In the name of the State of Oregon, you are hereby required to appear and answer the complaint filed against you, in the above entitled court, and cause, on or before four weeks from the date of the first publication of this summons.

The phrase "watered stock" originated in New England, where farmers used to feed their cattle a lot of salt, let them drink all the water they wanted, then sell them by weight.

Family prides is absurd. Trace the family back, whoever you are, and soon or late you run into side whalers.

COULDN'T KEEP UP
An insurance company wrote out a \$1,000 life policy in the name of one Samuel Johnson. Premiums were paid promptly for a few years but suddenly stopped. After sending a few delinquent notices, the company received this reply:
"Dear Sirs: Please excuse us as we can't pay no more premiums on Sam. He died last May—Yours truly, Mrs. R. Johnson."

Example of bad luck: Owning an old car, well insured. Leaving it unlocked. Finding it undisturbed.

"What did you say?"

"Told him you let me catch him with any of the other seven."

A large map was spread upon the wall, and the teacher was instructing the class in geography.

"Horace," she said to a small pupil "when you stand in Europe facing the north, you have on your right hand the great continent of Asia. What have you on your left hand?"

"A wart," replied Horace, "but I can't help it, teacher."

A man in New York is said to have invented a reversible vest. It should be a very serviceable garment now for it will be an easy way of dividing the gravy.

Farmer—You would bend over, too, miss, if you was as full o' green apples as those trees are.

An explosion, attributed to gas from a leaking pipe, wrecked three stories in a one-story building on the west side early today.

That sounds like a tall story to us.

Henry Ford continues collecting old horse cars, trunks, furniture and other antiques. Wonder if he's got any 1928 Fords among that lot.

For judgment that the bonds of matrimony heretofore and now existing by and between plaintiff and defendant, be forever dissolved and held of naught and the plaintiff be granted an absolute divorce from the defendant.

You will further take notice that this summons is published once a week for four consecutive weeks or five publications, in the La Grande Evening Observer, a daily newspaper, published in the city of La Grande, Union county, Oregon, by order of the Honorable J. W. Knowles, Judge of the above named court, which order is dated the 8th day of June, 1928, and the first publication of which is made on the 9th day of June, 1928.

AT THE THEATERS

"Dressed To Kill" At Star Sunday

Though the crook of today is an immaculate dresser, drives high powered cars, maintains expensive apartments and frequents the opera and the night clubs he is a "brother" under the skin with the crook and "thing" of other days in the matter of coldbloodedness and heartlessness.

"Dressed to Kill," Fox Films ultra modern story of the underworld and its master mind which opens at the Star theater Sunday will receive the acclaim locally, that it has all over the country for it is human drama at its best.

Edmund Lowe, of "What Price Glory," fame, is the star in the role of "Mile Away" Barry, brainy and immaculate leader of the underworld and Mary Astor, "the patriarch of the screen" plays the leading feminine role. Ben Bard heads the brilliant supporting cast with Charles Morton in a featured role.

"Dressed to Kill" carries a series of punches that start with the opening scene and let up until the final fadeout.

The story is by Irving Cummings and William C. Melton and was directed by Cummings.

Advance notices claim this picture to be one of the greatest sex productions ever filmed and in it is carried home a moral lesson that has won the endorsements of the public and press.

The theme of the picture is carried by special music and the introduction of the "Humantone Singing Interlude."

Owing to the many delicate situations, children under sixteen will not be admitted at any of the performances unless accompanied by their parents or guardians. The evening shows will be for men only, while the matinee will be devoted for ladies only.

FLEUR DE LYS ROSE WORN AT RACES

PARIS (AP)—Fleur de lys as a design for the heel reinforcement of the new shoe appeared at the Longchamp races. Another history innovation is the herring bone weave. The chine weave which gives a crepe effect also was seen at Longchamps.

FOR SALE
2 Acres, close in in Fruitdale, 4-room house, wired for light, water right that means something, berries and family orchard. Will sell or exchange for larger acreage.

An exceptionally well improved farm, equipped with high-grade cows and sheep, and a city milk route brings in \$150 per month. Farm produces sufficient hay to feed all the stock and last year there was a surplus of 80 tons. This is no shoe-string proposition—a real farm, real equipment selected stock. It requires a few thousand dollars as a first investment. While the owner desires to sell, his reason is not financial, for it is a real money maker and will stand the acid test upon investigation.

40 Acres well improved on market road near La Grande, all in cultivation, and an additional 10 acres of timber, all for \$5,000. Investigate this.

Good news from Hollywood. Fifty thousand are said to be unemployed.
