Avis Gabler And Mr. Ferris Married In Portland, Ore.

The marriage of Mrs. Avis May Gabler, daughter of Mrs. S. B. Morgan, of La Grande, and Jack B. Ferris, son of Mrs. Frank E. Ferris, of Portland, was quietly solemnized Saturday afternoon at Westminster Presbyterian in Portland, the Rev. W. S. Gilbert reading the service in the presence of immediate relatives. The bride was attended by her sister, Miss Edna Maguire, and Donald Ryder acted as best man for Mr. Ferris.

Mrs. Ferris is well known in La Grande having made her home here for some time. She graduated from the La Grande High school. Mr. Ferris, formerly of Portland, is local manager of the insurance department of the Union Mortgage and Investment company of this city. He is a University of Oregon alumnus. The couple will make their home in La Grande.

Stoddards To Be La Grande Visitors

The many La Grande friends of Mrs. Earl Stoddard, of New York, are anticipating with keen pleasure the visit of Mrs. Stoddard and her children, George and Barbara, who will arrive here tomorrow morning. Mrs. Stoddard will be a much-welcomed visitor and will be feted extensively during her stay.

Several affairs have already been planned and their will undoubtedly be many more. Mr. and Mrs. Stoddard and their children left here last July, making their home first at Kansas City, and later going to New York. No less a welcome will be extended to George and Barbara by their young friends here. They will be the houseguests of Mr. Stoddard's mother, Mrs. Ellen Stoddard.

organization until the last few months. Miss Mildred Fox is now counsellor. Those who will go to the houseparty are Miss Fox, Mrs. W. L. Divine, assistant counsellor, Miss Ida Francis French, president, Miss Jennie Nielson, scotcher, and Miss Hazel Rector. Thursday Miss Fox, Miss Rector and Miss Nielson, with Mrs. H. A. Fox and son, Glenn, will leave by car, while the other two delegates will come later. While the members are attending Mrs. Fox and Glenn will visit in Portland with her sister, Mr. Fox will join them next week.

New officers of the W. W. G. were elected a week ago Saturday when the organization met at the city park. Miss French succeeds Mrs. Ray Curteman (Jennie Dolbow) as president. Miss Nielson was elected scotcher and Miss Elaine Montgomery was chosen secretary-treasurer. A report was heard on a quilt which the girls have made and completed. To send the five delegates to the houseparty the girls raised \$50 which was doubled by Dr. McAdory.

Miss Jennie Dolbow became the bride of Ray W. Curteman last Tuesday at a quiet ceremony that was solemnized at the Baptist parsonage by the Rev. P. O. Hess. The wedding was performed in the presence of Miss Dolbow's parents, Mr. and Mrs. George W. Dolbow. The happy couple left on a short honeymoon trip to Huntington and Boise. Mrs. Curteman graduated from the local high school in 1927 and has many friends here. She has been active in Baptist church circles and retired last week as president of the W. W. G.'s. Mr.

Five from the W. W. G. of the La Grande Baptist church will attend the annual state W. W. G. houseparty at McMinnville, an event that has come to be outstanding in young people's organizations of the state. The active La Grande organization has been well represented at the houseparty for several years and the local girls have been prominent in the state work. The houseparty will begin next Saturday, coming to an end Monday evening.

The delegation from La Grande will visit in Portland with Dr. and Mrs. W. P. McAdory. Mrs. McAdory has been counsellor of the

Bridge Pointers

By Milton C. Work

Continuing the subject of pre-empting bids, we next come to the most important one of the entire lot, and yet one which is neglected more than any other type of precaution. I refer to the jump of an initial No Trump after a pass by Second Hand.

Many Bridge players unhesitatingly make high pre-empting suits-bids as Dealer (some justified and some not), they also are apt to start by bidding two No Trumps (generally a foolish bid); but, no matter what assistance they may have for the No Trump, never think of turning partner's initial one No Trump into a pre-emptive bid by jumping it to two after the intervening opponent has passed.

The success of a No Trump frequently depends upon which suit the adversary who has the lead decides to open. If he could see his partner's cards, he frequently would make a game-saving opening which, however, would be a most unsound lead from the point of view of the leader's cards alone. But when Fourth Hand bids two of a suit after Dealer has bid one No Trump, and Second and Third Hand have passed, and Dealer or his partner goes on to two No Trumps, the lead becomes marked because, against a No Trump, it is generally better to open a suit-bid by the partner, than to open the long suit of the leader.

With an initial No Trump passed up to him, Fourth Hand with some strength is apt to risk a lead-directing bid; but when the bidding is Dealer one No Trump, Second Hand pass, Third Hand is not apt to bid three when he finds himself sandwiched between two powerful adverse hands. Therefore, the jump of the partner's initial No Trump from one to two generally results in obtaining the contract at that figure.

There is some danger in the jump because Second Hand may have passed with a solid suit and his lead may defeat two No Trumps where one No Trump easily could have been made; but this danger merely involves a loss of points, not of games, and the jump bid frequently produces games by depriving the leader of the information that his partner's lead-directing bid otherwise would have furnished.

Next Monday I shall give examples of hands with which the pre-emptive bid of two No Trumps should be made over partner's initial one No Trump.

BREAKFAST—Strawberries with sliced bananas, ready-to-serve cereal, fish hash, spider corn bread, milk, coffee.

LUNCHEON—Jellied veal loaf, creamed carrots, tomato and cabbage salad, white butter cake, shredded fresh pineapple, milk, tea.

DINNER—Vegetable plate of rice croquettes, creamed peas, buttered beets and spinach timbales, whole wheat rolls, jelly, coconut custard pie, milk, coffee.

The rule which follows for the white butter cake is sufficient for two small layers. If wanted for a large cake, double the amount of each ingredient and make three larger layers. This makes an excellent birthday cake.

White Butter Cake
One-half cup butter, 1 cup granulated sugar, 1/2 cup milk, 7/8 cup flour, 3 teaspoons baking powder, 1 teaspoon flavoring, 1/2 teaspoon salt, whites 2 eggs.
Cream butter and gradually beat in sugar which has been sifted twice. Sift flour three or four times and add 1/2 cup to creamed butter and sugar. Mix and sift remaining flour, salt and baking powder and add alternately with milk to first mixture. Beat well as every ingredient is added. Place batter in refrigerator or cool place while beating whites of eggs until stiff and dry. Fold into batter and turn into two oiled and floured round layer cake pans. Bake 25 minutes in a moderate oven. Fill and cover with a boiled icing.

When baking in warm weather, and when the cake batter has to stand for several minutes as in this recipe, the batter is placed in the ice box to hinder the action of the baking powder until needed for the cake.
