A STATEMENT RELATING TO THE FUTURE OF THE CHRYSLER CORPORATION and DODGE BROTHERS, INC.

The widespread public interest in recent events affecting the Chrysler Corporation and Dodge Brothers, Inc., deserves an authentic and official statement and an assurance regarding the future of these two corporations.

Subject to the approval of stockholders, Dodge Brothers, Inc., will be acquired by the Chrysler Corporation, the plan of amalgamation having been recommended by their respective boards of directors.

Each of these great corporations will retain its identity, and will continue, as heretofore, to produce and market its own products in accordance with the high and progressive standards from which neither can deviate or which have been previously established.

Each will benefit from the consummation of a plan which unites such tremendous resources in material, manufacturing facilities, financial power and manufacturing genius.

Dodge Brothers will continue to be Dodge Brothers, and Chrysler will be Chrysler. Their products will be separate and distinct and will be continued in production without interruption. Their sales organizations will be unaltered except as they shall mutually share in the advantages of the consolidation.

Both public and bodies may look forward to the greatest benefits which the consolidation of such tremendous resources will produce — and the most identified with these businesses may be assured of a stable and definite future, inspired by the progressiveness which has been responsible for the existing of two great companies.
