Profit Taking Sales Cut In On Bullish Trend

NEW YORK, June 1 (AP)—Profit-taking sales and sporadic short selling interrupted bid failed to check completely the resumption of the upward price movement in today's stock market.

The close was heavy. Wide-spread speculation for the rise was definitely halted in the last half hour of trading when the call money rate was unexpectedly raised to 6 1/2 per cent.

WOOL REPORT... BOSTON, June 1 (AP)—The Commercial Bulletin tomorrow says: "The wool market here has been possibly a bit quieter this week, but prices are firmly maintained and the buyers, notwithstanding the fact that the goods markets have given poor encouragement to the wool merchant, on account of the adverse weather."

CANNERS TAKING OREGON BERRIES

Spinach Scarce, Lettuce Plentiful—Increase in Egg Prices

PORTLAND, Ore., June 1 (AP)—Canners have started taking Oregon strawberries and indications are that the market will keep well cleaned up on good quality stuff hereafter.

Spinach was also rather dull and the price was firmer around \$1.10 per crate. Lettuce, on the other hand, was quite plentiful and of average high quality.

Country dressed meats were somewhat smaller in quantity. Veal moved slowly at 15 1/2c, but most sales fetched the lower figure.
