**Cameli Gallard Sought As Killer Of Five Fiances**

MAINEVILLE, France, June 28 (AP)—A hue and cry has been raised throughout France for Jerome Pratt, alias Cameli Gallard, 31, charged with murdering at least five fiances and probably many others. Police investigation showed that Pratt operated along the same lines as the notorious Henri-Louis Landro, getting in touch through matrimonial advertisements with women of more years than discretion who had a little capital. Suspicion was first aroused on Sunday when Mile Elise Poes, the owner of a villa which Pratt was known to have just purchased, was found strangled with a piece of wire. Pratt had disappeared.

In the course of their inquiries police searched another villa which Pratt had leased a year ago. They found fragments of the bodies of two women buried under the cement floor of the chicken house. The bodies were identified as Jeanne Edol and Jeanne Bonnet, both more than 40 years old.

Neighbors said that since Pratt had roomed there five women had arrived at the villa and not one was ever seen to leave.

Police today continued to dig in the garden and to take up the floor of the villa, looking for traces of other possible victims.

**Atlantic Fliers Bid Good-Bye to Continent Today**

SOUTHAMPTON, Eng. June 28 (AP)—Miss Amelia Earhart, Wilmer Stilla and Louis Gordon, fresh from the cordial welcome given them in Great Britain after their flight across the Atlantic from Newfoundland, sailed for home today.

The group of American fliers was given hearty greetings by the passengers on rails of the steamer President Roosevelt as their tender came alongside.

Miss Earhart was guest of honor at a private dinner given last night by Mrs. Hubert Scott Payne of the Imperial Airways and slipped away from her hotel quietly this morning to join the liner without any official function.

**Relief From Curse Of Constipation**

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rosal Ordelex has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Show a Rosal Ordelex at night. Next day bright. Get 24 for 25c in box at the nearest Rexal Drug Store. Ad.
