WONDERLAND PICKED FOR 1929 MEETING

Eastern Oregon Medical Society Winds Up La Grande Convention

WALLOWA DOCTOR NEW PRESIDENT

Dr. Lewa Wilkes, of This City, Elected Secretary-Treasurer — Sessions Very Successful.

Dr. John B. Gregory, of Wallowa, was elected president of the Eastern Oregon District Medical society during the afternoon session of the annual meeting held at the Sacajawea Inn Saturday with nearly 40 medical men, among them foremost Northwest authorities, attending. Dr. John P. Brennan, of Pendleton, was elected vice president, and Dr. Lewa Wilkes, of La Grande, was elected secretary-treasurer. Dr. W. D. McNary, superintendent of the Eastern Oregon state hospital, and Dr. Thomas Higgins, of Baker, were elected delegates to the state convention in Portland in the fall.

Wallowa lake was chosen as the meeting place for the 1929 session. The afternoon session was brought to an end with the annual business meeting at which the retiring president, Dr. Alfred J. Johnston, of Heppner, presided.

Banquet In Evening

In the evening a banquet was given at the Sacajawea with the wives attending. Dr. Richard Dilehunt, dean of the University of Oregon medical school in Portland, acted as toastmaster at the banquet at which there were a number of extemporaneous toasts given. The banquet was a very pleasant affair. Mrs. A. L. Richardson with true artistry sang a group of numbers which were accorded a hearty applause. Mrs. Richardson sang "To Be One Near You" and two French songs, one of which was a particularly difficult number with many trills and codenzas. Mrs. S. B. Morgan gave her an artistic accompaniment at the piano. An orchestra from the Eastern Oregon school of music furnished music during the banquet. On Sunday Dr. and Mrs. Harold C. Bean, of Portland went on to Wallowa lake for the day and it is understood that several other groups went to the lake or spent Sunday visiting at some other point before returning to their homes throughout Eastern Oregon.

From point of attendance and of the ease and worth of the speaking program the meeting was acclaimed the finest yet held.

2 ROBBERIES IN LA GRANDE OVER WEEKEND

Two robberies were reported to the police over the weekend and are being investigated. R. B. Garig, 2709 N. Third street, reported that some one took the screen from his window and entered his bedroom between one o'clock and daylight yesterday morning, stealing his pocketbook which contained about $6 in cash.

Jack Bush says that a Remington gun and 20 cartridges were stolen from his place Saturday night. Entrance was gained by a skylight window.

Minister To File Counter Action

LOS ANGELES, July 30 (AP)—A legal enlargement of the ouster suit controversy surrounding the Rev. Frank Dyer, pastor of the Wilshire Boulevard Congregational church, was promised by the defendant minister's attorneys when trial of the suit was continued today.

Mr. Dyer through his counsel announced that an amended complaint charging a conspiracy to wreck the fashionable church organization would be filed. Six men, three of whom are members of the flock and the other three outsiders would be named defendants. No definite date for filing of the action was set in the court statement.

Babe Ruth Drives Out 11st Homer

CLEVELAND, July 30 (AP)—Babe Ruth hit his 41st home run of the season in the sixth inning in today's game between Yankees and Indians. Combs scores ahead of him.

Ruth's 41st circuit clout came with one man out in the sixth. He lifted the ball high over the right field wall to cut down Cleveland's four-run lead.

Today's homer puts Ruth seven home runs, 24 games and 25 days ahead of his 1927 record.

Scouts Receive High Awards At Court of Honor

George Gilkison Made An Eagle Scout — Russell Nelson, of La Grande, Gets Life Badge.

In an impressive ceremony that had its setting in the tall pines of Catherine creek, a boy scout court of honor was held Saturday night in which George Gilkison, from North Powder, became the fifth to attain the highest rank in all scouting—that of eagle—in the Eastern Oregon council.

The court of honor was based on Indian lore and was termed the "Four Way" lodge ceremony. Approximately 20 visitors witnessed the program at which E. Russell Scott acted as chief. While a huge fire flamed in the middle of the circle the scouts went through the ceremony of the court. At each of the four lodges, at which boys of various scout ranks were seated, a different color flame, yellow fire, blue fire, red fire and white fire, was burned as the ranks were conferred.

