world to help them.

To these people we say, "Go to the Red Cross Drug Store or your druggist and get an original box of MOAVA SUPPOSITORIES." One of these inserted into the rectum according to directions will be found to give immediate relief. They reach the source of the trouble and by their soothing, healing, antiseptic action first allay the pain and soreness and then by direct contact with the ulcers and piles cause them to heal up and disappear often forever.

It's simply wonderful how speedily they act. Blessed relief often comes in two days. Even in cases that have steadily resisted all known treatments, marvelous results have been obtained. Two sizes—6c and 15c. Red Cross Drug Store or any other good druggist can supply you. Mail orders filled.

Making people happy is a simple business. Fill the child's stomach; fill the woman's wardrobe; fill the man's purse.

It used to be that the prisoner could make his escape in women's clothing, but now that's no disguise.

"What sort of a chap is Jack dear?"

"Well, when we were together last night, the lights went out and he spent the rest of the evening repairing the fuse."

"Do fast trails ever stop here?" inquired the tourist.

"Sure!" was the native's reply. "We had a wreck here once."

Interviewer—I have been informed, sir, that you began life as a poor bricklayer—

Great Contractor—There are two mistakes in that sentence. I began life as an infant, and there is no such thing as a poor bricklayer.

"Mr. McClintock," shouted his better half, "I want you to take your feet off the parlor table."

"Mrs. McClintock," he said, in a fixed determined voice, "I allow only one person to talk to me that way."

"And who is that?" she demanded.

"You, my dear," he replied softly as he removed his boots.

"That is a sky-scraper," announced the guide.

Old Lady—"Oh, my! I'd love to see it work."

We wonder if it is just a coincidence that there is a difference of only one letter between the words "spark" and "spark."

Gather your knees while you may. Time brings only sorrow. For the girls who are so free today are chaperones tomorrow.

Uncle: "My boy, it will pay you to be diligent in your studies. Remember, what you have learned no one can ever take from you."

Small Nephew: "Well, they can't take from me what I haven't learned, either, can they?"

Falcon Island In Violent Eruption

WELLINGTON, New Zealand, May 1 (AP)—The captain of the government steamer Tutuakahi, en route from Auckland to Samoa, has reported sighting Falcon Island in violent eruption last Thursday.

Henry Ford, according to dispatches from England, believes in "free trade all around." But, good! you can't trade one of those 1922 Fords for anything, unless it be old razor blades.

Many a man with brains hasn't the common sense to know how to use them.

AT THE THEATERS

"Devil's Twin" At Star Wednesday Only

"The Devil's Twin" is the newest pathwestern in which Leo Mason is being starred, and will be at the Star theater Wednesday only. It is an original screen play by Ford J. Beebe and is a story of a wandering horse trader who arrives in a small cattle town at a time when a middle aged man is planning revenge on a cripple, formerly a judge in the superior court, who had sentenced the son of the man to prison for forgery.

It is essentially a cow-town story, with only one girl involved in the telling. But dozens of men were required; rough, uncouth men; men who would never take a prize at a beauty show.

Mason's sent word around the casting agencies that he wanted to hire the dozen homeliest men in the world—and it was amazing to see what answered the call. Every variety of tough looking customer applied. They looked like a mob of murderers.

Strangely enough, they were the best natured lot of men ever in the Madison studio. They were like a lot of boys on a picnic. They proved the old saying "you never can tell a man by his appearance."

"Opening Night" At Arcade Is Full of Action

If realism is the aim of the motion picturegoers, they are sure to find it tonight at the Arcade theater, where Columbia Pictures' "The Opening Night" is showing for the first time.

The adaptation, continuity and direction were by E. H. Griffith. In transferring the story to the celluloid Griffith made the most of the opportunity to introduce queer twists, quaint characters, picturesque atmospheric backgrounds and thrilling action. Players of all sorts and descriptions were required by the plot. These range

from small tots to aged persons. There is the glamor of the stage, the romance of the sea, the bliss of home life and the adventure and valor of catastrophe blended in this screen fabric. The emotions run gamut, tears well into the eyes in pathetic sequences only to be driven away by the quaint humor of one of the odd characters. One moment the audience is pausing in breathless suspense and the next instant is overawed at the gorgeous splendor of the theater.

Claire Windsor has a pleasing role as a stage star. She is given ample opportunity as the footlight favorite and wife of a successful producer to display many fashion creations. In the story she is supported by two leading men, John Flowers and E. Alyn Warren. The latter has by far the more difficult role; but the former occupies the position of matinee idol. To him falls the pleasant task of wooing and winning the love of the pretty heroine, while Warren is required to delineate the self-effacing, pathetic individual who gives all for love and dies in misery while he is being mourned as a hero.

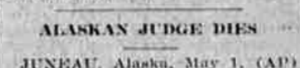

DEATH A MYSTERY

VILLEFRANCHE, France, May 1. (AP)—Mystery surrounds the death of an American woman, Mrs. William Sutherland Hagar, 42, whose body was found floating in the bay. In the absence of passports and other papers the authorities have been unable to locate her American address.

ALASKAN JUDGE DIES

JUNEAU, Alaska, May 1. (AP)—Judge Melburn Reed of the first district federal court of Alaska, died here last night of acute heart attack. He was appointed to the bench in 1921 by President Harding, and continued in the post until his death.

Congress finally got around to that farm bill. But we understand the farmers no longer have anything to be relieved of.

Feel Miserable This Spring?

To Be Well Your Kidneys Must Function Properly.

SPRING find you tired, nervous and depressed? Are you stiff and achy, subject to nagging backache, sprays, headaches and dizzy spells? Are kidney excretions too frequent, scanty or burning in passage? Too often this indicates sluggish kidneys and shouldn't be neglected.

Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of waste impurities. Doan's are endorsed everywhere. Ask your neighbor!

50,000 Users Endorse Doan's:

L. K. Hinkson, 1023 Alford St., The Dalles, Ore., says: "I've used Doan's Pills with the best of results. My kidneys weren't functioning right and my back ached so severely I could hardly stoop. Sharp pains went through my back and my kidneys acted irregularly. Doan's Pills were just what I needed. They soon put my kidneys in good shape and removed the aches and pains."
