delegate at Constantinople from  
1904 to 1907 when he became papal  
nuncio in Belgium. In 1916 he was  
major domo of the holy see and in

## BLIND PASTOR WILL PREACH FOR COOLIDGE ON VACATION

DULUTH, Minn. (NEA Service)  
—For 35 years John Taylor of Du-  
luth has acted as a lay minister in  
the Congregational church, going  
about the northland preaching to  
congregations in small village  
churches, unnoticed by the world.

This summer his work, at last,  
will come to public attention. For  
among his hearers will be Presi-  
dent Calvin Coolidge, who will  
worship in the little frame church at  
Brule, Wis.

Yet the Rev. Taylor will never  
see his distinguished parishioner.  
For he is blind—has been, for the  
past six years.

Every other Sunday the Rev.  
Taylor's circuit takes him to Brule,  
where he preaches at afternoon  
services. His home is in Duluth,  
and during week days he studies  
out his texts and sermons by the  
Braille system.

The church at Brule is a modest  
wooden building, painted white,  
with a steep roof and a small stee-  
ple. It can hold about 100 people;  
normally there are about 40 in a  
Sunday gathering. This summer it  
is expected the little church will  
be crowded; it is not often so  
small a church has the honor of  
receiving a new to the president  
of the United States.

Rev. John Taylor, blind minister, who will be President Coolidge's pastor during the latter's vacation this summer.

## BERRIES SCARCE; BUTTER STEADY

Local New Potatoes Are  
Beginning to Come  
Into Market

PORTLAND, Ore., June 29 (AP)  
—All classes of berries were scarce  
this morning with strawberries and  
raspberries in smallest supply. Both  
sold around \$2 per crate. Currants  
were also in light supply. They  
sold around \$1.75 per crate. Wild  
blackberries were fairly plen-  
tiful at 20c per pound. Blackcaps  
brought \$1.75 per crate.

Peas were also quite scarce this  
morning, real good ones being al-  
most absent. Most sales were at  
15 to 20 cents per pound. Green  
beans were in ample supply at 2  
and 10 cents per pound, while wax  
varieties sold about a cent cheaper.

Local new potatoes are beginning  
to come into the local market fair-  
ly heavily and California receipts  
are dropping off. Most sales of  
new potatoes today were at \$2  
per cwt.

Butter and egg quotations re-  
mained steady at the market to-  
day was firm. Yesterday's receipts  
were: Butter 21,403 pounds; eggs,  
2,442 cases. Storage holdings were:  
Butter 604,472 pounds; eggs, 71,  
502 cases.

**Cross Currents  
Of Prices Run  
Through Street**

NEW YORK, June 29 (AP)—  
Curious cross-currents of prices ran  
through today's brief session of the  
stock market. Industrials, as a  
rule, pointed higher, although there  
were numerous exceptions, and the  
rails were inclined to heaviness.

Trading was in moderate volume,  
the day's sales aggregating around  
650,000 shares.

Motors gave one of the most im-  
portant demonstrations of group  
strength, with the demand center-  
ing in such issues as General Motors,  
Chrysler, Dodge Brothers, Hupp  
which was strong yesterday, ran  
into heavy profit taking.

Radio, which shared the market  
leadership, was under selling pres-  
sure. Fresh weakness also cropped  
out in the rubbers and in such  
specialties as Johns Manville, East-  
man Kodak and Midland Steel pre-  
ferred.

The closing was irregular.

**Gang Guns Blaze  
Again But This  
Time Miss Mark**

CHICAGO, June 29 (AP)—Again  
the gang guns blaze.

With Big Tim Murphy, their lat-  
est victim, yet unborn, the gangs  
last night sought out Eddie (Spike)  
O'Donnell. But this time they  
missed.

Four times, now, Spike O'Donnell  
has escaped gang assassination. Slow  
triggers and shaky aim saved  
him last night.

O'Donnell is one of those enter-  
tained by police as a beer garden  
chief. His alignment in under-  
world feuds has been with those  
who opposed Big Tim and his allies.

Either from a sense of drama or  
a lack of invention, the men who  
tried to kill O'Donnell employed  
methods almost identical with  
those that forever removed Murphy  
from the "racket." A captured  
motor car rolled slowly by the  
O'Donnell home on West 63d street.  
Three or more arms were thrust  
out through the side, and the guns  
exploded almost in unison.

The first shots went wild, which  
was all the chance O'Donnell need-  
ed. He dropped to the ground and  
shielded himself behind an auto  
mobile parked at the curb. "The  
gunmen drove quickly away, under  
the fire of O'Donnell's bodyguard  
which has been concealed in the  
darkness of the yard.