The tenderfoots were seated in the east at the court of the "Mountain Lion," the second class scouts in the south at the court of the "Black Bear," the first class scouts in the west at the court of the "Buffalo" and the star, life and eagle scouts in the north at the court of the "White Wolf." Erwin Kirby, A. W. Nelson, John Allen and Officer Walter Lansing assisted Mr. Scott in conferring the ranks. Dr. W. T. Pay, president of the council, was unable to be present.

Nelson Now Life Scout

During the evening Russell Nelson was made a life scout, the rank next to the eagles. The third rank, star, was conferred upon Byron Grow, Baker, Robert Zweifel, La Grande, Kermit Meyers, North Powder, Boyd Jackson, La Grande, Buddie Forestrom, North Powder. First class badges were given to Carl Donhan, Ernest Briggs, John Walker, Leslie Garlinghouse, Axel Garlinghouse, Jack Fisher. Second class badges to Fred Beeman, Darrell Hutchison, Donald Burke, Raymond Stickler, Howard Pidcock, Winton Huddelson.

News will be sent to La Grande as soon as the awards are made, which will be within the next few days, it is said. It is understood that a large number of bids were entered, some by local men. With many bids to check over and consider, immediate awarding of contracts was practically out of the question, according to word received here.

The relief the weather men promised Oregon arrived over the weekend and with it brought delight to La Grande people who have been sweltering in 100 and more weather for six straight days, setting a new record for this city.

Saturday, the final day—at least temporarily—of the hot spell, definitely reached 104 above before the mercury began to drop. Yesterday the high mark was 93 above, the coolest in eight days, and last night's minimum, 52 above, was the lowest in eight days.

Swimming holes, river banks and favorite picnicking spots were crowded yesterday with people seeking relief from the warmth, hundreds of La Granders leaving the city for the day. Swimming pools were particularly popular.

37 PERSONS ARE HURT IN TRAIN WRECK

Crack Northern Limited and Bar Association Special Collide

INVESTIGATION IS ORDERED TUESDAY

Guernsey, Wyo., Scene of Railroad Tragedy; Loss of Life Believed to Be Eight.

SACRAMENTO, Cal., July 29 (AP)—Thirty-seven injured persons in hospitals and hotels in Woodland, Arbuckle and Oakland last night gave grim evidence of the collision between the Cascade limited, crack Southern Pacific Northern limited and the second section of the American Bar association special train from Seattle at five o'clock yesterday afternoon at Cortena near Maxwell. Both trains were en route to San Francisco.

Several of the injured were in a critical condition late last night in Arbuckle and Woodland hospitals. Many of those hurt were given emergency treatment at the scene of the wreck and were able to continue to Oakland where they went to hospitals or hotels.

The accident occurred as the special, running ten minutes ahead of Cascade, stopped at Cartena to make repairs to the engine. The Cascade, rounding a curve did not see the stalled train and crashed into it.

The heavy Cascade engine telescoped the observation car of the special and both overturned. Five passengers in the observation car were injured.

Engineer Hurt

The engineer of the Cascade, H. N. Weymough, Oakland, suffered possible internal injuries while the fireman, E. W. Sutliff, Sacramento, escaped.

CONFERENCE HELD AT ISLAND CITY

Church Meeting in Charge of H. S. Hamilton — South Meet Postponed

The fourth quarterly conference of the Island City Community church was held last night following the regular 8 o'clock services, the Rev. Mr. Hanson announced today. Harry S. Hamilton, district superintendent, of Baker, was in charge of the conference business session, which included election of officers, which will be announced in detail later.

From Island City Mr. Hamilton returned to La Grande and today left for Union. He will be in charge of the conference at the First Methodist Episcopal church here Friday.

The conference at the South Methodist church was indefinitely postponed, because of illness of District Superintendent H. S. Shangle's wife. The Rev. J. A. Hall, pastor here, received a telegram from Mr. Shangle at his home at Milton, Ore., to that effect. Regular services were held.

Interesting services were held in many of the churches of the city yesterday, with good summer attendances.

The pastor at the Baptist church preached at 11 a. m. on the subject of "Re-Building of a Home." Miss Mildred Hess sang, accompanied by Mr. Delepine playing the obligato on the violin. In the evening the sermon was "The Fool's Vineyard." A violin duet was played by Mr. Delepine and Miss Bertha Bantz.

