MARLOW, STOKKE TIED FOR LEAD

Sipes, of Baker, Climbs To Runner-Up Position In League Hitters

Pitchers in the Blue Mountain league, with the exception of Erickson, of Baker, were maulled about considerably Sunday, with the result that batting averages in several cases increased.

Last week Marlow, of La Grande, held first place in hitting but this week that's only half of the story. Gib Stokke, his team mate, is tied with Marlow for first.

Sipes, of Baker, climbed to third place by batting 1.000 at Pendleton last Sunday. LaGrande, La Grande, is fourth, Davis, La Grande, fifth and Reulano, Baker, sixth.

King Best, Pinch Hitter. Among pinch hitters, King, of Pendleton, still reigns supreme with four hits out of six trips to the plate for the astounding percentage of .667. Wright, of Walla Walla, got into the .300 class as a result of some hits here Sunday.

When Jack Dempsey visited New York recently he played an important part in the Judson Health Center Carnival by placing his signature on anyone's cuff or program for the very modest sum of one dollar, which was turned over to the health fund. The former heavyweight champion, all dolled up in his society rig, is shown here with Anne Morgan, prominent social worker of New York.

By the Associated Press. Some awful fielding on the part of the entire Seattle defense was the chief reason for Portland's 5-3 triumph over the Indians, although the Beavers hit Gomez Wilson often enough.

Bert Cole was driven from the mound in the third and Ponder finished, Cole, Ponder, and Alsmith; Wilson and Schmidt.

Sheriff Peters and Clyde Barfoot had a slight edge on Frank Sheehan in a neat pitcher's battle and Los Angeles got off to a flying start in the home series with a 2-1 win over the Stars.

Three home runs enabled San Francisco to overcome a 6-2 lead and take the opening game of the series from Missions, 7-6. Thurston batted for Mundy in the seventh and drove one into the bleachers.

Johnson drove two runners home ahead of him with a circuit drive in the eighth and Jolley broke a 6-6 deadlock in the ninth with another smash out of the park. Batteries: Holling and Baldwin; Mitchell, May Mundy, Thurston Springs.

Wilbur Cooper left handed the Senators to death, and the Oaks had an easy time winning from the league leaders, 6-4. The defeat together with San Francisco's victory over Sacramento led to one game. Batteries: Cooper and Lead; Keefe, Singleton, and Severid.

THE FLAVOR ZONE You can forget your roast... the "FLAVOR ZONE" browns automatically In cooking a roast, a well browned zone must first be formed on the outside edge to fully develop the natural flavor of the meat. From it the flavor is drawn into the roast as it cooks at a lower temperature. The Westinghouse Electric Range automatically develops the "flavor zone" and then cooks your roast to a delicious tenderness. You put the meat in the oven and forget your cooking until dinner-time. When your dinner is ready to serve, the roast is cooked as though you had been watching it for hours—with all the zest and flavor a roast can have. No other range, fuel or electric, cooks the Westinghouse way—the "flavor zone" way—first browning, then cooking, automatically. A Really Sensational Offer positively ending June 30, 1928 1. Allowance for your old range. 2. Terms up to 18 months, with only 10 per cent down. 3. Ranges sold completely wired and ready for use. 4. Sixty days free electricity for the new cooking customers.
