

IT'LL COST YOU LITTLE **IT'LL PAY YOU BIG!**

The Road Bond Issue to be voted on Friday in Union County means a tax increase of only \$2.00 per thousand of assessed valuation—so small you'll never notice it!

And the benefits will be tremendous. The new roads thus made possible will open up rich agricultural area to settlement, will bring markets closer to the farmer, will provide new avenues for prosperity throughout Union county.

GOOD ROADS ALWAYS PAY FOR THEMSELVES!

Vote X YES Road Bonds ***At the Friday Election***

Both farm and town prosperity depends on transportation. The easier and cheaper you make the avenues between the producer-worker and his market, the more rapid is the wealth turn-over throughout the entire community. Union County must go ahead! A completed system of good roads is imperative to the community welfare! The cost to any individual is negligible—the combined benefits are great!

Be Fair To Your Neighbor Who Needs These Roads ***Vote For The Road Bonds On Friday***