Hundreds Attend Eagles Picnic; Bathing Beauty Contest Feature

With hundreds of families attending the Eagles four-city picnic at Meacham yesterday, drawing from Pendleton, Baker, Wallowa and La Grande, was proclaimed a huge success. There was continuous entertainment throughout the day and leaders of the event saw to it that no one had a dull moment.

The highlight of the event was the selection of Miss Violet Rost, of Pendleton, as the bathing beauty of the Eagles for the four cities. Mrs. Gladys Grammann, of La Grande who was acclaimed bathing beauty queen of the La Grande lodge on Saturday night, was honored again when she won third place in the grand contest. Miss Ida Baker, of Walla Walla, won second prize.

Grand Lodge Represented

H. D. Hale, sent here from the Eagle grand lodge, was the principal speaker for the day and also acted as chairman of the judges.

Mrs. Grammann's La Grande victory was announced at the Eagles dance Saturday night at eleven o'clock when she was introduced to the dancers and presented with the first prize of $25. Miss Leona Waldrop won second, receiving $15 and Marjorie Ambrose won third receiving $10. All three competed in the grand contest.

Pierce Speaks

Ex-Governor Walter M. Pierce spoke on Eaglehood in a very interesting address, touching upon the four principals of the fraternal order—liberty, truth, justice and equality.

The program included racing, baseball and contests of all kinds. The La Grande women's baseball team won from the Pendleton team, the score being 31-28. Hundreds of cars lined the road for blocks around during the day. Ice cream, lemonade coffee and cream were served by the lodges at noon and in the evening at five o'clock barbecued beef, buns, potato salad and coffee and lemonade were served.

Hoover Fishing In Rogue River For Steelhead

Presidential Nominee a Guest Last Night of Medford Man

BIG CREEK LODGE, NEAR MEDFORD, Ore., July 29 (AP)—Herbert Hoover's first try for fish early today was unsuccessful, due largely to the fact that photographers insisted on getting close up views and continuously near him.

After two hours in the Rogue river near here he gave up and started ahead of schedule for Brown's camp in California, near the state line where he will seek mountain trout for three days before taking a train to his home at Stanford university.

The president candidate will seek to keep clear of photographers as he holds that fish refuse to bite when cameras are around.

BIG CREEK LODGE, NEAR MEDFORD, Ore., July 29 (AP)—Herbert Hoover came today to the first of the two fishing grounds he has selected in this neighborhood for his first go at his favorite sport since his return to his Western home after his nomination as the republican presidential candidate.

Steelhead trout in the Rogue river, fish that have been down to the sea and back, were sought by Hoover before he essayed a return later in the day back to the Northern California in an effort to lure the mountain trout at the head waters of the Klamath river at Brown's camp near Hornbrook.

The commerce secretary was an overnight guest here of William Isaacs, a Medford merchant who met the automobile caravan at Grants Pass, held a hurried conference with the Oregon policemen who were showing the party the way over the mountain roads and then became pilot himself.

Delays His Fishing

Just west of Medford the lead cars turned off on a dirt highway and drove to this place. Mr. Hoover and some of his party accepted invitations to spend night and some went fishing late in the day but the candidate deferred the wetting of his line until today, contenting himself with watching the others fish.

At Brown's camp on the upper Klamath where the secretary is to go later today Mr. Hoover will be the guest of Milton Esberg of San Francisco for part of today, tomorrow and most of Wednesday, leaving late the third day for Davis where he and his companions will board train for Palo Alto, arriving there early Thursday after an absence of a little more than five days.

280-Mile Trip

On the second day of the journey, the party motored 280 miles from Rail Flat, Cal., to this place, crossing two mountain ranges over roads which alternately overlooked

CHILD NATURAL PLAYER

Five-year-old Lillian Mae Caze of Evansville, Ind., never had a music lesson, but she can play any piece she has ever heard on the piano. Her mother says no one in either parent's family displayed any such talent. Lillian Mae doesn't know how she does it herself. "My fingers just go to the right places—I don't know why," she says. The little girl has been playing almost ever since she was able to stand. One Sunday, after church, she amazed her parents by playing a hymn that they had heard that morning. She listens to pieces on the radio and sits down and plays them.

