**Markets Quiet
And Prices Are
Quoted Steady**

PORTLAND, Ore., June 25 (AP)—Quiet prevailed on local wholesale produce markets this morning and commodity prices were generally steady at Saturday's closing quotations.

Commission men were pushing old stock potatoes of which previous supplies remain in storage. Prices are low, best offerings of U. S. No. 1 grade Deschutes going at \$1.15 per sack.

Fresh fruits were easier all around reflecting generous supplies and light demand. Cherries were heavy. Royal Anne ranging from 7 to 10c per pound and Bing ranging from 10 to 12c.

Strawberries were about steady. Strawberries moving at \$1.75 to \$1.85; loganberries at \$1.25 to \$1.50 and raspberries around \$1.75 per crate. Currants were easier at \$1.50 per crate.

Indications this morning were that egg prices would go higher late today, as supplies were scarce. Sufficient to meet active demand and considerable short hatched stock was moving out of storage to fill orders.

Butter values were unchanged and the market tone was firm. No changes were quoted in poultry or country dressed meat prices. Supplies cleaned up well Saturday and indications are for a firm market this week.

**Wheat Lower And
Weak In Chicago**

CHICAGO, June 25 (AP)—Opening unchanged to 1/2c off. Chicago wheat later underwent a moderate general setback. Corn, oats and provisions tended upward, corn starting at 1/2c decline to 1 1/2c advance and subsequently holding near to the initial range.

Wheat closed weak, 1 1/2 to 1 3/4c lower; corn 1/2 to 1 1/2c off; oats 1/2 to 1 1/2c off. The decline in wheat was due to the fact that the market was overdone in a rise of 12c.
