**SPUD HELMS IS LEADING HITTER**

Only Two Regulars Slugging at Faster Clip Than .300 Mark in League

With only an even dozen players left in the Blue Mountain league that have played in every game that would make a great winking crew in anybody's team. Here's how they line-up:

Player	AB	H	Pct.
Helms, La Grande	48	14	.292
Walters, Pend	42	12	.286
Spud, La Grande	42	12	.279
Kirkwood, Baker	40	11	.275

The peculiar part of it is that one of the four is a pitcher, Lefty Kirkwood.

**Spud Leading League**

With the departure of several regulars for other fields, Deputy Sheriff Amos Helms, of this city, tops the sluggers who have participated in eight or more games. This is the first time this season that Spud has led the league in hitting but he has been near the top all the time and never dropped below the .300 mark.

Several of the newcomers have made excellent showing in hitting. Smith, of Baker, leading the one-and-two-gamers with .447. Murchison, of La Grande, made a slugging record of .418. Yensley, of Walla Walla, has .411 and Bailey, of Walla Walla, is .403. Clark, of Pendleton, getting two hits out of five times at bat, registers an even .400.

These percentages, however, cannot be claimed with those of players that have gone through a large number of games.

**Average Two Errors**

La Grande, as a team, no longer leads in hitting but has the edge in accurate fielding, averaging exactly two errors a game for the 16 league contests. Her fielding percentage is .951.

At the other end of the table Walla Walla holds forth with an average of nearly five errors a game and has a percentage of .818. Baker is leading the clubs in the slugging column and La Grande has dropped to third place due to Walla Walla getting 21 hits against Baker last Sunday.

Next Sunday's games in the league promise to be plenty exciting with Pendleton and Baker still knotted in second place. La Grande takes on the Burakours at home while the Bears journey to Baker. Fans are expecting to see Baker in second place when the two contestants are over. Then, on July 8, the last day of the season, Baker will be champion of the Circuit, who clinched the pennant last Sunday when Baker took an 18 to 8 defeat in the twice-named city.
