four and continued as long as there was anything to serve. The amount which was cleared is not as yet known, but it is hoped that as much will be netted as last year when something like \$400 was realized. Most of the food was donated, but in spite of that there was considerable expense. A number of improvements have been made on the cemetery during the past year and it is hoped enough will be secured to cover that in addition to the running expenses of the organization.
