LIONS MEET IN SALEM

SALEM, Ore., May 25 (AP)—Something doing all the time in the spirit that Salem Lions have injected into their plan of enlightenment of some 600 visiting members of that organization who have left their native jungles and will pounce down upon this city today. The Oregon district convention began at 9 o'clock this morning, and there will be no cessation of activity, in the promise until about 12 o'clock Saturday night.

TO SETTLE THE PROBLEM

Just how far the hand throttle should be opened to aid the starting process seems quite a problem to many drivers. Some are on the side of generosity, either in the first case the engine does not start, in the second it runs too rapidly when it does turn over. The throttle should be set at that point where, operating in connection with the accelerator, it depresses the latter slightly. This specification fits virtually every case.

Over the Valley

(Continued from Page Seven)

The few blocks to the camp and a new service station will be installed. The place is very slightly and is exceedingly comfortable and will be appreciated by the traveling public it is assured.

Goes To Home

"Uncle John" Gawith, past eighty years of age and for years an active member of the Knights of Pythias order at Elgin, has recently gone to the K. of P. home near Vancouver, Washington where he will reside permanently.

Grande Ronde Association

Monday and Tuesday of next week the Grande Ronde Baptist Association will meet at Core. Association will meet at Core. members of the church of that denomination, being the hosts and hostesses. A very good program is being prepared and will be enjoyed by representatives of all the Baptist churches and congregations in this valley.

Have Majority of Sheep

According to a recent report of Dr. W. H. Lytle, state veterinarian, there are approximately 2,200,000 sheep in the state of Oregon, of this number, 1,600,000 are found in Eastern Oregon.

Sunday Guests

Mr. and Mrs. Charles Gray and their grandson, Irvin Wright, of Lower Cove, were Sunday guests at the home of Mr. and Mrs. L. F. Wright, of Valeria district. As young Irvin is also a grandson of Mr. and Mrs. Wright, he had a happy day with his four grandparents, all of whom agreed that he was not in the least spoiled.

Mrs. Smith Not So Well

Mrs. J. N. Smith of Alicel, who has been ill for a long time, had a turn for the worse on Tuesday of this week and has been in a serious condition since.

Have Closing Program

Patrons of the Valeria school, near Alicel, in large enough numbers to tax the seating capacity of

the school gathered Wednesday afternoon for the closing exercises of the year, the program having been given by the seven pupils of the school under the direction of their teacher, Mrs. Merle Howell.

The program was exceptionally interesting and consisted of readings and musical numbers by the individual pupils, together with skits, playlets and dialogues by larger groups. Each number was good and was well received. Following the program the women of the district served ice cream, cake, coffee and punch. Valeria school has just closed a very successful year with Mrs. Howell as teacher, and her services have been secured for another year. There have been seven pupils enrolled, Josephine Fisher, Edna and Donald Jasper, Mona and Wilma Doss, Marjorie

Haines and Vallet Wells. Marjorie Haines received her diploma from the eighth grade Wednesday and will attend high school this fall.

Planning Annual Celebration

Residents of Willows county are making early plans for a celebration which promises to be an annual affair, and which they are confident, will prove to be in time a big affair—a celebration revolving about the reburial within the confines of their county of old Chief Joseph. Shortly after the ceremonial in 1928 of the reburial of the chief, negotiations were taken up with the Indians at Umatilla to the end that they would cooperate in an annual celebration commemorating the event and the life of the leader. According to a

letter recently received the Indians Lelahi Graham of Summerville and without any warning, was a great shock to the members of his immediate family, and brings sorrow to his relatives and friends in this valley.

Death of Frank G. Smith

Relatives of Frank G. Smith have recently received word of his very sudden death following a heart attack at his home at Wapato, Washington. Mr. Smith was a former resident of this valley, his father having owned a ranch which would now border the La Grande-Elgin highway and would be a part of the Pierce ranch. He was an uncle of Mrs. Harry Fisher of Alicel, Mrs. Frank McKennon of Imbler and a brother of Mrs.

PACIFIC ELECTRIC USES UNION ON ITS MOST SCENIC BUS LINE ... WHERE THE UTMOST IN MOTORING IS REQUIRED ...

B-R-R---ing!---and the GO sign swings---then if ever gasoline must respond. There's a roar and a rush of motors as if they were leaving the post on a Vanderbilt Cup---and gasoline in a ten-ton bus cannot falter in this mad plunge of traffic.

This is the constant problem of a multi-passenger motor utility serving a city on minimum schedules. The great Pacific Electric System on its scenic line to picturesque Beverly Hills has solved this problem with Union Non-detonating Gasoline. They have given Union Non-detonating Gasoline the "success-test." The Pacific Electric is the outstanding interurban system in the world. With a network of electric lines and buses linking together 54 incorporated cities, they are serving an area of 32,308 square miles in Southern California.

What "Success-Tested" means to you

Of course you can't give the gasoline you use a laboratory test but the great institutions who do check results for mileage and power can be your yardsticks. These firms have service-tested gasoline. They are successful firms. They not only use Union for its brilliant performance, but for its absolute uniformity—wherever they get it, the Union Shield on our own stations or any of the hundreds of other stations is a mark of "success-tested" gasoline for you.