Valley Pioneer Passes Due To Recent Injury

The ranks of the older pioneers of the Grande Ronde valley were thinned again this morning when Oliver Perin, who has lived in the Lower Cove district 65 years, passed away at the Grande Ronde hospital at 5 o'clock. Mr. Perin came here in 1863 and has been a farmer in the Grande Ronde valley since that time. Last week he fell, breaking his hip, and it was this injury that led to his death today. Of late he has made his home at Imbler and the body will lie in state there from 10 until 1 o'clock tomorrow.

Oliver Perin was born in Jasper county, Iowa, Aug. 11, 1841. He was married on July 3, 1877, to Lucinda E. May. To this union were born two sons, David L. and Charles Edward, and one daughter, who has passed away. The sons make their home at Alicel. A granddaughter, Mrs. Clara Gekeler, and a great-granddaughter, Dorothy Jean Gekeler, of Elgin, also survive.

Funeral services will be held from the Summerville chapel at 2:30 o'clock tomorrow (Tuesday) afternoon, Ray Hog will be the minister.

His death marks the passing of one of the valley's oldest pioneers.

30 LA GRANDE MEN TO FIGHT FOREST FIRES

With the forest fire situation in the Hepner country still serious, although not as threatening as a few days ago, 30 La Grande men met here Saturday night by car to help battle the flames, Mr. Tucker, forest official, said today.

Five large fires are still out of control but all of the smaller ones have been subdued. There were originally 27 fires, mostly caused by lightning. Around 200 men are in organized camps fighting the fires at present. The district forester and his assistant, from Portland, and the Pendleton's supervisor's force are among those at the scene.

It is hoped to have the large fires under control within two or three days.

FRENCH RETAIN TENNIS CROWN

Henri Cochet Wins from Tilden in Deciding Game in Straight Sets

ROLAND GARROS STADIUM, Auteuil, France, July 30 (AP)—America's campaign to recapture the Davis cup from the French failed today when Henry Cochet defeated William T. Tilden in the deciding match of the series in straight sets by scores of 9-7, 6-3, 6-4.

This gave the French three of the four matches played.

The French kept the cup as a result of singles victories for Cochet over both Hennessey and Tilden and a doubles triumph for Cochet and Jean Borotra over Tilden and Frank Hunter.

Cochet thus was the hero of the challenge round, with a perfect record of three victories.

One Match Left

One more match of the challenge round series remains, pitting Rene Lacoste against John Hennessey, but it will be nothing more than an exhibition, as everything hung upon the outcome of the Tilden-Cochet match.

Big Bill put up a gallant fight against his brilliant little French opponent, but showed the effects of the losing five set doubles match in which he participated yesterday.

Cochet was at his whirling best today and gave Big Bill the worst beating he ever received in Davis cup play. Never before had Tilden been trimmed in straight sets in a challenge round for the trophy.

Realizing that his best chance lay

Railroads Given Increased Mail Pay By I. C. C.

WASHINGTON, July 30 (AP)—Railroads carrying mail for the postoffice department were awarded an increased pay of approximately $15,000,000 per year under terms of an interstate commerce commission order today, and in addition granted a lump sum of approximately $45,000,000 for underpayment, which the commission held the government had made since July, 1925.

A majority of the commission held that trunk line railroads were entitled to increases of 15 per cent over the present compensation to become effective August 1.

Petitions for the increase having been filed in July, 1925, the commission ruled that the carriers would be entitled to collect the new rates from that time. Independent short lines operating over distances of under 100 miles were granted an increase of 30 per cent.

STADIUM, AMSTERDAM, July 30 (AP)—A Canadian schoolboy from British Columbia, Percy Williams, sprang from obscurity to fame today by beating the world's greatest sprinters in the Olympic 100-meter final in 10 4-5 seconds. Frank Wykoff, American favorite in the event, finished fourth, while Bob McAllister, "The flying cop," regarded as a dark horse, was sixth and last.

The 100 meters dash witnessed the worst setback American sprinters ever received in Olympic competition when they failed to get one of the three medals. Two false starts preceded the race and the second, made by Wykoff, seemed to rattle the young American.

McAllister started poorly and was unable to close the gaps as he had done previously, despite the fact that the time was slower than in either of the semi-finals when the Olympic record was twice equalled.

Burghley Wins Hurdles

A Lord David Burghley, famous Cambridge track star, scored Great Britain's first Olympic championship in the 1928 Olympiad capturing the final of the 400 meter hurdles today.

Although the Americans were stunned by defeat in the event they had felt sure of winning, the Eng-
