### McLaglen Has New Triumph In Latest Film

A story alive with interest, colorful backgrounds that include the famous ports of the seven seas from Amsterdam to Panama, and a cast of screen lights including Victor McLaglen in the stellar role, all help to make "A Girl in Every Port" a cinema triumph.

screen version of the Owen Davis play and the production is excellently staged and developed. The theme is light and wholesome, the acting cleverly appealing and the situations handled with all the finesse of which veterans are capable.

McLaglen will be remembered as having achieved an almost overnight fame with his performance in the role of Captain Mack in "What Price Glory." The star role of Spike Madden, which is his in the present picture, is his reward for his work in the war epic. And McLaglen conclusively proves he deserves the coveted honor of star by his performance as Spike.

The story deals with a merchant ship, who as the title tells, has a girl in every port. And what a galaxy of beautiful producers have chosen for McLaglen's ten leading ladies. Every type is represented from blonde Nordic to dark eyed Brazilian. Louise Brooks, Maria Caspary, Natalia Joyce, Gretel York, Lella Hyams and Elena Jurado are some of the well known beauties who play the parts of the hero's sweethearts in the various ports.

### New Dix Comedy Is Fun Classic

Again Richard Dix, whose recent farce comedies have struck a new, high note in motion picture entertainment, makes a decided hit. His latest picture, the farce comedy, "Easy Come, Easy Go," opened at the Arcade theater this afternoon for a three day showing.

Help Wanted  
I got a dog; I got a cat; I got a five-room, furnished flat. The place is fine; the place is mine; I signed right on the dotted line. I got the ring and everything. Yet I am sad and cannot sing; The reason seems, oh, so absurd—I got the cage but not the bird.

Possibly one reason why women live longer than men is due to the preservative qualities of paint.

Real Estate Agent (trying to interest a fair client): "Let me sell you a nice home?"

Fair Flapper: "Buy a home? I should say not—I haven't a bit of use for one. I was born in a hospital—was educated in a college—was married in a church—was married in a church—we live out of a paper bag—lovely delicatessen right near—spend the mornings playing golf—the afternoons at the club playing bridge—at night we dance or go to the movies—and when I die I will be buried from the undertaker's—all I need is a garage with a bedroom above. Nix on the home."

"Do you think it is unlucky to marry on Friday?"

"Certainly. Why should Friday be an exception?"

## Goitre Not a Disease

Milwaukee Doctor Makes Remarkable Discovery

MILWAUKEE, Wis.—It has been brought to light by scientific research that goitre is not a disease and is not to be treated as such. Dr. A. A. Rock, Dept. 752, Box 757, Milwaukee, Wis., a prominent goitre specialist for over 24 years, has perfected a different method of treatment for his patients that has proved remarkably successful. This same method is now being used for a home treatment of goitre cases all over the country with astonishing results.

The Doctor states that goitre is a condition which grows worse with neglect and recommends immediate attention no matter how small the growth may appear. He strongly opposes needless operations. Dr. Rock is the author of a book that tells in a simple way about treating goitre at home. He has published this book at his own expense and will send copy free to anyone interested. Write him today. —Adv.

Al White: "Would you mind waiting till Hughie Young comes in?"  
Billy: "What's the matter, can't you cut my hair?"  
Al: "Oh, yes, but Hughie will tell you that story about how he was learning to drive his car. It will make your hair stand on end, and save time."
