VEGETABLES AND FRUIT IN DEMAND

Hot Weather Causes a Heavy Call for Melons and Cantaloupes

PORTLAND, Ore., July 23 (AP)—Wholesale fruit and vegetable markets were unusually active today, reflecting hot weather demand for seasonal commodities which at this time of the year supplant meats to a large extent on the daily menus.

Watermelons, cantaloupes, tomatoes, cucumbers, lettuce, berries and all classes of fruit were moving freely and prices were generally steady to firm.

Hothouse tomatoes were selling around 20c per pound. Local dry lettuce went to the trade around \$1.75 per crate.

Fruits were in good demand and the general quality of offerings excellent. Apples were moving mostly at 75c per box, California peaches at 90c to \$1.00, Oregon peaches at 45c to 75c, depending on quality, and plums at \$1 per box.

Berries were in fairly liberal supply early and prices were about steady with Saturday's figures.

Country dressed meats were steady at the opening but today but prices were steady except pork which was easier at 15c per lb. Supplies of most classes were light, however, and no accumulation reported.

Poultry prices were steady to strong on most desirable classes, reflecting lightness of receipts. Prices were not notably higher, however.

Butter and egg values were unchanged from Saturday's close.

HYANNIS, Mass., July 23 (AP)—Dr. Martin J. Loeb, irate New York father who pursued Maxwell Jodenhelm, novelist to Providence in search of his 13-year-old daughter, Gladys, an aspirant to literary honors, was believed peacefully on his way home today and with him were the Bohemian author and his erstwhile Greenwich village protegee.

MARKET UPWARD In Wall Street; Closing Strong

NEW YORK, July 23 (AP)—The stock market turned upward today after an early period of irregularity. Liquidation of several high-priced specialties, which sold down 1 1/2 to 2 points at the opening, quickly dried up, and the market resumed its advance under the leadership of the mercantile, copper and southwestern railroad issues.

Call money renewed at 5 1/2 per cent as against 5 per cent last Friday. Banks called about \$5,000,000 in loans during the morning. Although fears of higher call money rates still persist in some quarters, many traders held out hope that the recent decline in market activity and the slump in new bond offerings will ease the credit situation sufficiently so that the present rates will not be materially changed.

The closing was strong. Dealings were more vigorous in the final hour. Montgomery Ward touching another new high with a gain of nearly 8 points and Texas and Pacific also reaching a new peak with a rise of nearly 7. Case Threshing, which had developed weakness, advanced nearly 15 points from its low of the day. Total sales approximated 1,250,000 shares.

All Grain Hits New Low Price For Year Today

CHICAGO, July 23 (AP)—Prices today for every kind of grain smashed the season's low price record. Bread grains suffered the worst collapse, wheat in some cases showing nearly 6 cents a bushel loss since Saturday's finish. Ultra optimistic reports concerning the Canadian wheat crop outlook had much to do with forcing values downward.

Opening 1/2 to 1 1/2c off, Chicago wheat later underwent a further drop. Corn and oats went down 1 1/2c off, and afterward continuing to sag. Provisions were irregular. Wheat closed nervous, 4 1/2 to 5 1/2c net lower; corn 2 1/2c to 3 1/2c net down, 1 1/2c to 1 1/2c down, and provisions varying from 2 1/2c decline to a rise of 2 1/2c.

True Economy Is Often Wise Spending
Economy doesn't always mean **SAVING** money. More often than not it concerns itself with **SPENDING**. There are certain things you must have for the comfort of yourself and family. Buying these things for as little as possible, without sacrificing **Quality**, is economy. Only the miser saves by hoarding, the clever man or woman saves through spending wisely.

Our store is especially adapted to the needs of the customer who wishes to spend wisely. Our low prices are made by skillful buying, never by skimping on Quality; you will never find "seconds" or imperfect goods on our shelves. Best of all, our policy of selling for cash means a small saving for you on every purchase, and helps you end the month free from debt.
