Campfire Group Preparing For Annual Outing

Steps toward permanent organization were taken last night when the new Campfire council, representing community organizations of La Grande, met for the first time at the library with George R. Hiron acting as temporary chairman. Decision to remain a local council for the present was reached.

Taking charge as chairman Mr. Hiron appointed Miss Mabel Dohy temporary secretary and called upon Mrs. Lolf Aves, president of the "Guardians" association, to automatically become a file council, who explained the purposes of the new body.

A committee to draw up organization plans and make arrangements for the election of officers was appointed and is made up of Mrs. Aves, the Rev. H. L. Putnam, Mrs. G. S. Hoffman, Mrs. C. N. Palmer and Harley Richardson. Summer camp was discussed and a number of committees whose functions will be to assist in various camp preparations were appointed. Mrs. Adolph Siegriest and Mrs. A. L. Richardson were appointed to arrange for the entertainment of Miss Helen Metcalf, Seattle, who will be here several days preceding and following camp. Miss Metcalf is to conduct a training course for the guardians before camp.

A committee of W. C. Perkins and Harley Richardson was appointed to look after transportation and Mr. Perkins was also made a committee of one to look after the camp tents which are to be loaned first to the scouts from the forest rangers.

E. Russell Scott and Dr. R. F. Murphy were appointed to secure a permanent meeting place for the council, and J. T. Longfellow and Mr. Scott were appointed an athletic committee to make preparations for athletic equipment at camp. Dr. Lewa Wilkes and Dr. W. T. Pfy comprise the health committee and will give the necessary examinations.

No definite meeting date was set.

Weather Still Unfavorable For Ocean Journeys

TREPASSEY, N. F., June 15 (AP)—The crew of the monoplane Friendship faced by reports on bad weather out over the Atlantic, remained uncertain this morning as to when a hop off for Europe would be feasible. The reports indicated that there were storms between here and the Azores and that the conditions also were unfavorable on a direct course to Ireland.

HARBOR GRACE, N. F., June 15 (AP)—Miss Mabel Doll, who is awaiting favorable weather for a flight to Europe in the monoplane Columbia motored to St. Johns this morning. She was accompanied by her pilots, Oliver de Bontillier and Arthur Argles, and planned to return here this afternoon.

Noble Party Is Drifting Toward Rescuers Today

KINGS BAY, Spitzbergen, June 15 (AP)—A strong east wind blew in Spitzbergen today made it probable that the Noble radio party was being driven more to the westward in the direction of the rescue parties now seeking to reach the stranded men off Northeast land.

It snowed during the night, but sunshine succeeded the storm today making conditions favorable for further exploration. While there has been much apprehension concerning the fate of the seven men carried off in the Italia's balloon and who have since been missing, it was felt at Kings Bay that this party must have the skills which were in the Italia's equipment, and thus have the advantage of them for use on the softening ice.

Stanfield Victim of Wallet Robber

KANSAS CITY, June 15 (AP)—Former Senator Stanfield, a delegate from Oregon, may find the convention more expensive than he had reckoned. His wallet was robbed of about \$500 while he was absent from his hotel. The pocketbook was found but there was no money in it.

Senator Moses, permanent chairman, scooped the delegates with a message to Secretary Hoover telling him that he had been nominated for the presidency. Before the vote was tabulated the chairman telegraphed the secretary that he had been nominated by "a sweeping majority which has since been made unanimous."

MEDFORD, Ore., June 15 (AP)—A. H. Best and Emory Davis, alleged squatters from the Diamond lake district, left this morning for Portland in charge of Deputy United States Marshal Loren Cochran, after spending the night in the Jackson county jail here. The two disabled war veterans are charged with occupying forest reserve land.

ONE-DAY HEAT WAVE BREAKS IN THE EAST

NEW YORK, June 15 (AP)—A one-day heat wave in the Central Atlantic seaboard states had been broken today as a result of severe electrical storms that caused the death of one person and the injury of seven.

Robert W. Patterson Jr., of Pittsburg, an alumnus of Princeton class of '13, was killed by a lightning bolt as he stood under a tree at Princeton, N. J., where he was attending his class reunion. The class cancelled all further activities for the day and held a memorial service.
