Dora B. Schilke Club in Session At Park Yesterday

One of the largest and most interesting annual meetings of the Dora B. Schilke Past Matrons' club of Eastern Oregon yet to be held took place yesterday at Riverside park when the La Grande past matrons were hostesses to more than 20 visiting club members from Elgin, Enterprise, Union and Baker.

The day was a happy one for members of the club, who convene but once during the year—and make that one meeting a thoroughly delightful session. Including the La Grande members more than 50 were present.

The visiting members arrived about noon by car and were greeted by the La Grande past matrons who escorted them to the park, where at 12:15 an excellent picnic luncheon was spread.

The yearly business meeting, at which Mrs. C. H. Eberhard, retiring president, was in charge, followed. The following officers were elected: Mrs. Fred Savage, of Enterprise, president; Mrs. Walter Cook, of Union, vice president; Mrs. Charles Johnson, of Enterprise, secretary, and Mrs. Maude West, of Baker, treasurer. The Enterprise past matrons will be the hostesses next year and will entertain at Wallowa lake. The retiring officers of the club are Mrs. Eberhard, president; Mrs. Savage, vice president; Mrs. Mae Noyes, secretary, and Mrs. Maude West, of Baker, treasurer.

The business meeting preceded an enjoyable program given by visitors and La Grande folk. Mr. Adams, of Canada, who is visiting in Baker with his mother, a mem-

ber of the organization, sang a group of vocal numbers, with Mrs. Grace Ross accompanying him. Mr. Adams is a radio performer and a singer of note, and the club felt it a distinct favor in having him for the program.

Mrs. Charles Johnson, of Enterprise, and Mrs. Lynn Hill, of Elgin, gave readings.

The Rainbow assembly of La Grande, was represented on the program with two of its members giving numbers. Miss Margaret Milne gave a violin solo, accompanied by Bethel Trill, and Miss Mary Vaughn Hendrickson gave a reading. The final number was a cleverer humorous skit given by the Baker past matrons.

Honor Four Guests At Bridge-Luncheon

Four out-of-town guests were complimented at an attractive bridge-luncheon at which Mrs. Hal Bohnenkamp was hostess yesterday afternoon to members of the club at her home on First street. The honor guests were Mrs. Earl Stoddard, of New York; Mrs. C. L. Dutton, of Portland; Mrs. A. V. Lindgren, of Portland; and Mrs. David Stoddard, of Baker.

The affair was one of the prettiest of the summer parties, and was made a particularly delightful event because of the presence of the four guests, all former prominent La Grande women.

Guests were seated at luncheon at 1:15 o'clock at small tables. A pink and white motif was suggested in the small table bouquets of summer flowers and in the pink and white table covers.

Six tables of bridge were at play for the afternoon. Mrs. R. F. Murphy winning the club prize. Consolation went to Mrs. Norman

Freese. The guest prize of the day was won by Mrs. H. E. Dixon. All the honor guests were complimented with prizes. An out-of-town guest of the afternoon was Mrs. W. E. Helfrich, who is the guest of Mrs. C. H. Reynolds. She is from Portland.

This is the final meeting of the club until fall.

With Mrs. Edna Cameron, noble grand, and the other newly installed officers, conducting lodge for the first time, the Crystal Rebekah lodge No. 50 met in a business session last night at the Odd Fellow's temple. The new staff of officers were complimented on the splendid way in which they put on the regular lodge work. Only routine business matters were taken up. There was an attendance of approximately 40.

An overnight hike to Mt. Emily will be taken next Saturday and Sunday, July 28 and 29, by members of the Sarajawa campfire group with their guardian, Mrs. Lois H. Awek. To detail plans for the hike the group met last evening with their guardian, following junior choir practice.

The hike will present an opportunity to the campfire girls to earn a number of campfire honors and this phase of the trip is to be particularly stressed. Every hiker will have a chance to earn 15 tent-craft honors. Three out-of-door honors that are special distinctions in campfire work will be attempted by the group. The first honor, that of fagot-finder, will no doubt be earned by several of the girls, while the five who have already earned that will try for the train-maker. Some of the group will also try for some of the requirements of the gypsy honor, the third and highest of the triad. While it
